**COURSE SYLLABUS**

**ENGL 102**
**COMPOSITION AND LITERATURE**

**COURSE DESCRIPTION**
Composition and Literature continues the emphasis on writing. Two analytical papers—based upon studies of the short story, poetry, and drama—and a research paper, sequentially developed, are required.

**RATIONALE**
English 102 continues the development of college-level writing skills and practice, providing the student with opportunities to: evaluate literature from a biblical worldview; examine structure, aesthetics, and issues; and organize thinking in written form. In addition, the research paper requirement strengthens the student’s skills in investigating, analyzing, synthesizing, and evaluating the ideas of others while also sharpening the student’s expression of his/her own conclusions. The introduction to literature enriches the student’s general understanding of human experience, which will assist him/her in subsequent courses and in life.
