Item Analysis

1. To run a report, navigate to the assessment in the Grade Center.

2. Click on the chevron next to the quiz or exam to analyze.

3. Select the option for Item Analysis.

4. Ensure that the correct assessment is chosen, then click the Run button.

5. To view the report, select the link for the analysis.

6. For detailed information about how to interpret the report, view Running Item Analysis on a Test.

7. After reviewing the analysis, if changes need to be made, use the Edit Test option to be taken directly to the test canvas.
