

**LCA**  
*FLEX*

The LCA *Flex* Program was created in an effort to provide a blended learning model for our students. This program welcomes children who suffer from school anxiety, behavioral issues, or academic issues to include grade recovery. Ultimately, this model is intended to specifically meet the needs of the individual student. I have seen what can happen when we, as a brick and mortar school, are intentional on working with students to accommodate their different learning needs. Thus, LCA *Flex* will allow students to explore the latest opportunities in learning being offered both online and in the classroom to help each student realize their God-given potential. The experience is nothing less than life changing. Welcome to LCA *Flex*.

Superintendent, Liberty Christian Academy

# Cost for LCA *FLEX*

LCA Tuition in addition to the cost per credit for LUOA:

- \$440 for one credit
- \$220 for half credit
- \$549 dual enrollment along with a \$250 administration fee.

*“Flex* does all the legwork to set the student up for success; registering for classes, setting up the computer, and most importantly, providing academic support for online instruction.”

[A Blended Learning Model]

# LCA

Grades 6-12!

**FLEX**

1.

**Students**

who require credit recovery.

2.

**Students**

who prefer online learning but need additional academic support that online learning does not provide.

3.

**Students**

who suffer from school anxiety, minor behavioral issues, or academic issues to include grade recovery and need a more flexible educational opportunity.

4.

**Students**

who desire to take zero period LUOA classes to include dual enrollment! This class will count as an LCA credit (no academic support available).

## Offers an Alternative to Mainstream Schooling...

### THE LCA **FLEX** MISSION

Liberty Christian Academy *Flex* program exists to support parents and guardians in their Biblical responsibility to nurture and train their children. Thus, LCA *Flex* provides opportunities which allow students to learn in a blended learning model as an alternative to mainstream schooling to realize their God-given potential.

#### **FLEX**ibility and Freedom

The *Flex* program offers an alternative to mainstream schooling. The *Flex* program offers a blended learning model where students may take some classes online and some classes in a traditional school setting (Liberty Christian Academy) based on their individual need. Thus, the LCA *Flex* program individualizes education by offering a mixture of online and traditional classes.

#### **LCA Credit**

The *Flex* program utilizes the Liberty University Online Academy curriculum (LUOA), but the LCA *Flex* program is an LCA school. Thus, LCA *Flex* students receive LCA credit.

#### **Higher Standards**

LCA *Flex* offers students opportunities unique to each student's learning situation. Students are accepted to the LCA *Flex* program on a very specific case by case scenario and based on space available.

### Meet Morgan, this is her **SUCCESS** story!

Morgan chose LCA *Flex* because she needed an alternative option for her educational experience. She desired to thrive in school and was able to make the choice of joining the LCA *Flex* in order to meet her needs.

The *Flex* program provides Morgan with a unique schedule. She attends classes in the LCA *Flex* program for the first two periods of her schedule and then transitions to LCA to complete her regular day schedule.

Morgan is in her second year in the LCA *Flex* program and continues to excel in her schoolwork. She says that the versatility of the LCA *Flex* Program has supported her efforts to develop as a successful student and as a growing Christian.
