## Understanding Scholarships & Fellowships

**Liberty University** students have the opportunity to apply for a variety of scholarships, programs, and fellowships designed to advance their research interests through funding and financial support.

The following scholarships and fellowships are specifically available to International students. If you are interested in learning more or applying, please contact the **Fulbright and International Scholarship Programs** for additional information and guidance.

## Scholarships/Fellowships

### WBG Fellowship Program

For technocrats with deep expertise and demonstrated excellence in technical fields such as digital development, water management, disaster risk management, energy, transport, deforestation, geothermal and solar energy, urban development, or healthcare. Positions OPEN!

**WORLD BANK GROUP**

## **Joint Japan World Bank Group Scholarship Program**

Please note that if you are not admitted to one of these 44 participating Master's Programs, you are not eligible to apply

## **Joint Japan/World Bank Graduate Scholarship program**

JJ/WBGSP offers scholarships for 44 Participating Master's Programs in 24 universities in the U.S., Europe, Africa, Oceania and Japan in key areas of development, including economic policy, tax policy, and infrastructure management.

## **Asia Foundation Development Fellows**

The Asia Foundation Development Fellows program is a learning program designed for highly talented individuals from Asia and the Pacific under age 40 to enhance their leadership skills, regional development knowledge, professional networks, and international exposure.

**The Asia Foundation**

## **Banyan Impact Fellowship**

Fully funded program that trains, supports, and places fellows with communities in India for service projects to end extreme poverty, combat climate change, and conquer injustice. Building a "living bridge" between the US and India.

## **Robert S. McNamara Fellowships Program**

RSMFP provides support to young researchers on a wide variety of topics in development-related fields. Selected fellows are hosted as a cohort at the World Bank in D.C. and work on DEC research projects, receiving formal training and participating in policy relevant research.

## **Blakemore Kingfisher Art History Language Fellowships**

Blakemore Kingfisher Fellowships are awarded for nine to twelve months of full-time, intensive language study of Chinese or Korean in approved language programs in East Asia. These grants are all persons who have demonstrated intent to pursue an academic career in Chinese or Korean art history prior to the 20th century.

## **Bridge to Asia Fellowship**

The Bridge to Asia Fellowship at NBR offers paid summer fellowships to undergraduate and community college students passionate about U.S.-Asia relations and international affairs. Fellows join NBR's research teams in Washington, DC or Seattle for an immersive 4-month professional experience.

## **Chateaubriand Fellowship – Humanities and Social Sciences (HSS)**

The Chateaubriand Fellowship in HSS supports U.S.-based PhD students conducting research in France for 4 months (Fall or Spring). It aims to strengthen academic collaboration between the U.S. and France in the humanities and social sciences.

## **Chateaubriand Fellowship – STEM**

The Chateaubriand Fellowship supports U.S.-based PhD students in STEM and health fields to conduct part of their doctoral research in a French laboratory, fostering academic exchange and collaboration between the U.S. and France.

## **Cooke Undergraduate Transfer Scholarship**

Scholarship for the nation's top community college students seeking to complete their bachelor's degrees at four-year colleges/universities. Offers financial support for two to three years, college advising, and the opportunity to connect with a community of fellow Scholars.

## DAAD Research Grants

Research grants for highly qualified candidates who are completing research projects 2-12 months in duration at German universities or research institutions.

Deutscher Akademischer Austauschdienst  
German Academic Exchange Service

## DAAD RISE Internships

Research Internships in Science and Engineering (RISE) internships offer undergraduate (RISE Germany) and graduate (RISE Professional) in STEM fields the opportunity to complete paid summer internships at top German universities and research institutions.

## DAAD Study Scholarships – Master Studies for All Academic Disciplines

Highly qualified final year undergraduate students or those who have received an undergraduate degree of all disciplines may apply for the DAAD for a full master's degree program at a State or State-recognized university in Germany or for study at a German university as part of a postgraduate/master's degree program completed in the home country.

**DAAD MASTER STUDY  
SCHOLARSHIPS**

# EIT

## Ellison Scholars

### Ellison Scholars

The Ellison Scholars programme empowers individuals to become global technology innovators and leaders of the future, solving humanity's most challenging and enduring problems. Scholars actively contribute to EIT's innovation projects across its four Humane Endeavours - Health & Medical Science, Food Security & Sustainable Agriculture, Climate Change & Clean Energy and Government Innovation in the Era of AI.

### English Program in Korea (EPIK)

EPIK is a government-sponsored program that places native English-speaking teachers in public schools across South Korea to improve students' English proficiency and foster cultural exchange.

### James C. Gaither Junior Fellows Program

Opportunity designed to provide a substantive work experience for students who have a serious career interest in international affairs. Students who are selected will be hired to work as employees at the Carnegie Endowment in Washington, DC on a full-time basis for a period of one year.

## **Gates Cambridge Scholarship**

Each year Gates Cambridge offers c.75 full-cost scholarships to outstanding applicants from countries outside the UK to pursue a range of postgraduate degrees at the University of Cambridge.

## **Hertog War Studies Program**

The Hertog War Studies Program is an intensive two-week program run by the Institute for the Study of War in Washington, DC. The program aims to educate advanced undergraduate students about the theory, practice, organization, and control of war and military forces.

## **Humanity in Action Fellowship**

The Humanity in Action Fellowship brings together diverse groups of emerging leaders to explore national histories of discrimination and resistance, including issues affecting minority groups. Fellows engage in intensive seminars, site visits, and discussions with academics, activists, policymakers, and artists to explore social justice, democracy, and human rights.

## Horseshoe Farm Community Health Fellowship

A 13-month, full-time, community-based gap year fellowship for recent college graduates interested in community health, education, nonprofit leadership, and citizen service. Fellows work directly with vulnerable populations—including seniors, adults with mental illness, and children—through programs in Alabama and California.

## ICWA Fellowship

ICWA advances deep knowledge of global cultures and affairs. We achieve that by supporting fellows for two-year immersive programs of independent research and writing abroad.

## Tillman Scholars Program

The Pat Tillman Foundation identifies remarkable military service members, veterans and spouses, empowering them with academic scholarships, lifelong leadership development opportunities and a diverse, global community of high-performing mentors and peers..

## Marshall-Motley Scholars Program

Established by the NAACP Legal Defense Fund (LDF), the Marshall-Motley Scholars Program (MMSP) is committed to identifying and investing in the next generation of aspiring lawyers dedicated to pursuing racial justice in the South, and for whom this work is a personal and professional calling.

## MARGARET MCNAMARA EDUCATION GRANTS

### Margaret McNamara Education Grants

Margaret McNamara Education Grants (formerly known as MMMF) is a nonprofit, public charity that awards education grants to exceptional women from eligible developing countries who are at least 25 years old and enrolled at universities in the United States, Canada, France, and South Africa, and select universities in Latin America and the Caribbean.

## McCall MacBain Scholarships

Full scholarships with mentorship and leadership skills development opportunities for students interested in applying to master's, medicine, and other professional studies at McGill University.

## **Public Policy and International Affairs (PPIA) Fellowship**

PPIA offers an assortment of rigorous academic fellowship programs for undergraduates looking to advance their careers in public service. Our Junior Summer Institute (JSI) Fellowship Program is a rigorous academic graduate-level preparation program for undergraduate juniors with the purpose of preparing students to obtain a Master's or a joint degree in public policy, public administration, international affairs, or a related field.

## **Presidential Fellows: At- Large Program**

Over an academic year, the Fellows learn about leadership and governance, hone their research skills, and engage in civil discourse with public officials, policy experts, and their peers. Selected students participate in monthly virtual seminars, write an original research paper (with the support of a mentor), and attend an all-expense-paid conference in Washington, D.C.

## **Presidential Fellows: Innovation Fellowship**

The intersection of science and technology and public policy. Over the course of an academic year, the Fellows learn about leadership and governance, hone their research skills, and engage in civil discourse with public officials, policy experts, and their peers. Participate in monthly virtual seminars, write an original research paper, and attend an all-expense-paid conference in Washington, D.C.

## **Princeton in Africa Fellowship**

Princeton in Africa (PiAf) is a non-profit organization that offers a yearlong paid post-graduate fellowship opportunities to graduates of US-accredited colleges & universities with a variety of organizations across the African continent. PiAf Fellows work in many different sectors, including international humanitarian aid, public & community health, business & economic development, agricultural development, and education & youth capacity building.

## Princeton in Asia Fellowship

Princeton in Asia Fellowships foster mutual appreciation and cross-cultural understanding between the United States and Asia through immersive work fellowships in host organizations and communities. PiA fellowships span a variety of focus areas, including arts and culture, economic development, education, environmental sustainability, peace, justice, and access to information, public health, sports, and STEM.

## Princeton in Latin America Fellowship

The PiLA Fellowship offers recent graduates the opportunity to work with nonprofit and public service organizations across Latin America and the Caribbean. Fellows engage in projects spanning education, public health, environmental conservation, microfinance, and more, contributing to meaningful development work in the region.

SCHWARZMAN  
SCHOLARS

清华大学苏世民学者项目

## Schwarzman Scholars

Schwarzman Scholars is a fully funded, one-year master's degree program in global affairs at Schwarzman College, Tsinghua University in Beijing, China.

## Quad Fellowship

The Quad Fellowship supports 100 exceptional American, Japanese, Australian, and Indian master's and doctoral students in science, technology, engineering, and mathematics (STEM) to study in the United States. The fellowship develops a network of science and technology experts committed to advancing innovation and collaboration in the private, public, and academic sectors.

**SMART**  
SCIENCE, MATHEMATICS,  
AND RESEARCH FOR  
TRANSFORMATION  
PART OF THE NATIONAL  
DEFENSE EDUCATION PROGRAM

## SMART Scholarship

The Department of Defense (DoD) SMART (Science, Mathematics, and Research for Transformation) Scholarship is a prestigious program designed to support undergraduate, graduate, and doctoral students pursuing degrees in science, technology, engineering, and mathematics (STEM) fields. In exchange for full tuition and a stipend, recipients commit to working as civilian employees at DoD laboratories after graduation.

## Victims of Pan Am Flight 103 - Legacy Award

The VPAF103 Award honors the lives lost in the terrorist bombing of Pan Am Flight 103. Seniors, graduate students, and professionals in national security and terrorism prevention are eligible to apply.

## Wadsworth International Fellowship

The Wadsworth International Fellowship supports students from countries where anthropology is underrepresented and where there are limited resources to educate students overseas. The fellowship provides funding for students pursuing a PhD or equivalent doctoral degree at universities where they can receive international-level training in anthropology.

## Faculty for the Future Fellowship

The Faculty for the Future Fellowship supports women from developing countries to pursue doctoral or postdoctoral study/research in STEM fields at leading universities worldwide. Covers tuition, fees, living expenses, travel, and conference attendance.

### **Schlumberger Foundation Faculty for the Future program**

## Graduate Women in Science National Fellowship Program

The GWIS National Fellowship Program promotes knowledge in the natural and social sciences and encourages women's academic and professional careers in the sciences. The period of the award is one academic year.

## Google PhD Fellowship Program

The Google PhD Fellowship Program supports promising PhD candidates of all backgrounds who seek to influence the future of technology. Google's Health research aims to advance AI and technology that helps people live healthier lives. Achieving this goal will require collaborative research with public officials, clinicians, and consumers.

## Mellon/ACLS Dissertation Innovation Fellowships

The Mellon/ACLS Dissertation Innovation Fellowship program is designed to support emerging scholars as they pursue bold and innovative research in the humanities and interpretive social sciences. The fellowships are designed to intervene at the formative stage of dissertation development, before writing is advanced, and provide time and support for emerging scholars' innovative approaches to dissertation research.

## **NAEd/Spencer Dissertation Fellowship**

The NAEd/Spencer Dissertation Fellowship encourages a new generation of scholars from a wide range of disciplines and professional fields to undertake research relevant to the improvement of education. This fellowship supports candidates whose dissertation projects bring innovative and insightful approaches to the history, theory, analysis, or application of formal and informal education.

## **Wenner-Gren Dissertation Fieldwork Grant**

This grant supports doctoral or thesis research that advances anthropological knowledge. It welcomes proposals that integrate multiple subfields and pioneer new approaches and ideas.

## **Provost's Award for Research Excellence (P.A.R.E.)**

Fulbright Initiative meant to encourage gifted Liberty University students to produce domestic and international research projects. This award covers Research, Arts, and Language Study in a domestic/international institute.

## Rotary Global Grant & Rotary Peace Fellowship

Provide funds for graduate-level study or research in another country. It focuses on projects that develop peacebuilding leaders, address Peace and Conflict Prevention and Resolution, Basic education and Literacy, Water and Sanitation, Maternal and Child Health, Disease Prevention and Treatment, Economic and Community Development.

## FORD Foundation Fellowship Programs

Predocctoral Fellowships are awarded to individuals with superior academic achievement who are committed to a career in teaching and research at the college or university level, show promise of achievement as scholars and teachers, and are prepared to use diversity as a resource for enriching the education of all students.

## Harvey Fellowship

Centers on Christian students pursuing graduate studies at premier universities in fields considered to be underrepresented by Christians and who possess a unique vision to impact society through their vocations.

## WBG Africa Fellowship Program Fellowship

The World Bank Group (WBG) Africa Fellowship Program offers a six-month WBG assignment to young and emerging African scholars who are completing or have recently completed their PhDs in an area relevant to the work of the World Bank.

## P.E.O. International Peace Scholarship Fundra Grants

The P.E.O. International Peace Scholarship Fund (IPS) is a fund established in 1949 to provide scholarships for women from outside the United States and Canada who are pursuing a doctoral-level degree from an accredited college or university in the U.S. or Canada.

## Tillman Scholars Program

The Pat Tillman Foundation identifies remarkable military service members, veterans and spouses, empowering them with academic scholarships, lifelong leadership development opportunities and a diverse, global community of high-performing mentors and peers. Lead through action in the fields of healthcare, business, public service, STEM, education and the humanities.
