When you completed Financial Check-In you reviewed & acknowledged the On-Campus Agreement that covers the Institutional Liability Policy which states:

The university will not be responsible for damage to or loss of personal belongings, which are a result of fire, wind, water, insects, rodents, vandalism, or theft. However, when damage or loss is reported, the university will take reasonable steps to attempt to resolve the problem.

Students residing in the residence halls are encouraged to make sure personal belongings are covered by their parent’s homeowner’s policy or a renter’s insurance policy. The university encourages students residing off-campus to obtain homeowner’s or renter’s insurance to protect themselves against unforeseen circumstances.

Liberty University is a safe and caring environment, but, like your home, it still requires forethought about protecting personal belongings. We encourage you to look over the website listed below, talk to your insurance agent, and consider some form of renter’s insurance.

The university does not recommend or endorse any individual insurance company, but below is a link to a website for National Student Services, Inc, as an example of a nationwide student property insurance company. You can get more information by calling NSSI or visiting their website. NSSI insurance, provided by a member of the Markel Group, provides coverage to enrolled students for breakage, fire, theft, vandalism, water damage, and more whether students live on-campus, off-campus, in residence halls, apartments, or studying abroad.
