

Mental Health Therapist

Part/Full Time Professional
Onsite, Hybrid, and Virtual Schedules
Baltimore, MD, US

Charm City Behavioral Health (CCBH) is looking for an innovative, committed and highly skilled **Mental Health Therapist (MHT)** to grow our integrated health organization. As part of CCBH's commitment to support our employee's success, we offer comprehensive benefits package, in addition to private parking, company provided PPE, private office space, flexible and remote work options at our clean and modern clinics. MHT will provide assessment and behavioral health treatment services to individuals, families, couples and groups, as well as facilitate partnership strategies with the community. MHT will objectively support the program's mission for healing, innovation, and an outcome-measured outpatient care philosophy.

Our philosophy lies in an integrative, collaborative approach that heals one individual, one family, and one community at time.

Responsibilities and Tasks:

Provide high quality clinical therapeutic services to children, adults, couples and families.

- Ensure services are provided with client-centered and family-centered healing approach and is delivered through goal specific interventions.
- Conduct initial interviews and provide a written assessment.
- Regularly assess treatment progress with the client, and/or the clinical treatment team.
- Provide the appropriate documentation for service delivery including treatment goals, progress notes and billing and submit said documentation as specified by Medicaid, Medicare and CARF standards.
- Ensure compliance with governing agency and reporting requirements
- Maintain the clinical records and compile documentation required by CCBH and governing agencies.
- Participate in staff meetings, program clinical team meetings, therapy clinical supervision sessions and in-service as required. Understand and support the CCBH philosophy and treatment modalities.
- Ensure confidentiality regarding client records, treatment and client information.
- Exhibit clear, professional, respectful and effective communication when interfacing with clients, coworkers, families and external contacts
- Ability to work independently and implementing time management and productivity strategies
- Exhibit a high degree of ethical conduct, integrity and confidentiality.
- Stay current with updated research and best practices.

Qualifications and Requirements

- Master's degree in social work, psychology or clinically related field required.
- Any of the following licenses are required: LGSW, LCSW, LMSW, LCPC, LGPC
- Active and in good standing in the state of Maryland.
- Must be experienced and proficient in using an electronic health record system.

Family Therapist

Part/Full Time Professional

Onsite, Hybrid, and Virtual Schedules

Baltimore, MD, US

Charm City Behavioral Health (CCBH) is looking for an innovative, committed and highly skilled **Family Therapist (FT)** to grow our integrated health organization. As part of CCBH's commitment to support our employee's success, we offer comprehensive benefits package, in addition to private parking, company provided PPE, private office space, flexible and remote work options at our clean and modern clinics. FT will provide assessment and behavioral health treatment services to individuals, families, couples and groups, as well as facilitate partnership strategies with the community. FT will objectively support the program's mission for healing, innovation, and an outcome-measured outpatient care philosophy.

Our philosophy lies in an integrative, collaborative approach that heals one individual, one family, and one community at time.

Responsibilities and Tasks:

Provide high quality clinical therapeutic services to children, adults, couples and families.
