BIBB110
SURVEY OF THE BIBLE

I. COURSE DESCRIPTION

In a world where a basic knowledge and understanding of the Bible can be difficult to attain, this course acts as a tool to help individuals gain a “big picture” perspective of God’s Word. In particular, this course will give students a glimpse as to how God has worked throughout history to initiate and carry out His plan of redemption for the human race, through His Son, Jesus Christ. Introductions to the Old and New Testament will be presented and a survey of each of the sixty-six books will be conducted.

II. RATIONALE

The educational philosophy of LUOA is based on a Christian worldview. This worldview can be best fostered by having students explore and grasp Biblical principles that have existed since God created the heavens and the earth. This survey course will give students a basic foundation on the writing, history, and standards as expressed in the Bible. This will better equip students to live in this world and able to defend their faith.
