

Test Description – NGRK 500

This exam requires basic translation proficiency in relation to Greek nouns, the definite article, and Present and Future Indicative verbs. The exam includes questions on vocabulary, declining and conjugating, parsing, grammatical term definitions, and contract verbs. It also includes several sentences which must be translated. The test is in short answer formatting and contains 56 questions. Mounce's *Basics of Biblical Greek* (ch. 1-20) should be consulted in preparation for this exam.
