LIBERTY  
UNIVERSITY

## Guidelines for CTE Book Reviews

You are invited to submit book reviews to the Liberty University Center for Teaching Excellence for publication in the *CTE, ETC.* newsletter or on the CTE website.

**Audience:** Liberty University professors across all discipline areas and teaching assignments

**Focus:** Teaching and learning topics across discipline areas (teaching methodology, teaching innovation, scholarship of teaching and learning, faith integration, online teaching, student characteristics, trends in higher education, etc.)

**Length:** 650 word count

**Include:**

- Title
- Author
- Press
- Publication date
- Page Count
- Price

**Content:**

- Biographical or professional information on the author
- A summation of the book and its main topics
- A critical look at the book (strengths, weaknesses, writing)
- A look at how the book compares, clarifies, enhances, or advances the topic
- A reaction or endorsement as to the value of the work
