1. Instructions

Timed Test	This Test has the time limit of 1 hour and 15 minutes.
Timer Setting	You are notified when time expires, and you may continue or submit.
Force Completion	This Test must be completed in the allotted time. The timer DOES NOT STOP until you click the Save and Submit button.

Click **Begin** to start: Test 1. Click **Cancel** to go back.

2. Submit

Click **Begin** to start. Click **Cancel** to quit.

Cancel Begin

4. Once inside the test or quiz, the instructions are available again and a timer starts. The timer will remain across the top of the screen.

The screenshot shows a test interface. At the top, there is a 'Description' box stating: 'Test 1 covers Modules/Weeks 1-3. The test is open-book with 50 T/F and multiple-choice questions. You will be given 75 minutes to complete your test with a 2-point penalty for each minute over that time. The timer will continue if and when you leave this test.' Below this is a 'Submit your test by 11:59 p.m. (ET) on Monday.' instruction. A '4' in a blue circle points to the 'Instructions' section, which lists: 'Covers Modules 1-3', 'Open-book/open-notes', '50 T/F and multiple-choice questions', and '75-minute time limit'. Below the instructions is a 'Question Completion Status' table with 68 numbered cells. To the right, a timer shows 'Remaining Time: 1 hour, 14 minutes, 52 seconds.' and a '30 seconds remain.' notification.

Description Test 1 covers Modules/Weeks 1-3. The test is open-book with 50 T/F and multiple-choice questions. You will be given 75 minutes to complete your test with a 2-point penalty for each minute over that time. The timer will continue if and when you leave this test.

Submit your test by 11:59 p.m. (ET) on Monday.

Instructions

- Covers Modules 1-3
- Open-book/open-notes
- 50 T/F and multiple-choice questions
- 75-minute time limit

Remaining Time: 1 hour, 14 minutes, 52 seconds.

Question Completion Status:

1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16	17
18	19	20	21	22	23	24	25	26	27	28	29	30	31	32	33	34
35	36	37	38	39	40	41	42	43	44	45	46	47	48	49	50	51
52	53	54	55	56	57	58	59	60	61	62	63	64	65	66	67	68

30 seconds remain.

5. As you answer each question, manually click the Save Answer button. If not, the answer will automatically be saved after 10 seconds.

The screenshot shows a question interface. The question is 'Question 2' and asks: 'Data integrity refers to which of the following advantages of databases?'. The question is worth '2 points'. A 'Save Answer' button is visible. A '5' in a blue circle points to the 'Save Answer' button. Below the question, there are four radio button options: 'The ability to organize large amounts of data', 'The assurance that data will be accurate and complete', 'The assurance that the data are secure because access to a database is controlled through several built-in data security features', and 'The assurance that data can be transmitted quickly and efficiently over long distances'. A '2 points' and 'Saved' indicator is also visible.

Question 2

2 points Save Answer

Data integrity refers to which of the following advantages of databases?

Question 2

2 points Saved

Data integrity refers to which of the following advantages of databases?

- The ability to organize large amounts of data
- The assurance that data will be accurate and complete
- The assurance that the data are secure because access to a database is controlled through several built-in data security features
- The assurance that data can be transmitted quickly and efficiently over long distances

6. When finished, click Save and Submit.

The screenshot shows the 'Save and Submit' interface. It contains the text: 'Click Save and Submit to save and submit. Click Save All Answers to save all answers.' Below this text are two buttons: 'Save All Answers' and 'Save and Submit'. A '6' in a blue circle points to the 'Save and Submit' button.

Save and Submit

Click Save and Submit to save and submit. Click Save All Answers to save all answers.
