Jessica Celi
Head Coach
First Season
N.C. State, ’99

On July 2, 2008, Jessica Celi was named the sixth head women’s soccer coach in the 21-year history of the Liberty Lady Flames’ soccer program.

“We are thrilled to have Jessica Celi join the Liberty University athletics program,” stated Liberty Director of Athletics Jeff Barber. “She has proven herself to be an outstanding coach and recruiter and will be a tremendous leader for our women’s soccer program.”

Celi comes to Liberty after three seasons with the Charlotte Lady Eagles of the United States (USL) W-League, the premier women’s soccer league in the United States, as an assistant to head coach Lee Horton. With the club, Celi was responsible for recruiting players for the team, implementing training sessions, running camps and clinics and coaching, training and teaching sports ministry, both in the United States and in Brazil.

This past season, Celi helped the Lady Eagles to a second-place finish in the Atlantic Division standings and into the Eastern Conference playoffs with an 11-2-1 mark. The squad’s roster included former Liberty standout goalkeeper Sonia Rodriguez, who was a Lady Flame from 2001-05, and Celi’s new assistant coach Abby Crumpton.

“Jessica has a great vision for the Liberty Women’s Soccer Program,” stated Rodriguez, the 2005 Rock Royer/Mac Rivera Award winner, Liberty’s highest athletics honor. “I’m excited to see where she is going to take them. She will be a great role model and mentor for the student-athletes.”

During her three years with Charlotte, she helped guide the Lady Eagles to a 32-8-2 record. During her first season with the Lady Eagles, Charlotte fell one game short of playing for the league title, losing in the 2006 W-League semifinals.

The year prior, Celi was the head coach of the W-League’s Carolina Dynamo. She was the youngest and only female coach in the Atlantic Division.

Celi also has coached internationally. While serving as a missionary in Brazil, she was the co-head coach of the Cota Women’s Professional Soccer team based in Sao Paulo in 2007. The team played both outdoors and futsal, five-a-side soccer played indoors.

From 2004-06, Celi was an assistant coach under Todd Bramble at Clemson. Each of her three seasons with the Lady Tigers, Clemson received an at-large bid to the NCAA Tournament, reaching the quarterfinals in her final season in 2006. In her three seasons at Clemson, the Lady Tigers recorded a 40-25-9 mark.

Celi began her coaching career at Delaware in 2001, serving as an assistant until 2003, when she became an assistant at Creighton for one season.

She has been both a staff coach and state coach in the Olympic Development Program (ODP). Celi was a coach with the New Jersey ODP Under-17 Girls State team from 2002-03 and was both a staff and state coach with the Nebraska state program from 2003-04.

During her time with the Nebraska program, she was a staff coach with the Region II ODP, identifying top youth players from within a 12-state region, and coached the Nebraska ODP U-17 Girls state team.

Celi graduated cum laude from N.C. State with a bachelor’s degree in psychology in 1999. She also received a master’s degree in educational leadership at Delaware in 2003.

A four-year letterwinner in the collegiate ranks, Celi played two years in the midfield at Ohio State (1995-96) and two seasons at N.C. State (1997-98). She was a three-time National Soccer Coaches Association (NSCAA) of America Scholar-Athlete from 1995-97 and earned Academic All-ACC honors in 1998.

She competed at the semi-professional level in the W-League from 1996-2002 for the Charlotte Speed, Raleigh Wings and New Jersey Wildcats.

A native of High Point, N.C., Celi resides in Lynchburg.

Abby Crumpton
Assistant Coach
First Season
Michigan, ’03

Abby Crumpton, a highly decorated collegiate player, enters her first year as an assistant coach for the Liberty women’s soccer program.

Crumpton has spent several seasons a coach, joining the Lady Flames’ coaching staff after a year as an assistant coach at her alma mater, the University of Michigan. Before serving the 2007 season with the Wolverines, Crumpton served the 2006 season as head coach at Anderson (S.C.). During her season at the school, she led the program to its best finish since moving to NCAA Division II.

In 2005, Crumpton was named a volunteer assistant coach at Clemson. She helped guide the Tigers to a 9-9-2 mark and a NCAA Tournament appearance. Crumpton was the head coach at Division III Pitt-Bradford in 2004, after starting her coaching career as a student assistant at Michigan in 2003.

As a player, Crumpton earned numerous accolades during her collegiate career at Michigan. In her final season, she was named the 2002 Big Ten Player of the Year, becoming the first Michigan player to be awarded the honor. During 2002, she helped the Wolverines to the NCAA Tournament’s Elite Eight, the best finish in program history, and its highest-ever national ranking, No. 11. After scoring 35 points on 11 goals and 13 assists, she earned NSCAA All-American honors and was selected the Soccer Buzz Great Lakes Region Player of the Year.

In 2001, Crumpton was named to the NSCAA All-Great Lakes Region third team and All-Big Ten first team after scoring a career-high 13 goals and adding four assists. She also was selected to the 2001 Big Ten All-Tournament team. In 2000, she also received All-Great Lakes and All-Big Ten mentions. In her first season with the Wolverines, Crumpton was named to the 1999 Soccer Buzz Freshman All-America second team and was named first-team All-Great Lakes Region and All-Big Ten.

The forward finished her Michigan career as the program’s all-time points leader with 116. Crumpton also sits in the top five on the Wolverines’ career lists for games played, goals, assists, shots and game-winning goals.

She moved on to spend a season with the Women’s United Soccer Association’s Atlanta Beat. Crumpton was selected by the team in the 2003 draft with the 13th overall pick. Joining Olympic gold medalists Brianna Scully and Cindy Parlow, Crumpton scored four goals for the team in 2003, helping the Beat reach the playoffs for the third consecutive season. She played in the league’s final game on Aug. 23, 2003, a 2-1 overtime loss to Mia Hamm’s Washington Freedom team in the Founders Cup Finals.

Crumpton also has been a member of the United States U-21 Women’s National team, which won the 2002 Nordic Cup. She trained with the U-21 squad in 2000, 2001 and 2002. She continues to play professionally with the W-League’s Charlotte Eagles.

Crumpton graduated from the University of Michigan in 2003 with a bachelor’s degree in sports management and communications. The Rochester Hills, Mich., native resides in Lynchburg.

2008 LIBERTY WOMEN’S SOCCER

Suzanne Edwards 2004-07

As the 2000 season began, expectations were high for the Liberty Lady Flames women’s soccer team. Coming off the most successful season in the school’s history in which the Lady Flames posted their first-ever winning record, the team won its first-ever Big South Tournament game and advanced to the championship of the Big South tournament for the first time before falling 3-2 in a heart-breaking overtime loss to Elon, head coach James Price’s squad set the highest goals ever for the program - a Big South Championship.

After posting a 4-2 Big South regular season record, Liberty entered the Big South Championships at Radford, Va. as the number two seed drawing seventh-seed UNC Asheville in the first round.

After a sluggish first 20 minutes in which the Bulldogs took a 1-0 lead, the Lady Flames quickly took control of the game as junior forward Nancy Davis tied the score on an unassisted goal and less then 70 seconds later took a feed from senior Cheryl Jones for another tally. After that, Liberty never looked back on its way to a 3-1 victory. Junior Breanna Jacinto added a goal in the second half.

In the semifinals, the Lady Flames used sophomore midfielder Emily Shubin’s early first half unassisted tally and strong defense to shut out Charleston Southern, 1-0. With the win, Liberty moved to the championship game to meet the top-seeded Elon Phoenix for the second-straight season.

Neither team could manage a goal in the first half as they went to intermission knotted in a scoreless tie and it remained deadlocked for the next 36 minutes of the second half. In the game’s 81st minute, sophomore forward Katie Woodrow slipped behind the Elon defense and was hauled down in the penalty area, resulting in a penalty shot. Davis would put the shot just inside the right post for a 1-0 lead with only nine minutes left.

The Phoenix made an offensive push in an attempt to even the score when a neutral zone turnover set up a corner kick for Liberty. On the kick from the right of the Elon keeper, Jones sent a cross which Davis blasted from five yards out through a sea of players to seal a 2-0 victory and the program’s first-ever Big South Championship.

The Lady Flames had proved they were up to the task. Goalie Amy Moxley earned her second shutout in two straight days and her fourth of the season in the win.

Davis, who tallied four of Liberty’s six tournament goals, was named the MVP. Jacinto, Sarah Gantner and Jenny Davis also were named to the all-tournament team.

The team entered new territory for a Liberty team as it hosted Tennessee Tech in an NCAA Play-In game in hopes of earning the program’s first-ever NCAA Tournament berth. Senior Ma-kaela Gibson, playing on her home field for the final time, scored the game’s lone goal in the 31st minute off a cross from Nancy Davis and the Lady Flames would make it stand up for third straight shutout, 1-0, to secure the program’s first NCAA Tournament berth.

In the first round of the NCAA Tournament, Liberty fell to ACC power Wake Forest on their home field, 6-1, to end the season.

Despite the loss, it failed to diminish the magical season by the Lady Flames as they posted a school-best 15-7 record, the program’s first Big South championship and its first berth to the NCAA Tournament. They proved they could meet expectations.
2001 BIG SOUTH CHAMPIONS

An Encore! Lady Flames Become the First Team to Repeat as Big South Champions

After having the best season in the history of the program by capturing the team's first-ever Big South Conference Championship and securing the program's first NCAA Tournament berth, the Lady Flames entered 2001 with determination to improve upon the prior season. Not only did the team want to repeat as Big South Champions, something no team had done since the beginning of the tournament in 1993, but they also wanted to win the program's first NCAA Tournament game.

With a majority of 2000’s team returning, optimism was high on Liberty Mountain for the program.

Facing the toughest schedule in the program's history, not only would James Price's squad have a tough conference slate to maneuver through, but they would also face some strong teams nationally in Central Florida, Virginia, UNC Wilmington and Wake Forest in non-conference match-ups.

After getting off to a 3-1-1 mark in conference play and winning six of eight October games, the team dropped its last two games of the regular season, including a 1-0 decision at Charleston Southern, to end its conference schedule.

The loss would send the defending conference champions to the tournament at Charleston, S.C. as the number three seed and a first round match with High Point, a team which had beaten the Lady Flames earlier in the year.

Lauren Zealand's breakaway goal down the middle of the box at the 6:25 mark avenged an earlier regular season defeat as Liberty advanced to the semifinals with a 1-0 victory.

Host Charleston Southern, the second seed, awaited the Lady Flames in the semifinals. Once again, defense was the key as Liberty limited Charleston Southern, a squad which had beaten the Lady Flames the previous weekend, to only seven shots in its second 1-0 win of the tournament.

Katie Woodrow provided the match's only goal in the 10th minute of play. In the championship game, the Lady Flames took on top-seeded Elon for the third year in a row.

The two teams were scoreless late into the match until Liberty broke through with two quick scores. Off a corner kick in the tight contest, Jenny Davis found net by heading in Emily Shubin's cross at the 82:51 mark. The duo followed it up less than a minute later at 83:35 as Davis once again headed a Shubin corner kick in for a 2-0 lead.

Freshman goalkeeper Natalie Mayer and the defense held on for their third shutout as the Lady Flames repeated as Big South Champions. With the victory, Liberty became the first Big South team since the tournament began in 1993 to repeat as champion.

Davis earned Tournament MVP honors and was joined by teammates Mayer, Zealand and defender Sarah Gantner on the all-tournament team.

Next up was a NCAA Tournament first-round match with Virginia, which the Lady Flames dropped in a 3-0 decision.

However, it could not dampen the accomplishments of the 2001 Lady Flames. Determined and committed, the team did something no other Big South squad had done before, repeat as Big South Champions and set the bar high for future Lady Flame soccer teams.

ON A ROLL; LADY FLAMES COME TOGETHER TO WIN RECORD THIRD BIG SOUTH CHAMPIONSHIP

It had been four years since the Liberty Lady Flames had hoisted their second Big South Championship trophy. After enduring a rigorous stretch to begin the season, the Lady Flames seemed to be coming together as a team when they entered the 2005 Big South Championship with a 5-3 regular season conference record and the tournament’s No. 3 seed.

On a rampage, they had won the final four matches of the season, three of them against conference rivals. In what head coach James Price later called the team’s best all-around performance of the season, the Lady Flames opened the tournament with a bang in their first-round contest Thursday afternoon, overpowering the No. 6 seed Birmingham-Southern Panthers, 4-1, on the power of two second-half goals from the foot of Rachel Hetrick.

Ashley Braam got the scoring started at the 32:47 mark, off an assist from defender Tanya Payne. The tally gave the Lady Flames a 1-0 lead at half.

Midway through the second half, Brittney Bench chose a perfect time to score her first goal of the year, putting the ball into the back of the net at the 61:24 mark off a pass from midfielder Mandee Judd. At 77:35, Hetrick scored her first goal of the tournament to make the score 3-0, off a pass into the box by Sarah Davis.

The Panthers mustered their only goal of the game with less than 10 minutes remaining in the match to cut the score to 3-1. However, 1:10 later, Hetrick notched her second goal of the match off a pass from Amy Oberlin, giving the Lady Flames a 4-1 victory.

In their only night game of the tournament Friday, Liberty faced No. 7 seed Radford, who had upset No. 2 seed High Point the previous day, in a semifinal match-up.

On a hazy and humid night, the Lady Flames took it to the Highlanders in a physical match much closer than the two teams’ meeting earlier in the season.

In the early stages of the match, neither team could muster much offense, as the two teams combined for just seven shots in a scoreless first half. Early in the second half, the Lady Flames would trail for the first and only time during their tournament run as Radford netted its lone goal in the contest’s 54th minute.

However, the 1-0 deficit was shortlived as less than two minutes later, Oberlin rocketed a header past the Highlander keeper off a cross from Rachel Bendzlowicz, knotting the game at 1-1.

The tie quickly disappeared as Bench put Liberty up for good in the 61st minute on a cross from Payne. The Lady Flames held on for a 2-1 decision.

Appearing in their fourth conference championship game and the first since 2001, Liberty squared off against No. 1 seed UNC Asheville Sunday afternoon.

In their previous meeting in early October in Asheville, the high-scoring Bulldogs had controlled play throughout the game on their way to a 4-1 win.

However, this day was different as the Lady Flames’ defense shut down UNCA en route to a shutout victory.

After playing to a scoreless stalemate in the first half, Payne put Liberty on the board in the match’s 48th minute by placing a penalty kick into the right corner of the net for a 1-0 Lady Flames advantage.

Liberty extended its lead in the game’s 65th minute as a racing Judd split two defenders and broke up the middle, blasting home a rebound of her own shot which the Bulldog keeper saved, but couldn’t control and clear.

Judd added her second goal just minutes later off of a Hetrick corner kick, giving Liberty its seventh straight win, 3-0, and its third Big South Conference championship.

Bendzlowicz was named the tournament’s MVP, while three other Lady Flames - Bench, Oberlin and Hetrick - were named to the all-tournament team.

Liberty advanced to the first round of the NCAA Tournament, where it fell to site host and nationally-ranked Virginia, but that did not take away the renewed hope and enthusiasm surrounding the program after breaking through for another Big South title.
The Big South Conference is celebrating its 25th Anniversary in 2008-09, a milestone coming on the heels of unprecedented achievements and unparalleled success in League history over the past few years.

Since its founding in 1983, the Big South Conference has matured into a competitive leader in college athletics, actively pursuing excellence on the field of play and in the classroom. The league’s growing presence as an NCAA Division I athletic conference is evident by athletic accomplishments on the national stage, innovative marketing and media partnerships, increased television packages, and quality athletic competition while intentionally fostering the academic, personal, social, athletic and leadership development of each student-athlete.

The Big South Conference was formed on August 21, 1983, when Charleston Southern (then Baptist College) Athletic Director Howard Bagwell and Augusta President George Christenberry began recruiting members into the Big South, receiving initial commitments from Augusta, Charleston Southern; Campbell, Coastal Carolina and Winthrop.

One month later, Dr. Edward M. Singleton was selected as the league’s first commissioner and continued to solicit new members. His efforts led to the additions of Armstrong State, Radford and UNC Asheville, giving the Big South more than the required six members to constitute an official conference. The Big South’s first year of competition was in the Fall of 1984, and in September 1986, the Big South Conference was granted full-fledged NCAA Division I status.

During its infancy and prior to securing automatic bids to NCAA Championships, the Big South made early strides in earning at-large berths in several national postseason events, including volleyball, women’s basketball and women’s golf. The league received its first automatic bid in 1990 to the NCAA Baseball Championship.

In 1989, George F. “Buddy” Sasser replaced the retiring Dr. Singleton as commissioner. Under Sasser’s leadership, the conference implemented its public relations and compliance programs, and introduced its first-ever men’s basketball television package, featuring the Big South competing among some of the finest teams in the nation.

In the last 15 years alone, the Big South Conference has experienced monumental growth and success in nearly every sport.

During this time, the conference has had two individual NCAA national champions, close to 200 All-Americans, has reached the “Sweet 16” in men’s soccer, women’s basketball and baseball, has received national Top 25 rankings in men’s soccer, men’s basketball, women’s basketball, baseball, men’s outdoor track & field, and men’s golf, had an individual selected to play in the NCAA Tennis Singles Championship three times, had the No. 1 ranked men’s golfer in the country, had the national team and individual scoring leader in men’s basketball twice, received an at-large playoff berth in the NCAA Football Championship Subdivision in 2006, and had an institution finish fifth in the NCAA Men’s Golf Championships – the conference’s highest-ever team finish in an NCAA event.

In 2006-07 alone, the Big South was the only conference nationwide to have an at-large participant in the football playoffs (Coastal Carolina), a team in the second round of the NCAA Men’s Basketball Tournament (Winthrop) and a No. 1 seed in the NCAA Baseball Regionals (Coastal Carolina). In fact, Coastal Carolina’s baseball program has been a No. 1 seed three out of the last four years, while its playoff berth in 2006 came in just the fifth-year of the Big South’s football existence.

In August 1996, Kyle B. Kallander replaced Sasser as the league’s third Commissioner, and in his 12 years at the helm of the Big South, Kallander has been instrumental in aggressively promoting the conference to new levels.

The conference has enjoyed record levels in marketing revenue during the past several years, he has brought television coverage to Big South women’s basketball, baseball and softball for the first time in conference history, as well as increased national television exposure to the League as a whole through aggressive and unique television packages.

Under Kallander’s leadership, the Big South developed and initiated its first long range strategic plan, re-affirming the league’s vision as a distinctive athletic conference committed to the quality of institutional life through athletic competition. He also spearheaded the efforts to add football as a championship sport, which came to fruition in 2002.

Kallander’s long range vision has also included technological advancements, as the conference introduced its first live event video streaming in 2005 and has since expanded its video offerings to more than 500 events annually through a partnership with the member institutions, as well as the creation of a conference blog and an online merchandise store.

The conference’s on-field accomplishments have been duplicated in the classroom. Annually, more than 40 percent of conference student-athletes are named to the Big South’s Presidential Honor Roll for maintaining a cumulative 3.0 grade-point average, and the league has had more than 90 Academic All-Americans in its quarter-century of existence.

2008 LIBERTY WOMEN’S SOCCER
In centuries gone by, "liberty" was just a concept – an idea feared by tyrants and dreamed of by the opposed. In more recent history, "liberty" became a cause and a deeply held belief worth fighting and dying for. Today, Liberty University has become a place where students call home … where people dare to dream big dreams and then work to see those dreams come to pass … where old-fashioned values and morality still survive and thrive in a world which appears to have forgotten the meaning of the word … where the undeniable Truth of the Ages still reigns supreme … where the whole person is educated - body, mind and soul … a place where you can learn, grow and achieve wholeness as you become all God created you to be.

The Mission
To produce Christ-centered men and women with the values, knowledge and skills required to impact tomorrow’s world … the mission is carried out for resident students, through both undergraduate and graduate programs, through a rigorous academic program and structured social environment … also, it is carried out externally for students who can’t make the trek to the campus in a comparable academic program but without the structure of the resident community, through a distance learning program.

A Brief History
For more than 36 years, Liberty University has produced graduates with the values, knowledge and skills required to impact the world. Founded by Dr. Jerry Falwell and Dr. Elmer Towns in 1971, Liberty University is a private, coeducational, undergraduate and graduate institution. The University offers over 60 programs of study that contribute to the University’s standing as the world’s largest distinctively Christian, academically excellent and spiritually vibrant institution. The 5,000-acre campus serves over 25,000 resident and external students with a diverse student body made up of individuals from all 50 states, Washington, D.C. and 81 nations.
Liberty is truly a representation of what God can do with a dream and a heart that desires to honor Him.

Location
Situated in Lynchburg, Va., Liberty University is nestled in the foothills of the beautiful Blue Ridge Mountains and located on the south bank of the historic James River, in a region rich in history, culture and outdoor recreational opportunities.
Faculty
Liberty University’s over 350 full-time and more than 300 part-time faculty are committed to engaging with students in the challenge of exploring vital links between faith and learning. There are over 450 institutions of higher learning represented among this impressive group. Liberty’s commitment to personalized education also ensures that the student-to-professor ratio is nicely balanced at 25:1.

Degree Programs
In higher education, the principal means of ensuring quality is accreditation by a recognized accrediting body or agency. Liberty University is regionally accredited by the Southern Association of Colleges and Schools (SACS), and nationally accredited by the Transnational Association of Christian Colleges and Schools (TRACS). Additionally, a number of specific programs are approved by accrediting and licensing bodies for specific disciplines (i.e. our nursing, sport management and education programs). SACS and TRACS, in turn, are both recognized accrediting bodies by the United States Department of Education.

Spiritual Life
The Spiritual Life Department prepares students to make a global impact for the glory of God - wherever He leads them.

Life-changing campus church and convocation services connect students with their Creator through passionate worship and powerful Biblical messages custom designed for this collegiate generation. These services give Liberty students first-hand encounters with the most influential Christians on the planet.

Each semester the Campus Pastor’s Office personally trains over 1,000 student leaders who are the catalysts for the positive peer pressure and Biblical community which is the glue of Liberty University. Each year, these student leaders minister personally to their peers and commit to love, pray for, pray with and personally disciple every student on campus. Every student’s relationship with Christ is a priority.

Light Ministries facilitates Liberty’s global vision by providing dozens of opportunities each year for the Liberty community to participate in cross-cultural missions experiences. Already over 7,000 students have boarded planes to take the Gospel of Jesus Christ to over three million people.

The Spiritual Life Department is radically committed to aligning the Liberty community with the Great Commission and Great Commandment of Jesus Christ. As the spiritual fires are sparked in hearts - Spiritual Life fans the flame.
In Loving Memory of Dr. Jerry Falwell

Our Founder, Our Visionary, Our Pastor
... and Our No. 1 Fan
Jerry Falwell, Jr. served as Vice Chancellor and President of Liberty University, his M.S. from Old Dominion University and his Ph.D. in Post-Secondary Planning and Management from Florida State University.

Falwell and his wife, Carol Stanley Godwin, are members of Thomas Road Baptist Church and both serve on the board of the Liberty Godparent Home. They currently reside in Forest with Dr. Godwin’s 99-year old father, Mr. Jacob M. Godwin.

In 1971, Liberty University was founded. Today, over 41,000 students from 50 states and 80 nations attend this accredited, liberal arts Christian university. Falwell’s dream has become a reality. A pre-school child can now enter the school system at age three, over 41,000 students from 50 states and 80 nations attend this accredited, liberal arts Christian university.

Falwell’s dream has become a reality. A pre-school child can now enter the school system at age three, over 41,000 students from 50 states and 80 nations attend this accredited, liberal arts Christian university.

Dr. Ronald Godwin serves as Vice Chancellor for Liberty University. However, for a total of more than 15 years, Dr. Godwin has worked directly for the Chancellor of Liberty University via many of Liberty’s affiliated ministries.

During a long administrative career he has held a variety of leadership positions including two presidencies of private Christian colleges, Executive Vice President of the Washington Times, Executive Vice President of the Moral Majority, President of Jerry Falwell Ministries, President of Liberty Broadcast Network, President of Liberty University Foundation and more recently, Dean of the Helms School of Government and Senior Administrator of Residential Recruiting.

Dr. Godwin received his B.A. from Bob Jones University, his M.S. from Old Dominion University and his Ph.D. in Post-Secondary Planning and Management from Florida State University.

The Moral Majority chose California Governor Ronald Reagan as “their candidate” for President in 1980, registered millions of new voters, and set about to inform and activate a sleeping giant - 80 million Americans committed to faith, family and Judeo-Christian values.

With the impetus of the newly organized Moral Majority, millions of people of faith voted for the first time in 1980 and helped elect Ronald Reagan and many conservative congressmen and senators. Since 1979, about 30% of the American electorate has been identified by media polls as the “Religious Right”. Most recent media surveys have acknowledged these “faith and values” voters re-elected George W. Bush in November 2004.
ATHLETICS ADMINISTRATION

JEFF BARBER
Director of Athletics

Jeff Barber was named the Director of Athletics at Liberty University on Jan. 23, 2006, becoming the 10th Director of Athletics in the history of the University.

The University has charged Barber with the future leadership of the athletics department and the building of a strong financial basis for the department which will guide Liberty University athletics into the ranks of the elite NCAA Division I athletic programs in the nation.

Barber has wasted little time making an impact at Liberty, as in less than three years, he has been instrumental in guiding Liberty on a path to the next level of collegiate athletics.

He has spearheaded facility improvement projects in nearly every athletics venue, highlighted by changes to Williams Stadium. During the summer of 2006, the football program’s oncampus playing facility received the latest in playing surfaces as FieldTurf was installed, while numerous other smaller projects were initiated to aesthetically improve the appearance of the facility.

However, Barber’s chief facility accomplishment since joining the Flames in 2006 was overseeing the completion of the Williams Football Operations Center. The new 48,000-square foot state-of-the-art home base for the football program is one of the most outstanding FCS (formerly I-AA) football-only facilities in the nation.

In addition to Barber’s athletic facility achievements, the new Director of Athletics has spurred a dramatic recording-setting increase in Flames Club memberships and season ticket sales for football and basketball.

In 2007-08 the athletics booster club set new records, pulling in $351,000 in annual membership contributions. The same year saw Liberty Athletics surpass the $1 million mark in giving, as the Flames Club brought in $1.3 million in total capital gifts.

Barber has also guided the Flames to success on the athletic field of competition, highlighted by the 2007-08 season when Liberty captured its sixth Big South Sasser Cup championship and first since the 2002-03 season. Liberty won 10 team championships during the 2007-08 campaign, including eight Big South titles, an NCAA East Regional championship in wrestling and an IC4A outdoor title in men’s track and field.

Besides the Sasser Cup championship, Barber also saw Liberty bring home the Big South’s Men’s All-Sport and Women’s All-Sport trophies, along with its second individual national championship when Josh McDougal crossed the finish line first at the 2007 NCAA Cross Country national championship.

Liberty is only the second athletics department in Big South history to win the Sasser Cup, Men’s All-Sport and Women’s All-Sport trophies in the same year.

The Flames’ success has garnered national attention on several levels, earning Barber a three-year appointment to the NCAA’s Recruiting Cabinet, beginning with the 2008-09 academic year.

Barber brought a wealth of experience in the areas of athletic fundraising and administration to Liberty University, including 25 years in the athletics industry. Barber came to Liberty after spending 11 years at South Carolina, including his last three years as Senior Associate Athletic Director for Development/Gamecock Club Executive Director.

Barber served on the senior management team at South Carolina for nine years, helping raise more than $14 million annually, while working closely with legendary football coaches Lou Holtz and Steve Spurrier.

Barber supervised the solicitation and receipt of over $85 million during his tenure at South Carolina, setting records each year in annual gifts to the Gamecock Club, which was at 16,500 members when he finished. He was also responsible for all major gifts to the Gamecock Club which exceeded $15,000 annually and developed that level of giving from 21 members to 137 at his time of departure.

Barber joined the athletics department at South Carolina in 1996 as an Assistant Athletic Director for Development and was promoted to Associate Athletic Director/Gamecock Club Executive Director in 1999.

Prior to his days at South Carolina, Barber served five years at Furman in Greenville, S.C., starting as Executive Director of the Paladin Club in 1991, before being promoted to Senior Associate Athletic Director for External Affairs in 1994.

While at Furman, Barber was responsible for the collection of $14 million in revenue from annual giving, capital gifts and endowed gifts, while guiding the Paladin Club to gifts totaling $3.75 million and set records for five-consecutive years. He was also the chairman of the Furman Pro-Am Golf Endowment Tournament, which totaled receipts of $6.5 million.

Barber got his start in collegiate administration at his alma mater as the Assistant Director of East Carolina’s Pirate Club in 1987. While serving four years with the Pirates, Barber participated in the receipt of annual giving of $4 million to the Pirate Club, while organizing and managing Pirate Club actions and Pirate Pro-Am fundraisers.

Before joining the staff at East Carolina, Barber served three years in major and minor league baseball as he was the Assistant General Manager of the Columbia Mets in Columbia, S.C. (1985-86) and Director of Operations for the Montreal Expos Spring Training Camp in West Palm Beach, Fla. (1986-87).

After graduating from East Carolina, Barber served as a health and physical education teacher in Columbia, S.C. for four years (1981-85), while coaching football and basketball.

Barber graduated cum laude at East Carolina in 1981 with a bachelor of science degree in health, physical education and recreation. In 1997, he continued his education with a degree from the Sports Management Institute, graduating as class spokesman.

Barber is a member of NACDA and NAAD and serves on the Board of Directors for the Child Evangelism Fellowship for Central Virginia.

Barber, a native of Greenville, N.C., is married to the former Donna Dacus and the couple has three children – Katie (13), Lindsay (11) and Jay (10).

BIG SOUTH PRESIDENTIAL HONOR ROLL - WOMEN’S SOCCER MEMBERS
CHAMPS/Life Skills

The mission of the NCAA is to maintain intercollegiate athletics as an integral part of the campus educational program and the student-athlete as an integral part of the student body. With this in mind, the CHAMPS/Life Skills Program was created to support the student development initiatives of its member institutions and to enhance the quality of the student-athlete experience within the university setting. During the 2006-07 academic year, Liberty University’s Academic Affairs for Athletics Department launched the Flames ALL Teams Competition. In this challenge, athletic teams competed against one another and earned points based on participation as well as accomplishment in Academic Excellence, Athletic Performance, Personal & Team Enhancement and SAAC Communication.

Additionally, CHAMPS/Life Skills designs workshops and seminars each year for student-athletes, which focus on academics, personal awareness, career planning, diversity training and financial responsibility.

STUDENT–ATHLETE ADVISORY COMMITTEE (SAAC)

The Student-Athlete Advisory Committee (SAAC) is a body of student-athletes (two representatives from each athletic team), cheerleaders and student trainers who have been selected by the Liberty University Athletics Administration, coaches and athletes. SAAC provides its members an environment to express opinions, concerns and new ideas that would enhance the student-athletes’ experience at Liberty. The committee also offers the student-athletes an opportunity to have a more personal relationship with members of the athletics department administration and the community by assisting local charities and community programs. The committee spearheads Liberty’s effort as part of the Big South Conference’s community service initiative as they race for the Kallander Cup, an annual award bestowed upon the conference institution that best exemplifies service within the community. Awarded each summer, Liberty won the inaugural cup in 2007.

RACHEL WISEHART of the Liberty women’s soccer team was selected for the 2008-09 academic year as the President of Liberty’s SAAC organization. She will represent Liberty as its spokesperson for business regarding the Big South Conference and the league’s SAAC organization.
Athletics Compliance

Liberty University’s Athletics Compliance Office monitors and verifies compliance with all NCAA, Big South Conference and University requirements. The office educates not only the athletics staff, administration and student-athletes, but also University faculty, staff and administration as well as other individuals and entities with athletics interests.

Liberty University is committed and compelled to the principle of institutional control in the operation of its athletics department in a way that is constant within the rules and regulations of the NCAA, Big South Conference and the University. As the University strives for excellence on and off the field of competition, the highest regard for ethical conduct must also be sought. In order for the athletics department to exist, outside participation is required and must be emphasized. Any inappropriate activity outside the rules and regulations of the NCAA could jeopardize student-athletes’ eligibility to compete athletically.

Everyone involved inside or outside the University must do his or her part in order to foster an environment that is supportive of the NCAA operating principle of competitive equity. Each person has a role and responsibility, which includes accountability and integrity when it comes to compliance with NCAA rules and regulations. The communication process is a must when it comes to understanding how each person fits within the structure of the NCAA’s rules and regulations.

If you have any questions regarding NCAA rules and regulations, especially those dealing with prospects and student-athletes, please contact the athletics compliance office. Liberty’s athletic programs need your help and support, so please cooperate to ensure the success of Flames Athletics, on and off the field.

MIKE HAGEN
Assistant Athletics Director for Compliance

PATRICK GAILLARD
Compliance Coordinator

“Five Rules of Athletics Compliance”

Only coaches and athletics department staff members are permitted to be involved in the recruiting process. Alumni, friends and “other representatives of athletics interest,” i.e. “boosters” who are not employed by the University are not permitted to contact a prospect (or members of the prospect’s family) by letter, telephone or in-person (on or off-campus) for the purpose of soliciting their participation in the athletic program. Liberty faculty members are permitted to have contact with the prospects, but only while on the campus during unofficial visits or off-campus, in the locale of the institution, when a prospect is on an official visit.

A prospect remains a prospect even after he or she signs a Letter of Intent or financial aid agreement to attend the University. The prospect does not lose his/her prospect status until the start of classes at Liberty or the beginning of official team practice prior to the start of classes.

The prohibition of contact with a prospect is intended to relate to unavoidable incidental contacts with a prospect by representatives of a member institution’s athletics interest. It is understood that such a contact is not prearranged by the athletics representative or an athletics department staff member; is not made for the purpose of recruitment of the prospect; and involves only normal civility. For example, if you meet a high school student or junior college student-athlete, you can talk with them about anything except Liberty athletics. If you are attending a public function and find yourself talking to the parents of a prospect, you can talk about anything that doesn’t relate to the athletics department.

If a student-athlete accepts any benefits or special consideration based on his or her status as an athlete or because of athletic skill, the student-athlete will lose all eligibility for intercollegiate athletic participation. Do not do anything for prospective or enrolled student-athletes without specific authorization from the Liberty Athletics Compliance Office.

Representatives of athletics interests are reminded that NCAA rules regarding enrolled student-athletes remain in effect throughout the entire year, including summer breaks. When student-athletes complete their final season of eligibility, they must abide by NCAA rules until the end of that academic year and/or until they are no longer receiving athletics financial aid.

Interaction with boosters and Liberty student-athletes

It’s easy to form a relationship with Liberty student-athletes as you cheer them on and watch them compete. Building these types of relationships is not only fun for fans but also important in the lives of student-athletes. In an effort to make sure that the eligibility of every student-athlete is not harmed, please look over these few guidelines for what can and can not be provided to a student-athlete, and remember that if you have any questions, please contact the Liberty Athletics Compliance Office.

What a booster can do:
Provide summer employment to a student-athlete, provided he/she is paid the going rate and only for work actually performed.
Provide a meal to a student-athlete or the team at their home (not a restaurant). They can also provide a ride to their home for the meal.

What a booster cannot provide a student-athlete (just to name a few):
Give a gift of clothing or equipment.
Provide free or reduced housing costs.
Give cash or co-sign on loans.
Arrange for employment of a relative.
Provide rentals or purchases of any type.
Provide use of a car.
Pay the costs for a student-athlete’s friends or family to visit campus.
Free medical or professional services.
Provide free use of a phone for long-distance calls.
Provide funds for entertainment of an athlete, their friends or relatives.

This page was prepared by the Liberty Athletics Compliance Office to assist alumni, student-athletes, boosters and friends in complying with NCAA rules and regulations governing the conduct of the Liberty University Athletics Program.

Sports Medicine

The student-athlete at Liberty University has the luxury of having one of the most dedicated sports medicine teams in the country. The staff is headed by Chris Casola, Assistant Athletics Director for Sports Medicine who oversees medical care for the Flames football team. Scott Lawrenson is the Associate Athletic Trainer and Insurance Coordinator. Barry Finke and Aaron Schreiner are Senior Assistant Athletic Trainers, while Assistant Athletic Trainers Megan Bishop, Madeline Bosek, Jesse Cops and Laura Hoskins round out the staff as Certified Athletic Trainers (ATC). Megan Bishop serves as the athletic trainer for women’s soccer.

In conjunction with services available through Team Physicians Dr. Gregg Albers and Dr. Richard Lane at Light Medical, the Liberty University Athletic Training staff utilizes two hospitals, Lynchburg General Hospital and Virginia Baptist, for any emergency or general medical needs. Liberty is also fortunate to have team orthopaedic services from Central Virginia Orthopaedics along with assistance and consultation from Rehab Associates of Central Virginia.

Housed in the beautiful 3,200-square foot Football Training Room located in the Football Operations Center, the main athletic training room is a modern facility complete with the latest equipment. Satellite athletic training rooms are located in the Field House at Williams Stadium, located at the south end of the football complex, the Hancock Athletic Center, the Vines Center and the Crowder-Muckel Fieldhouse neighboring Worthington Stadium.
Athletics

Since joining the Big South Conference in 1991, Liberty has won 82 conference championships, averaging nearly five league titles per season.

Besides claiming its sixth Big South Sasscer Cup title, Liberty also took home the Men’s All-Sport and Women’s All-Sport trophies to become the second athletics department in league history to claim the “triple crown” sweep.

During the 2007-08 season, Liberty posted more team championships than any other athletics program inside the Commonwealth of Virginia. The Flames won eight Big South titles, an NCAA East Regional in wrestling and the men’s outdoor track and field first-team All-American award.

For the third time in athletics department history, Liberty had three CoSIDA Academic All-America honorees last year. Liberty now has placed 14 student-athletes in athletics department history on the most prestigious collegiate academic team in the nation.

Among the athletes named Big South Scholar-Athlete for their respective sports during the 2007-08 season were Clinton Henderson for men’s indoor and outdoor track & field and Alyson Fasnoch for women’s basketball.

Fasnoch capped off a stellar Liberty athletics career last year by being named the recipient of the Mac Rivera/Rock Royer Award, an award given annually to honor Liberty’s top graduating senior student-athlete.

Liberty had 190 student-athletes named to the Big South Presidential Honor Roll at the conclusion of the 2007-08 season. Over 47 percent of its student-athletes recorded a 3.0 GPA or higher in the classroom during the academic year.

Football

The football program captured its first-ever Big South championship in football, posting a perfect 4-0 record in league play and an overall 8-3 mark. The team title capped off a dramatic, two-year turnaround, as the program was 1-10 in 2005 and winless in conference action.

For the second year in a row, head coach Danny Rocco was named Big South Coach of the Year, becoming the second head coach in league history to garner the honor in consecutive seasons.

Liberty set a new Big South standard with 22 all-conference honorees, while placing a program-best eight players on the VaSID all-state squad and eight more grabbing All-America distinctions.

The Flames continued to shatter program and Big South attendance records, averaging over 14,000 fans per home game at Liberty’s Williams Stadium. The 10,000-seat venue ranked No. 6 nationally in reaching stadium capacity.

Volleyball

The volleyball squad captured its first Big South title since 2001, advancing to the NCAA Tournament for the fourth time in program history.

Liberty snapped Winthrop’s 63-match conference winning streak with a 3-0 sweep of the Eagles, Oct. 27 at the Vines Center.

Men’s Soccer

For the first time in program history, the men’s soccer team won the league title at the 2007 Big South Men’s Soccer Championship, earning the Flames their first-ever trip to the NCAA Tournament.

Women’s Soccer

For the first time in the last nine seasons, the Lady Flames played in the Big South Women’s Soccer Championship title game in 2008.
Cross Country
Senior Josh McDougal edged Oregon's Galen Rupp to win the NCAA Division I National Cross Country Championship. The dramatic victory, Liberty's second-ever NCAA Division I national title, capped off an undefeated season by McDougal.

For the second-consecutive year, the Liberty men's and women's cross country teams swept the Big South team titles.

Men's Basketball
Liberty had its second former student-athlete inducted into the Big South Hall of Fame. Men's basketball standout Peter Alumaa was enshrined along side the league's best student-athletes in 2008.

Women's Basketball
The women's basketball team captured its 11th Big South title in 12 years on a last-second, game-winning shot by Megan Frazier, helping the Lady Flames match a school record with 28 victories.

Megan Frazier won both the Big South Player of the Year and Richmond Times-Dispatch State Player of the Year awards.

Wrestling
For the second-straight year, the wrestling program captured the NCAA East Regional title, winning the team championship at the Vines Center in the first-ever NCAA Championship event hosted by Liberty.

Liberty sent a program-best six wrestlers to the NCAA National Championships, seeing Tim Harner (141 pounds) and Chad Porter (165 pounds) advance to the "SWEET 16" rounds.

Track and Field
The men's track & field team completed a Big South "Triple Crown" for the second year in succession, winning the conference cross country, indoor track and outdoor track championships. The Flames also defended their NCAA outdoor crown from 2007.

Josh McDougal won a pair of All-America honors during the indoor track & field season, enabling him to end his Liberty career as a 14-time All-American.

Senior Clendon Henderson placed third in the discus at the NCAA Division I Outdoor Track & Field Championships, becoming the Flames' first thrower to earn All-America distinction.

Men's Golf
The men's golf team holds the distinction of being the only athletics program in Liberty's history to garner an at-large berth to a NCAA Championship, doing so twice over the past six years (2003 and 2006).

Nathan Schmick-Davis played alongside the nation's best amateur golfers in July, when the junior qualified for the U.S. Amateur Public Links Championship held at the Murphy Creek Golf Course in Aurora, Colo.

Tennis
Jordan Jenkins was named the 2008 Big South Women's Tennis Player of the Year and Chris Johnson was named Coach of the Year, as the Lady Flames posted a 13-4 record, the best in program history.

Baseball
For the first time in the 35-year history of the program, Liberty won 30 or more games in four-consecutive seasons, winning 35 contests in 2008 under first-year head coach Jim Toman.

With pitchers Ryan Page and David Stakes being drafted in this year's Major League Baseball Draft, Liberty has now had 38 players taken in the MLB draft and a player taken in each draft since 1999.

Softball
The softball program advanced to its fourth Big South Softball Championship title game, moving the squad into third place on the league's list of all-time title game participants.

Head coach Paul Watmore picked up his 400th career victory during the 2008 season, becoming the 89th coach in NCAA softball history to reach the lofty career victories milestone at the time of the victory.
**MEDIA INFORMATION**

Please assist us in providing you with the most accurate information possible by observing the media guidelines listed below when dealing with any Liberty University athletics program.

**MEDIA CREDENTIALS**

Working press credentials for Liberty home matches can be obtained by contacting the Office of Athletics Communications. Please give ample notice if you intend to cover the Flames. Only requests from accredited print and electronic media outlets will be honored. Media and parking credentials are distributed on a season or match basis. Requests should be made at least two days prior to an event.

**MEDIA PARKING**

The Liberty Soccer Field parking is located diagonally across from the field in Blue lot (Lot PM04). Please call the Office of Athletics Communications with any parking questions or concerns you may have.

**MATCH PRESS SERVICES**

The staff of the Office of Athletics Communications will be at your service throughout the contest. All members of the media will be provided with lineup cards, any game notes, press guides, statistics, play-by-play sheets and any other pertinent information before and after each match. Full statistics will be available at the end of the match. Telephones and a fax machine will also be available for the media’s use.

**INTERVIEW POLICY**

All interview requests must be coordinated by a member of the Office of Athletics Communications staff. Player interviews will not conflict with classes, meetings or practice times. Players are available after practice. Interviews are not permitted in the locker room or training room.

**REACHING COACH CELI**

To speak with Liberty Head Coach Jessica Celi, please contact the Athletics Communications Office to make arrangements. The best time to reach Coach Celi on non-game days is in the morning. Interviews are generally not granted on game days.

**DAILY PRACTICE SESSIONS**

Practices are conducted at either the Liberty Soccer Field or at the soccer practice field directly behind the Hancock Athletics Building. Practices are generally open to the media, unless otherwise announced. Please contact a member of the Athletics Communications if you plan to attend a workout.

**POST-GAME POLICY**

Contact a member of the Athletics Communications staff for specific information regarding the post-match policy. Liberty Head Coach Jessica Celi and requested players are available for comment after a brief 10-minute cooling period after the match’s conclusion.

**FLAMES CLUB LUNCHEONS**

At various times during the season, the Flames Club hosts a luncheon in the Donor Room of the Williams Football Operations Center. Lunch begins at 11:55 a.m., followed by comments from various coaches. Following the luncheon, Coach Celi is usually available for interviews.

**LIBERTYFLAMES.COM**

LibertyFlames Online, located at Liberty-Flames.com on the World Wide Web, is an interactive online site offering information for all Flames women’s soccer fans. From updated statistics, player and coach profiles, to match notes and press releases, LibertyFlames.com is the first place to check for the latest news. Online also provides comprehensive coverage of Liberty’s 18 intercollegiate athletic programs, as well as a compete look at the Liberty University Athletics Department.
