COURSE SYLLABUS
THEO 313
THE PERSON AND WORK OF CHRIST

COURSE DESCRIPTION
A study of the Person and work of Christ as revealed through Messianic prophecy, the Incarnation and His ministry as Prophet, Priest, and King. Special attention is given to the contributions of John and Paul to a full understanding of this doctrine.

RATIONALE
As believers in Christ and as servants of God to the body of Christ, we are ever working to come to an increasingly complete view of the Christian faith in its wholeness and particularly of that which is its basis, its foundation, the fact that God has come in space and time in Jesus Christ and revealed Himself to us in order to reconcile us to Him. From this reality all else springs, the saving moment of God Himself to us that we may know Him that is life eternal. It is for this and related reasons that the person and work of Christ must have our active attention, acknowledgement, understanding and response.
