^Options available to Honors students

CHOOSING A MAJOR:

Undecided students should be identifying a viable interest area as soon as possible. The Career Center (DH 1007, 592-4109) offers many career search techniques such as an individual assessment, counseling, and seminars. Upon identifying a possible interest area, it is recommended that students take an introductory course in that major to help in the decision-making process. It is also recommended that students confirm their choice by arranging an interview with the respective academic Department Chair.

DECLARING/CHANGING A MAJOR:

Upon identification of a viable interest area, students submit a Declaration of Major form in CASAS, DH 1016 to officially declare a major.

Nursing, Education, Exercise Science, and Athletic Training require acceptance into the respective program.

REQUIRED COURSES

+FRSM 101 – required for all first-time freshman

BWVW 101 and 102 **must** be completed by all freshman and transfer students within the first and second semesters of a student's program. This is the Christian/Community Service (CSER) requirement for the first year at Liberty. After completing BWVW 101 and 102, students may choose a CSER from the 200, 300, 400, or 500 series.
