GRADUATION REQUIREMENTS for A.A.S. in Technical Studies: HVAC

67 Total Hours

1. 50% of the major must be completed at Liberty

Cumulative GPA must be 2.0 or higher

2. Must have an overall average of "C" in the major

Christian/Community Service Assignments

3. BWVW 101 & 102 must be completed by all freshmen and transfer students within the first and second semesters of a student's program. This is the Christian/Community Service (CSER) requirement for the first year at Liberty. After completing BWVW 101 & 102, students may choose a CSER from the 200, 300, 400, or 500 series.

Internships

4. It is recommended that students consider registering for an optional internship during the summer between the first and second year. Contact the Program Director for more information.

Graduation Application

5. Submission of Graduation Application must be completed within the last semester of a student's anticipated graduation date.
