**Residential Student Internship FAQs**

Completing an Internship has never been more important for a graduate seeking employment. If you are nearing the end of your degree program in the School of Business, it is crucial to be actively engaged in applying for and completing an Internship in your chosen field. An Internship is designed to give you the opportunity to develop and discover what your interests and talents are. You'll also gain the necessary skillsets which will help you to ultimately achieve your desired career goal. Below are answers to frequently asked questions to support you as you navigate this process.

**Q: Can I receive financial compensation from my Internship site?**

It depends on your program of study and your internship.

ACCT 499 BUSI 487 BUSI 499 CSCN 499	For these fields of study, a student can be compensated, but <b><u>ONLY</u></b> if the Internship is <b><u>NOT</u></b> at their full-time place of employment. Occasionally, students attempt to get “double credit” for employment <i>and</i> internship. However, an Internship, in these fields of study, <b><u>ONLY</u></b> occurs outside of a student’s place of employment.
SETM 399 SETM 499 SMGT 699	In the Hospitality & Sport Management fields of study, the Internships <b><u>CAN</u></b> be “paid” positions; therefore, a student can complete their required “Internship hours” and be compensated for their time.

**Q: Do the Internship hours have to take place during the semester I am enrolled in the Internship Course?**

Yes. All Internship hours must be earned during the semester you are enrolled in the course. By law, no hours worked prior to the start of your enrolled semester can be counted.

**Q: Am I required to enroll in the Internship course before the semester begins?**

Yes. All students must go through the approval process and be registered for their required Internship course before the semester begins. As the Internship course is just like any other course, the Registrar will not allow students to be added into the course once the semester begins.

**Q: How many credit hours is the Internship Course?**

Most undergraduate students earn 3 credit hours for their Internship.

Graduate Sport Management students earn 6 credit hours for SMGT 699. A split option is available for graduate students on a case-by-case basis if the student can show undue hardship to complete all 400 work hours (~25 hours/week) in a semester. In those special cases, the student may split their Internship between two semesters and complete SMGT 699 (3 credit hours) with a total of 200 work hours in one semester. The following semester, the student would repeat SMGT 699 for another 3 credit hours (completing another 200 work hours).

**Q: What type of organizations can I complete my Internship with?**

Many organizations will suffice, but your Internship site must match the outcomes of your selected major. For example, if you are a Computer Science major you cannot complete your Internship as a baseball coach. Your Internship must add to the educational degree program in which you are enrolled. If you need assistance locating an Internship, the Career Center offers several helpful tools such as Internship Search Engines: [www.liberty.edu/career-services/internships/](http://www.liberty.edu/career-services/internships/).

You may do your internship on or off campus. Your internship can be anywhere in the world should you so choose!

Yes. In order to apply for internship approval (and eventual course registration), you must visit [www.liberty.edu/business/internship-program/](http://www.liberty.edu/business/internship-program/), set-up a Handshake account, and create an "Experience". An experience is working with an organization in your area of study completing tasks and fulfilling responsibilities related to your degree.

**Q: What do the various statuses mean on my Handshake Experience request?**

Pending = The Internship Team is still reviewing and verifying the information in the student's Handshake Experience.

Being Approved = The Internship Team has given preliminary approval and is waiting for the student's Site Supervisor to verify/approve the Handshake Experience.

Approved = The Internship Team has fully approved the student's Handshake Experience request.

Needs Review = The Site Supervisor did not verify/approve the student's Handshake Experience within the allotted timeframe. At that point, the application is considered rejected.

**Q: My Handshake Experience has a status of "Approved," but I still can't register for my selected Internship course. Why?**

All internship courses are closed courses, meaning students cannot register themselves at any time. Once the student's application is approved, the Internship Coordinator will notify the Registrar to enroll the student in the selected internship course.

**Q: How long does it take the Registrar to add me into the Internship Course once I receive approval and the Internship Coordinator sends a registration request?**

A: The times can vary depending on whether you are a Residential or Online student, as well as the time of year. In general, it takes between 3-6 business days.
