Tutorial Prerequisite for GEED 205
Objective

The objective of this tutorial is to determine if you are a candidate for GEED 205.
Before you proceed

There are some portfolios/courses that will not be admitted, such as COMS courses, GOVT 200, internship courses, capstone courses, as well as other courses not approved by academic departments. *Please note that admission of a portfolio does not guarantee that credit will be awarded.*

As long as you do not plan on doing a portfolio on any of the above you may continue with the tutorial.
