COUNSELING PRACTICUM AND INTERNSHIP PROCESS AND REQUIREMENTS
1. Students complete and meet all required prerequisites for their specific degree program (Marriage and Family Therapy or Online Clinical Mental Health Counseling) and are ready to apply for Practicum then Internship.
   • Disclaimer: COUC 698 Practicum is a required prerequisite for COUC 699 Internship. They cannot be taken together. Students must complete Practicum before Internship.

2. Students must find a site and supervisor that meet qualifications.

3. Once students find a site and supervisor, they will complete all required application documents.
   • Note: Practicum and Internship have different paperwork.
   • Note: Marriage and Family therapy students and online Clinical Mental Health Counseling have different Practicum/Internship Websites and paperwork.

4. Once the application documents are gathered and completed, the students will apply by submitting all paperwork in the SharePoint Portal on the Practicum or Internship website by the appropriate deadline.

5. The Practicum and Internship Office will review each application to ensure the Site/Supervisor meet qualifications and for any paperwork corrections that are needed.
   • If paperwork corrections are needed, the Practicum and Internship Office will email the students with the exact corrections they need. The student will be given two weeks to make the corrections and return them via email to the Practicum and Internship Office. Students must return all corrections by their given deadlines.
   • This process takes 3-4 weeks. During busy times, it could be 5-6 weeks.

6. Once all paperwork is corrected and returned, the Practicum and Internship office will email the students an official approval and will register each student for the Practicum or Internship course.

7. Students are placed in a Practicum or Internship blackboard course with 10-12 other Practicum or Internship students. Students begin the course and gaining hours the first day of the corresponding semester.
