There are two ways that you may complete Spanish Competency requirements:

- 1) **Complete all required Spanish competency courses at an accredited college or university:** Generally, upper level (300-400 level) Spanish or Modern Foreign Language courses will fulfill your remaining Spanish competencies.
- 2.) **Students who have learned Spanish without formal academic credit in a college or university may complete the following requirements:**
 - Achieved a qualifying score ("advanced low") on the ACTFL OPI (Oral Proficiency Interview) and WPT (Writing Proficiency Test)
ACTFL Testing Information – Language Testing International (LTI) website: <https://www.languagetesting.com/>
(The Board of Education has approved the use of ACTFL Oral Proficiency Interview, and the Writing Proficiency Test to allow native speakers or candidates who have learned a foreign language without formal academic credit in a college or university to meet the foreign language endorsement requirements by demonstrating proficiency on both the oral and written assessments and by taking 3 semester hours of methods of teaching foreign languages at the elementary and secondary levels.)
 - Earned a minimum of **3 semester hours of “methods of teaching foreign languages”** at the elementary and secondary levels from an accredited college or university in the United States.

***Please let us know if you wish to pursue #2 and have exam results sent to Liberty University.**
