Hello Faculty, Staff, and Graduates of Liberty University:

I am writing to you to inquire of your interest in partnering with our private practice, Flourish Christian Counseling. My name is Chrissy Kortenhoeven, LMFT 119289. I am the owner and Executive Clinical Director of Flourish Christian Counseling, headquartered in Temecula, CA. The Lord has blessed our practice, and we are growing as we minister to those who are hurting and/or looking for emotional growth and healing. Currently we have six Christian therapists serving our community and the surrounding areas. We offer TeleHealth and in-person counseling appointments.

You can find out more about us by visiting our website: [flourishchristiancounseling.org](http://flourishchristiancounseling.org). Two of our therapists can also be found on Focus on the Family's website, as part of their Christian Counselors Network.

We are currently looking to hire more Associates for our practice. In addition to myself, we have two other supervisors.

- Dr. Linda Frazier, Psy.D, Licensed Psychologist, PSY 33134, is supervising our Psychological Assistants.
- Dr. Carla Santana, LMFT 40144, is a licensed marriage and family therapist with a doctoral degree in counseling psychology and has been licensed for twenty years.

We would love to employ recent graduates from Liberty University as they begin their Associate journey as an AMFT, APCC, or ASW toward licensure from the BBS, or as a Psychological Assistant from the BOP. We are now accepting applications to hire pre-licensed Associates. Associate positions are paid positions. We are also hiring LMFTs, LPCCs, and LCSWs, and Licensed Clinical Psychologists. Remote and in-person positions are available.

Please have your graduates send a letter of introduction, their résumé, and three references to our Office Administrator, Terri Kammerzell, at [terri.kammerzell@flourishchristiancounseling.org](mailto:terri.kammerzell@flourishchristiancounseling.org). If you have any questions, you can reach Terri directly at 951-249-3436.

We would love to be listed in a directory of private practices you work with for your graduate students. We are available to talk on the phone or respond to email if you have any questions.

Sincerely,

~Chrissy Kortenhoeven, MS, LMFT
