 - **What are the Program Strengths?**
 - **What could be improved or supported more?**
 - **What trends are apparent?**
 - **Feedback from Partners:**
 - *Music had a question about 2 practicums not connected to CORE (MUSC 438 & 491).*
 - *Rachel Miller will work on connecting those and getting students access.*
 - *SS/History had a question about in which courses the pre-edTPA Tasks are located. Task 1 is located in EDUC 235 (PE has their own version of this)*
 - *Others were interested in the edTPA preparation for candidates*

- *One agreed with the data presented that candidates tend to struggle with data-based decision making. Briefly discussed how we prepare candidates to complete Task 3 Assessment. During student teaching candidates compile their student data and determine next steps instructionally.*
- *World Language requested specific candidate data on edTPA results since their numbers were less than 10 (no data). We can pull from multiple years to get an N size larger than 10 to get actual data.*
