2008 LIBERTY MEN'S SOCCER

**ROBERTS, TELESFORD PLAY FOR TRINIDAD & TOBAGO NATIONAL TEAM**

Former Liberty University men's soccer standouts Darryl Roberts and Osei Telesford are currently members of the the 18-man Trinidad and Tobago National team.

The two have seen action in several international matches for their native country, including the 2007 CONCACAF Gold Cup, 2007 Digicel Caribbean Cup, CONCACAF Qualifying and friendlies against Jamaica, Costa Rica, Panama and England.

This past June, the former Flames both played key roles in helping the Trinidad and Tobago national squad advance to the next round of qualifying for the CONCACAF Finals, including Roberts' game-winning goal in June 22nd's 2-0 victory over Bermuda.

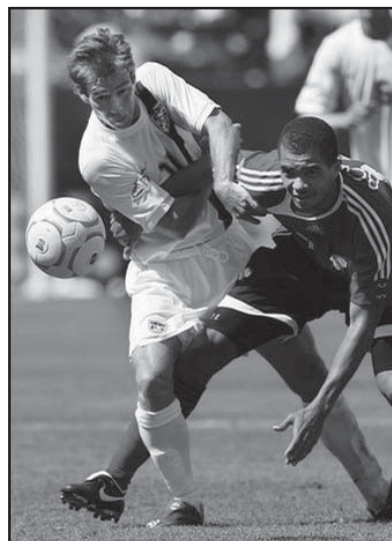

With the victory, the pair of Liberty standouts, along with their fellow countrymen, advanced to Round Three of qualifying for the CONCACAF Final Round. Trinidad and Tobago will meet the United States, Guatemala and Cuba in three round-robin matches during the months of August through November.

Roberts, who is Liberty's all-time leading scorer, played for the Flames from 2002-06. The forward has represented the Trinidad & Tobago National team in 16 matches. He earned Freshman All-American honors with the Flames in 2003 and currently, plays with Denizlispor Football Club in the Turkish First Division.

Telesford was a four-time all-conference selection for the Flames from 2003-06. The defender has represented his native land in 10 contests. Telesford also earned first team all-region honors twice with Liberty and is currently playing professionally.

*Osei Telesford (in white) challenges England's Theo Walcott during June 1, 2008 match in Port of Spain, Trinidad*

*Darryl Roberts battles with Team USA's Steve Ralston during a CONCACAF Gold Cup match on June 9, 2007.*
