Student Contact – OUTSIDE of Central Virginia

Any school systems not identified on one of the above two list have not yet communicated specific placement procedures to the university. You should contact the school system directly for more information about placement possibilities. Along the process, if you are advised that the university office contact is required, we are here to assist you.

For practicum (early field experience) placement, you should make necessary arrangements and obtain confirmation by utilizing Student Contact Template letters, which will be provided to you once you have completed the School of Education Practicum Placement Request Form.

For student teaching, you may have a preliminary discussion, but the External Field Placement Office will reach out to your school choice with an official request on behalf of you.
