Like The Homestead, each of its sister resorts is a true American classic - grand without pretension, rich in legacy, and genuine in service. In 2012, "The Next Chapter" was launched with the addition of Allegheny Springs - a new children's playzone, family pool, 400 ft. lazy river and water slides. Since 1929, the Tower has been the trademark of The Homestead. This, however, was not the first view the guests would have seen. Our first inhabitants of the area were the Native Americans, who used the waters to "rejuvenate" themselves on their many excursions through the area.</p>	Communication Studies (B.S.)
