

Kappa Delta Pi - Application

International Honor Society in Education

Dear Future Teacher:

Pi Sigma Chapter of Kappa Delta Pi, International Honor Society in Education, is pleased that you are taking this first step toward becoming a KDP member – completing the application.

Acceptance to membership is based on several factors:

1. Outstanding academic achievement (cumulative GPA of 3.1 or above for undergraduate students, 3.25 or above for graduate students).
2. Potential or achieved educational leadership.
3. Exemplification of worthy educational ideals.
4. Commitment to service to Pi Sigma chapter.
5. Completion of EDUC coursework: EDUC 125 and EDUC 220/221 for undergraduate students; At least 6 credit hours of graduate coursework and a minimum of 12 credit hours in education.*

*By the end of the pledging semester

Apply

If you believe that you meet (or will meet) the above criteria in the time required, you are invited to complete the application form by using the link below (link will be made available during application window—see Pre-Initiate Meeting below at that time).

Should your application be accepted, you will be invited to become a Pledge of the Pi Sigma Chapter. During your Pledge Semester, you will demonstrate your professional commitment by attending the chapter meetings and participating in at least one special chapter activity. After your satisfactory completion of the Pledge requirements, you will be invited to join both the Pi Sigma Chapter and Kappa Delta Pi International. We trust your ensuing academic career will then find you an active, involved member, willing to participate as a pre-professional in the vital role of Kappa Delta Pi.

Direct all questions to KDP officers or counselor, whose contact information can be found on the [Pi Sigma website](#).

We look forward to having you as part of the Pi Sigma Chapter, Kappa Delta Pi, the International Honor Society in Education.

Pre-Initiate Meeting

Further information will be provided at the **mandatory** Pre-Initiate Meeting each semester. At this meeting, you may be invited to become a Pledge of the Pi Sigma Chapter. At that time, you will then complete the application process. A link will be provided here when it is open enrollment.
