333 W. Cork Street, Suite 35, Winchester, VA 22601

Telephone: (540) 431-5909

Have you earned a Master's degree in Clinical Mental Health Counseling (CMHC), Marriage and Family Therapy (MFT), Social Work, or similar degree? Do you love helping people from diverse backgrounds and of all ages? Are you eligible to be approved as a Licensed Resident in Counseling, Licensed Resident in Marriage and Family Therapy, or Supervisee in Social Work (in Virginia)? Are you seeking opportunities to assist individuals who are struggling to address their mental health issues? If you answered "yes" to all of these questions, then consider applying for this very exciting Licensed Resident in Counseling, Licensed Resident in MFT, and Supervisee in Social Work opportunity with our counseling center!

The Center for Counseling and Growth is seeking motivated and compassionate Residents in Counseling, Residents in MFT, and Supervisees in Social Work to join our friendly, supportive, and collaborative outpatient counseling team. Our new team members will work on-site (in the center) on 5 days per week (M-F) providing outpatient mental health counseling services to individuals, couples, and families. This is truly a job of service: to our neighbors who are struggling with mental health issues; to our community and community partners (DSS, CSB, Courts); and to our profession. Job responsibilities include providing outpatient mental health counseling services (individual, couples, family), completing and submitting clinical documentation in a timely manner (via electronic health records), and networking with our community partners.

**All applicants must be eligible, and intend, to apply to the Virginia Board of Counseling as a Licensed Resident in Counseling or Licensed Resident in Marriage and Family Therapy (to seek licensure as an LPC or LMFT in Virginia) OR to the Virginia Board of Social Work (to seek licensure as an LCSW).** Since our business is located in Virginia and our clients reside in Virginia, all of our clinicians must be approved by the appropriate Virginia Board before they may provide on-site clinical mental health counseling services.

**Our full-time clinicians average 25 completed sessions per week which enables them to complete the requirements for Virginia (LPC, LMFT, LCSW) licensure in approximately 2 years.** Recent graduates are encouraged to apply!

**Competitive hourly rates. Free individual and group supervision provided** to all Licensed Residents in Counseling, Licensed Residents in MFT, and Supervisees in Social Work to meet Virginia Board licensure requirements. Health insurance (including vision and dental), as well as life insurance, benefits available for full-time clinicians. Furnished private office, HIPAA compliant web-based telehealth portal, billing, on-site supervisor, and scheduling of clients provided at no cost to all clinicians. No weekend or on-call hours required. If you are looking for a supportive employer where clinicians are valued and highly respected, then join our team. This position offers an opportunity to make a meaningful impact in the lives of individuals seeking mental health counseling. Join our team of dedicated and compassionate professionals today!
