MESSAGE *from* THE DEAN

To the Class of 2024, we celebrate you for your academic accomplishments. You have overcome the hurdles of life, applied the lessons you have learned in your courses of study, and reached this pinnacle on your educational journey. You are now both champions and scholars ready to apply your acquired knowledge to enrich and advance our world.

As faculty and staff, we pray that you have learned to seek God's path for your lives and will commit to using your gifts for His purpose. Today, you add your names to the roll of men and women who have been changing the world for over fifty years.
