

CPCE Counseling Third Attempt Policy (CTAP) Form

Students who have failed the CPCE twice are required to **complete a CTAP form and prepare an additional minimum of one semester before registering for their final attempt**. Please note the CTAP form must be completed and reviewed before students are eligible for their third and final attempt. Please fill out the CTAP form (pages 1-3) below and email the completed form to counselingcompexam@liberty.edu.

Student's Name: _____

Research and Program Evaluation (COUC 515) | C8

CTAP - Plan of Action

The following questions are designed so that you, the student, and the Center for Counseling & Family Studies may gain an understanding of your readiness to approach your final attempt at the CPCE. Once you submit this document along with the CTAP form, feedback will be provided. Please answer the following questions while meeting the word count associated with each:

Please describe with the utmost honesty your study plan, habits, and materials used in preparation for you previous attempts (**in at least 100 words**).

Please describe your study plan for you next attempt at the CPCE. Be as specific and realistic as possible (**100-200 words**).

Please provide a brief synopsis of what you learned in the courses associated with your lowest scoring sections (i.e. C5 relates to subject matter of COUC 505):

1st lowest scoring section:

2nd lowest scoring section:

3rd lowest scoring section:
