

# Course-to-Course Navigation

The Course-to-Course Navigation feature in Blackboard allows users to navigate directly between the same area (such as the Grade Center) from course to course.

1. To access Course-to-Course Navigation, click the dropdown chevron to the right of the Home icon above the Course Menu. Select the desired course from the list of available courses in which you are enrolled.
2. Click the home icon to navigate to the main course page.
