Advanced Internship Assessment (AIA) 2022-23

Description of the Instrument

The EPP has developed an Advanced Internship Assessment (AIA) for each of the four endorsements in the advanced licensure program:

The EPP has developed an Advanced Internship Assessment (AIA) for each of the four endorsements in the advanced licensure program:

- AIA-AS Administration/Supervision
- AIA-MS Math Specialist
- AIA-RS Reading Specialist
- AIA-SC School Counselor

The Advanced Internship Assessment (AIA) is used during the final internship course for advanced licensure candidates to assess their performance on using the standards of their area of specialization in a school setting.

CAEP A1.1 Six generic professional skills

- a. Applications of data literacy
- b. Use of research and understanding of qualitative, quantitative and/or mixed methods research methodologies
- c. Employment of data analysis and evidence to develop supportive school environments
- d. Leading and/or participating in collaborative activities with others such as peers, colleagues, teachers, administrators
- e. Supporting appropriate applications of appropriate technology for their field of specialization
- f. Application of professional dispositions, laws and policies, codes of ethics and professional standards appropriate to their field of specialization

Data Set from 4 Advanced Programs meeting the CAEP 6 Professional Skills

(Taken from AIA rubric elements for each advanced program)

AIA Data 2022-23					
% of Candidates meeting or exceeding target for each rubric element (levels 2 & 3)					
CAEP Skills <i>Points Possible (0-3)</i> <i>EPP Benchmark Score = 2.0</i>	AS Administration/ Supervision <i>N = 255</i>	RS Reading Specialist <i>N = 30</i>	MS Math Specialist <i>N = 5</i>	SC School Counselor <i>N = 1683</i>	Total % <i>N = 1973</i>
A. Applications of data literacy	Element 4 97.74%	Element 1 100%	Element 1 100%	Element 1 98.99%	99.18%
B. Use of research	Element 1 98.71%	Element 2 100%	Element 6 100%	Element 5 95.72%	98.61%
C. Employment of data analysis	Element 3 100%	Element 4 100%	Element 4 100%	Element 3 98.98%	99.48%
D. Collaborative activities	Element 5 96.37%	Element 6 100%	Element 6 100%	Element 2 97.93%	98.57%
E. Supporting appropriate technology	Element 4 97.74%	Element 5 97.50%	Element 4 100%	Element 6 96.12%	97.84%
F. Professional dispositions, laws and policies, codes of ethics	Element 4 97.74%	Element 4 100%	Element 4 100%	Element 1 98.99%	99.18%

Analysis of data results:

All candidates in three out of the four advanced licensure programs meet the benchmark (level 2) or higher for all six professional skills from CAEP on their final internship capstone project. Ninety-nine percent of candidates in the school counseling program also met benchmark or higher in these same six professional skills.
