

Frequently Asked questions

How should I address my letter mail and packages?

This is the format for addresses:

Student's Full Name
Flames Box xxxxxx (Formerly MSC)
1971 University Blvd
Lynchburg VA 24515

Please be sure to include the Flames Box # on all your packages and letter mail. This number helps us to identify you in the case of multiple students with the same name or if a partial name is on the shipping label. This number is assigned to you for the **ENTIRE** time you live on Liberty's campus. You can find this number on your ASIST page under the housing tab. This number stays the same even if your housing changes. This helps keep your LU ID and housing private. Just one address to use the entire time you're on campus!

I received a notification from Amazon/USPS/UPS/FedEx/DHL that my package has been "Delivered", can I pick up my package now?

We receive several thousand pieces of letter mail and packages that require sorting/processing for the thousands of students we serve daily. Our standard is to have all items processed within 24 hours of arrival at the 245 ONE-FIVE Express.

If **Amazon** or other companies notify you that your package has been delivered, it may have arrived at the Lynchburg Post Office but it has not yet arrived to Liberty's campus.

You will receive an email notification once any letter mail or packages have arrived and are ready for pickup at the 245 ONE-FIVE Express located at Commons III.

What if my package doesn't have the correct name or I didn't use my Flame Box #?

All packages are held for two weeks. If we are unable to determine the intended recipient, no email will be sent. Please contact us by phone or email with a tracking number and we will be happy to help you locate your package.

What if my package is delivered on a Saturday or Sunday?

Why didn't I receive an email?

Check all your email inboxes, sometimes these emails will go to your spam folders or perhaps we are still processing your package. If you use outlook, check the “other” tab.
