Restoring a Course

1. Click myLU Sign-in.

2. Click the Blackboard button on the left panel.

3. Under the For Faculty header, click Restore Course.

4. Click the Home button until no error message is displayed.

5. Select the term and enter the Course ID and Subterm letter. Click Search.

6. Locate the appropriate section and click Request Restore.

Note: The course content will appear within an hour and remain available for two weeks. Access will be limited to course instructors.
