Convocation and Campus Church

As a dynamic institution vitally interested in the whole person, Liberty provides for physical, social, intellectual, and spiritual needs of the Liberty community. To meet these needs, Liberty provides opportunities for students to gather and serve as a community through convocations, campus church services and Christian/Community Service.

CONVOCATION

Convocation is a thrice-weekly assembly of the University community for the purposes of building unity within the community, disseminating information, and providing forums for the socio-political issues of the day and other educational topics of diverse interest for the benefit of students, faculty and staff. Each year more than 80 guest speakers from the worlds of business, politics, education, the sciences and religion, talented faculty and staff members, music and timely messages from our Chancellor and Vice Chancellor help make convocation a refreshing and challenging time. All students are required to attend all convocations.

CAMPUS CHURCH SERVICES

The Wednesday campus church services are designed to meet the spiritual needs of students. Complementing the instruction provided in the classroom is the spiritual exhortation provided in campus services, which is primarily concerned with the application of truth to life. Students are encouraged to attend Wednesday evening campus services.

LU ABROAD

Matt Rawlins, B.S., M.A.R.

Director, Liberty University Abroad

Liberty University Abroad gives students the opportunity to fulfill the internship requirements for their major in a cross-cultural setting. These internships connect students with global agencies and provide practical training and experience in the students' field of study, in another country, language and culture.

Interns work side-by-side in a country of their choosing with local workers who offer practical training. Students use their major as they assist with children's programs, college programs, adult programs, Bible studies, accounting, data entry, communication, graphic design, health clinics, web development or many other ministry-related responsibilities. Interns gain real life cross-cultural experience by seeing the country and the work first-hand.
