

## WILLIAMS FOOTBALL STADIUM/ INDOOR PRACTICE FACILITY

### Emergency Personnel:

Games: Certified Athletic Trainers (ATC) and athletic training students on home sideline (and visitor's sideline for student host coverage as needed), Team Physicians (primary care/ sports medicine, orthopedic) on home sideline; paramedic crew inside ambulance beside Football Operations Center; medical cart is available to transport injured player from field. Prior to start of contest, ATCs will meet EMTs and visiting ATCs to review emergency procedures. Practice: Certified Athletic Trainers, athletic training students, and hydration students on-site for practices; additional sports medicine staff accessible from the Indoor Practice Facility (IPF) Athletic Training Room.

### Emergency Communication:

ATCs carry cellular telephones. Fixed telephone lines are located inside the IPF Athletic Training Room offices.

### Emergency Equipment:

**Games:** Emergency equipment located on home sideline (vacuum splints, AED, and facemask removal tool); additional equipment with paramedic crew(s) located beside the FOC.

**Practice:** Vacuum splints, blood borne pathogen supplies, and AED are available on the sideline on the cart during practice. Additional supplies are located in field kit and inside the IPF Athletic Training Room.

### Roles of First Responders:

Games: 1) Immediate care of the injured or ill student- athlete

2) Emergency equipment retrieval

3) Activation of emergency medical system (EMS) \* Signal paramedics on site \* Campus police will assist as necessary

4) Scene control: limit scene to first aid and providers and move bystanders away from area

Practice:

1) Immediate care of the injured or ill student- athlete

2) Activation of emergency medical system (EMS)

- Cell phone: 911 (provide name, address, telephone number; number of individuals injured; condition of injured; first aid treatment; specific directions; other information as needed) \* If a cell phone is used; immediately notify LUPD at (434) 582-3911

- Land line: 3911 - you will be connected to LUPD (provide the same information as above)

3) Emergency equipment retrieval

4) Direction of EMS to scene

\* Open appropriate gates/ doors

\* Designate individual to "flag down" EMS and direct crew to scene

5) Scene control: limit scene to first aid and providers and move bystanders away from area

**Venue Directions:** The Indoor Practice Facility (IPF) is located along Regents Pkwy on across from the LaHaye Recreational center and Green hall. To Find the Athletic Training Room (ATR) enter the indoor practice field. Enter the door on the south side of the facility. Walk down to the field and follow the right wall. The training room will be the third garage door on the right wall. Take a right onto Regents Pkwy. Drive till the outdoor practice field gate is on the left. From there EMS has access to the Indoor/Outdoor Practice Fields, IPF Weight Room, and the IPF Athletic Training Room.

**-The Outdoor Practice Field** Turn left onto Marie Green Dr. and enter in the gate on the left.

**- The Indoor Practice Field** Enter in the outdoor practice facility gate on Regents Pkwy and make an immediate left to enter the indoor practice facility through the garage door.

**-The IPF Weight Room** is accessed through the south entrance of the indoor practice facility. Upon entering, turn right down the steps and walk to the right of the weight room. The entrance will be on the right side of the gate.

Alternate access to the weight room can be obtained by entering the IPF in the same way and going to the left side of the gate.

**-The IPF Athletic Training Room** is accessed through the south entrance of the indoor practice facility. Upon entering, turn right down the steps and walk to the right of the weight room. The entrance to the training room will be the third garage door on the right wall.
