

BC Xtreme Sports Dive Center

3340 Hwy. 29 N. Danville, VA 24540

What classes are offered?

We offer classes from **Open Water Diver**, which is the beginner course, all the way through **Dive Master**, which allows you to assist in teaching dive classes.

What is needed to get started?

The Open Water Diving class includes book and Certification card. The students will need to purchase their mask, snorkel, fins, boots, weight belt and weights, The price of the class also includes the rental of all the other equipment needed to complete the class (wetsuit, BCD, hood, gloves, tank, regulator, etc.)

What is involved in the Open Water Diving class?

You will receive a textbook, that you will need to read and complete the knowledge reviews also there are 4 tests with 10 questions and a 50 question final test. You will then meet at the pool and complete **5 confined water dives**, once you complete the pool dives, you will then have to complete **4 open water dives**. After you complete your 4th dive you will receive a temporary certification card until the hard copy arrives. PADI Certification internationally recognized.
