### CHOOSING A MAJOR:

Undecided students should be identifying a viable interest area as soon as possible. Without an interest area, students cannot be assigned to a Professional Advisor. The Career Center (DH 1007, 592-4109) offers many career search techniques such as an individual assessment, counseling, and seminars. Upon identifying a possible interest area, it is recommended that students take an introductory course in that major to help in the decision-making process. It is also recommended that students confirm their choice by arranging an interview with the respective academic Department Chair or Professional Advisor in the Center for Academic Support and Advising Services (CASAS).

### DECLARING/CHANGING A MAJOR:

Upon identification of a viable interest area, students submit a Declaration of Major form in CASAS, DH 2016 to officially declare a major. Student will then be assigned to a Professional Advisor for that major.

Nursing, Education, and Athletic Training require acceptance into the respective program.

-CLST may be required due to pre-college test scores.

GNED 101 and 102 **must** be completed by all freshman and transfer students within the first and second semesters of a student's program. This is the Christian/Community Service (CSER) requirement for the first year at Liberty. After completing GNED 101 and 102, students may choose a CSER from the 200, 300, 400, or 500 series.
