Fall 2010 Activities—A Great Success!

Following our September initiation ceremony, our first event of the fall semester was on November 5, 2010. Our ALD officers gathered at our local community's recreation center, The Jubilee Center, to host a Fall Festival for the children in their After School programs. Students' ages ranged from elementary to high school with an approximate attendance of 50 fun started, chips, candy were enjoyed. After eating, for the many prepared participated in games of Twister, cupcake walk, basketball, four square, crafts and coloring, and face painting. Being able to directly interact with the people of Lynchburg made us more aware of the necessity and joy of being servants to our fellow local residents.

For our Thanksgiving project we decided to sponsor ten needy families in the Lynchburg community. Thanksgiving baskets were created by various dorms on campus. The dorms were asked to gather non perishable items that could be used for baskets such as but not limited to... canned vegetables, boxed mashed potatoes, turkey stuffing, turkey gravy, cranberry sauce, fruit cocktail, and pie filling. The ten families were supplied with vouchers purchased by our chapter to purchase turkeys from their neighborhood Kroger food store.

We developed a campus-wide fundraiser of wristbands and lanyards, using partial lyrics from our recently acclaimed University Anthem, selling them during football games and campus-wide activities. This was a great success and we plan to continue this fundraiser idea throughout the years. If you have not yet purchased your wrist band or lanyard, don't forget to make your purchase in support of your local ALD Chapter.

In any language: "We wish you a very Merry Christmas!" Luke 2:14
