## **Announcing the NEW Liberty University & GLTC Universal Pass**

Attention Students, Faculty and Staff of Liberty University. We are pleased to announce that effective August 1<sup>st</sup>, 2016 – for the 2016-2017 Academic School Year, all active students, faculty and staff who possess an active Liberty University ID may ride any bus in the Greater Lynchburg Transit Company (GLTC) **on or off** campus free of charge!

Using the service is simple, when you board the bus simply present your ID to the driver. They will visually verify your identification and register you as paid for your ride. You can transfer anywhere on the system, ride any route you like, and board as many times as you need to.

Just make sure that you use your ID every time, have it ready for inspection when the bus arrives and always board through the front entry door.

You may only use your ID for yourself – do not loan your card to anybody for them to use. You must match the photograph on your ID in order to ride.

That's it! Simple and quick, now you can get anywhere you need to go hassle free. To make your ride even easier be sure to download the "RideSystems" App in your iTunes or Android store. It's free of charge and you can view in real time exactly where your bus is! To use this service from your computer simply visit [mybus.gltconline.com](http://mybus.gltconline.com)

GLTC is here to get you there, so if you have any questions please visit the GLTC Website at [www.gltconline.com](http://www.gltconline.com) or by calling 434-455-5080.

**Please note:** This new process means that Liberty will no longer distribute GLTC Monthly passes, if you have a current monthly pass you may continue to use it until it expires, then you will need to begin using your Liberty ID to ride.
