[www.acc-wtn.org](http://www.acc-wtn.org)

We are a Non-Residential Facility serving 13 and above for Mental Health and Substance Abuse Services. We are located on Main Street in Humboldt TN. We provide services to those in the Criminal Justice System; Department of Children Services as well as many who are self-referred. We offer Intensive Outpatient and Outpatient services along with Recovery Services. Our practicum and internship include experience with hands on documentation such as therapy notes, case management and treatment plans. Our students will also observe and lead group therapy sessions. They will also observe individual therapy sessions. Our students will be given the opportunity to carry a case load while completing their practicum and internship hours. Hours typically are Wednesday, Thursday and Friday with Tuesday being a possibility.

Our agency gives them the opportunity to incorporate what they have learned in the classroom into real life situations. We want every student to feel confident in their abilities so that when they graduate, they are ready to work in an agency on day one. Our students go through full orientation and are afforded opportunities for training just like full-time staff are.

We also offer graduates the hours needed for LPC/MHSP licensure. Our Clinical Director, Clarissa Saigeon (a graduate of Liberty University) is a LPC/MHSP. She offers one on one supervision as well as weekly group supervision. I am also a LADAC2/NCAC2/QCS that offers Substance Abuse Supervision to the staff.

We do offer a nominal hourly rate that would be discussed upon interview for practicum/internship.

**We are actively looking for students for August and December 2025.** If you are interested you may reach out to: You can visit our website at [www.accwtn.org](http://www.accwtn.org) to see some of what we do. If I can answer any questions, please feel free to reach out.
