Liberty University Christian Hockey School (LU-CHS) is a premier camp run by Liberty’s own American Collegiate Hockey Association (ACHA) D1 coaches: Jeff Boettger, Kirk Handy, Jeff Lowes and Mike Binnie.

LU-CHS provides the same high-end hockey instruction that has pushed the LU Men’s Hockey program to the top of the ACHA D1 national rankings. You will learn from skilled LU players and coaches on a daily basis with excellence, faith, perseverance and character providing the foundation of the program. The camp is hosted at the LaHaye Ice Center on the campus of Liberty University.

Students will gain valuable insights both on and off the ice through interactions with coaches, counselors and one another. Located at the foot of the Blue Ridge Mountains in Lynchburg, Va., Liberty is an ideal place to have a summer adventure as you develop and enhance your hockey skills, grow in your faith through learning Godly principles and values, and make new friends.

Join LU Hockey coaches and players for a great summer camp experience in a safe, fun, and exciting environment! Other activities may include swimming, hiking, paintball, indoor soccer, basketball, beach volleyball and floorball.

DAY & RESIDENT CAMPS
LU-CHS is not your ordinary hockey camp. These are up to three hours daily of hockey instruction at the LaHaye Ice Center combined with the experience of life on Liberty University’s campus. The choice is yours; attend as a residential camper or participate as a day camper. Either way you benefit by learning skills and strategies from experienced hockey coaches and former professional and collegiate players.

Coaches, players and hockey educators have developed a curriculum targeting your needs as a hockey player. Apart from the daily on-ice instruction, participants will take part in off-ice conditioning sessions, video analysis, team-building activities as well as appearances from special guest speakers. This program promises to deliver a unique flavor as players from across the nation converge upon the Liberty ice. Enjoy a fun-filled, creative experience while engaging in face-to-face time with other student athletes and coaches.

TACTIONS
• Angling, body contact (age appropriate)
• Cycling the puck, change of pace

Corrections of Development: LU-CHS reserves the right to adjust the junior camp and/or adult camp if the junior camp attendance is more than double the adult camp, students are encouraged to stay with the junior camp. The adult camp is designed for students with more experience in the game of hockey. The adult group is a more advanced level and is designed for those who have played the game of hockey for some time and are looking to improve skills and overall game play.
