* No minimum score determined for Virginia *at this time*. Special Education: While a passing score is not defined by the VDOE, the test is required for the program with a recommended score of 151. Theatre Arts: While a passing score is not defined by the VDOE, the test is required for the program with a recommended score of 157.

**Instead of using the drop down menu and selecting the state of Virginia on the ETS website, students should click on the "EPP Test Requirements" button and scroll until they find the required special education test.

~The Pre-Engineering Industry Certification will be used in place of the Praxis Subject Assessment for Engineering endorsements. While a passing score is not defined by the VDOE, the test is required for the program with a recommended score of 70% passing.

DO NOT REGISTER FOR ASSESSMENTS BELOW THIS LINE.

Scores for the assessments below this line may ONLY be acceptable for Gate 3 and licensure purposes if the assessment was taken and passed during the indicated testing window.
