

# WASTE/LANDFILL

## General Rules:

- General Rules: Any item that cannot be reused, donated, recycled, or composted should be placed in the Waste container to be landfilled.

## Items commonly thrown in recycling containers

- Plastic film, bags, and bubble wrap (You may take these to grocery stores that are equipped to process this material)
- Glass of any sort (This product is not accepted at LU)
- Paper towels/ tissues (These are compostable, but NOT recyclable)
- Straws
- Styrofoam
- Electronics (Please submit a work order to IT for large items)
- Food waste
- Plastic wrappers
- Any containers with excessive food or grease contamination
