# MESSAGE *from the* DEAN

Greetings Everyone,

Welcome to Liberty University's School of Engineering 2026 Degree Presentation Ceremony. It is with exuberance and great anticipation that we celebrate the accomplishments of our graduates and look forward to their God-led futures.

To our graduates, we say, "Job well done!" You have completed a rigorous curriculum that has prepared you to enter the professional engineering field. Remember, you will be in positions of great impact and responsibility, so always consider your Christian ethics in your decision-making. To our graduates' families and friends, we say, "Thank you!" Your support and commitment have been essential throughout every turn and success. Please celebrate and enjoy these moments fully.

May our event today bring glory to God, and may He continue to bless Liberty University and our graduates.

**Ken Camplin, P.E.**
