Ed.D. - Sam Houston State University, 2003

M.A.T. - Western New Mexico University, Silver City, NM, 1988

B.S. - University of Texas at El Paso, El Paso, TX, 1986

PROFESSIONAL EXPERIENCE

2003- present Liberty University Lynchburg, VA
Director, ATEP

Administrate all areas of the Athletic Training Education Program and provide educational experiences for the students enrolled in the program. Responsible for the supervision and evaluation of clinical coordinator, teaching faculty, adjunct and Clinical Instructors assigned within the education program. Formulate and maintain budget within the educational program. Maintain accreditation standards associated with the JRC-AT, CAATE, NATA and the BOC.

1991 - 2003 Sam Houston State University Huntsville, TX
Head Athletic Trainer / Instructor

Administrate all areas of athletic training for 14 NCAA Division I intercollegiate sports (IAA football). Compile accurate medical and treatment records and administrate athletic insurance policy. Designed and continue to implement team physicians' program to enhance the medical care of student athletes, as well as, cost containment for athletic- related medical. Program raises in excess of \$25,000.00 per year in donated medical services. Currently supported by ten team physicians specializing in all areas of medical practice, as well as, physical therapy and rehabilitation services. Supervise athletic drug abuse program and testing. Prepare and maintain yearly fiscal budget and inventory. Instructor of undergraduate studies within the Kinesiology Department for student-athletic trainers. Administer all aspects of the student athletic trainer's apprenticeship program.

1989-1991 Houston Baptist University Houston, TX

Director of Sports Medicine / Instructor

Administered all areas of conditioning and training for eight intercollegiate sports. Compiled accurate medical records and administered athletic insurance policy. Designed and implemented 5th-year senior work-study program to enhance supervision of recreational facilities. Coordinated facility usage between Human Kinetics Department and athletes. As NCAA Compliance Officer advised and determined athletic eligibility for both NCAA and NAIA programs. Participated in ongoing injury evaluation for NCAA. Established pre-season conditioning protocol for Women's Gymnastics, which reduced major injuries by 60%. Supervised Athletic Substance Abuse Program and drug testing. Prepared yearly fiscal budget and inventory. Instructed all levels of undergraduate studies within the Human Kinetics Department. Enhanced adaptive physical education program for physically impaired students. Instructed sports medicine and student athletic trainers' apprenticeship program. Coordinated and arranged health services with 8 specialized team physicians.

1988-1989 Channelview High School Channelview, TX

Head Athletic Trainer/ Instructor

Coordinated all areas of athletic training for both men's and women's interscholastic athletics programs.

1986-1988 Western New Mexico University Silver City, NM

Head Athletic Trainer

Administered athletic training program for eight NAIA intercollegiate programs. Developed student trainers' apprenticeship program. Developed, designed and implemented one of the first substance abuse educational programs in the Rocky Mountain Athletic Conference. Computerized training facility to ensure quality medical records. Developed computer program to determine injury rate, time loss, and severity of injury in football, which helped to determine needed changes in post-, pre- and off-season conditioning. Worked to establish a general student health program with local medical clinic. Created an expanded contrast and exercise program for baseball pitchers. Assisted in research grant to determine statistical differences in V02/CG2 consumption with varying treadmill protocols. Prepared annual fiscal budgets and administered athletic insurance claims. Also served as Assistant Baseball Coach.
