KeyCare 400 Medical Plan

With a preferred provider organization (PPO) plan, you can go to almost any doctor or hospital — giving you more choices and flexibility.

- You can choose a primary care doctor from the plan's network for preventive care such as checkups and screenings.
- You do not need to have a primary care doctor to see a specialist.
- When you want to see a specialist, such as an orthopedic doctor or a cardiologist, you do not need to visit your primary care doctor first for a referral. This can save you time and a copay.
- Choosing doctors and facilities in your plan's network — instead of those outside your plan's network — helps lower your costs.

HSA HDHP Plan

An HSA allows you to set aside pretax dollars to pay for care when you need it. You can use money in the account to pay for qualified medical expenses, such as hospital visits, prescription drugs, or copays for a doctor visit.¹

- Once you pay your deductible, you will pay a percentage of the total cost (called coinsurance) anytime you receive care for a covered service. Your plan will cover the rest.
- All the money in your HSA rolls over from year to year, and it is yours even if you change health plans or jobs, or retire.
- The money you put into your HSA, any interest you earn, and the money you take out to pay for healthcare is tax-free.
- You can contribute up to \$3,850 for an individual and \$7,750 for a family.²
- If you are 55 or older, you can contribute an extra \$1,000 a year.

How to choose a plan

- Think about your personal situation. Have your healthcare needs changed? Do you go to the doctor more often now? Are you taking a special prescription drug? Do you have any upcoming surgeries? You will want to look for benefits that fit your needs.
- Compare all the costs, including your monthly payment, deductible, coinsurance, copay, and out-of-pocket limit.
- Find out if your doctors, hospitals, and healthcare professionals are covered by the plan.
- Choose the right plan for your needs.

¹ For a full list of qualified expenses for an individual, visit [qme.anthem.com](https://www.qme.anthem.com).

² Veterans who have received medical benefits from Veterans Affairs due to a service-connected disability are eligible to receive or make HSA contributions. Visit the IRS website at [irs.gov/irb/2004-33_IRB](https://www.irs.gov/irb/2004-33_IRB) for details.

How to use your plan

Use your ID card from your phone

Quickly access your ID card on your phone by using the **Sydney Health** mobile app or logging in at **anthem.com**. Your digital ID card works the same as a paper one. You can share it with your doctor or pharmacy by printing a copy anytime you need one, or emailing or faxing it from your computer or mobile device. You also can download your ID card for quicker access.

Find a doctor in your plan

The right doctor can make all the difference. Choosing a doctor who is in your plan's network can save you money. Your plan includes a broad selection of high-quality doctors. If you decide to receive care from doctors outside the plan's network, it will cost you more and your care might not be covered.

To find a healthcare professional or facility in your plan's network, use the **Find Care** tool on the **Sydney Health** mobile app or at **anthem.com**. You can search for doctors, hospitals, pharmacies, and high-quality labs such as Quest Diagnostics and Labcorp.

Schedule a checkup

Preventive care, such as regular checkups and screenings, can help you avoid health issues in the future. Your plan covers these services at little or no extra cost when you see a doctor in your plan's network:

- Yearly physical
- Well-child visits
- Flu shot
- Routine shots
- Screenings and tests

Receive the COVID-19 vaccine or booster shot at no extra cost

A COVID-19 vaccine can help keep you, your family, and your community safe. You and your covered family members will not have to pay out-of-pocket costs for COVID-19 vaccine or booster doses. Your Anthem plan covers them.

You can visit any healthcare professional for your vaccine or booster shot, including those outside your plan's network.

Go to vaccines.gov to find COVID-19 vaccine locations near you.

How to use your plan

Travel with peace of mind

Your health plan goes with you when you're away from home and need care immediately. The BlueCard program gives you access to services across the country. This includes 1.7 million doctors and hospitals with Blue Cross Blue Shield companies.¹ If you're traveling out of the country, you can receive care through the Blue Cross Blue Shield Global Core program. It gives you access to doctors and hospitals in more than 190 countries and territories around the world.²

If you need care in the U.S., go to **anthem.com**. When you're outside the U.S., visit **bcbsglobalcore.com** or download the BCBS Global Core mobile app. You also can call Blue Cross Blue Shield Global Core 24/7 at 011-800-810-BLUE (2583) or call collect by dialing 0170 and telling the operator you want to call 011-804-673-1177.

If you have questions about travel benefits, call the Member Services number on your ID card before you leave home.

Access care from home in a way that works for you

- **Assess your symptoms online at no cost.** Answer questions through the **Sydney Health** intuitive Symptom Checker. It uses the information you provide to narrow down millions of medical data points and assess your specific symptoms before you visit a doctor.
- **Chat with a doctor at low to no additional-cost.**³ **Sydney Health** can link you directly to doctors for virtual chat visits. During your appointment, the doctor can evaluate your symptoms; discuss your treatment options; and order prescriptions; if you need them.
- **Have a video visit with a doctor.** You can also use **Sydney Health** to connect with a doctor through video visits.
- **Schedule a virtual primary care appointment** for routine care and prescription refills, if needed. You can also receive a personalized care plan for chronic conditions, such as heart disease.

Where to go for care when you need it now

When it is an emergency, call 911 or go to the nearest emergency room. If you need nonemergency care right away:

- Check to see if your primary care doctor can see you.
- Search for nearby urgent care to avoid costly emergency room visits and long wait times.
- See a doctor anytime using LiveHealth Online from your mobile device or computer.

Understanding healthcare terms

Deductible:

A set amount you pay each year for covered services before your plan starts to pay for covered healthcare costs.

You can use your HSA/FSA/HRA toward your deductible.

Copay:

A flat fee you pay for covered services, such as doctor visits.

Coinsurance:

Once you've met your deductible, you and your health plan share the cost of covered healthcare services. The coinsurance is your share of the costs, usually a percent of the cost of care. Your plan details show what portion of the cost you will pay.

Out-of-pocket limit:

This is the maximum amount you could pay before your plan starts to pay 100% of all covered healthcare costs.* It's the sum of the deductible and coinsurance amounts.

Premium:

The premium, also called a monthly payment, is what you pay for the plan. It's the money that comes out of your paycheck.

What you pay and what your plan pays

* There are plans that require you to pay a copay at the time of service.

The ins and outs of coverage

Knowing that you have health care coverage that meets your and your family's needs is reassuring.

But part of your decision in choosing a plan also means you need to understand:

- Who can enroll
- How you and your employer handle coverage changes
- What's not covered by your plan
- How your coverage works with other health plans you might have

Who can be enrolled

You can choose coverage for just you. Or, you can have coverage for your family, including you and any of the following family members:

- Your spouse
- Your children age 26 or younger, including:
 - A newborn, natural child or a child placed with you for adoption
 - A stepchild
 - Any other child for whom you have legal guardianship
- Your domestic partner, if deemed eligible by your employer
- Your domestic partner and children, if deemed eligible by your group

Coverage will end on the last day of the month in which they turn 26.

Some children have mental or physical challenges that prevent them from living independently. The dependent age limit does not apply to these enrolled children as long as these challenges were present before they turned 26.

1. At the employer level, which affects you and other employees covered by an employer's plan, your plan can be:

Renewed	Canceled	Changed	When
.			Your employer: <ul style="list-style-type: none"> Keeps its status as an employer. Stays in our service area. Meets our guidelines for employee participation and premium contribution. Pays the required health care premiums. Doesn't commit fraud or misrepresent itself.
	.		Your employer: <ul style="list-style-type: none"> Makes a bad payment. Voluntarily cancels coverage (30-days advance written notice required). Is unable (after being given at least a 30-day notice) to meet eligibility requirements to maintain a group plan. Still does not pay the required health care premium (after being given a 31-day grace period and at least a 15-day notice).
	.		<ul style="list-style-type: none"> We decide to no longer offer the specific plan chosen by your employer (you'll get a 90-day advance notice). We decide to no longer offer any coverage in Virginia (you'll get a 180-day advance notice).
		.	You and your employer received a 30-day advance written notice that the coverage was being changed (services were added to your plan or the copays were lowered). Copays can be increased or services can be decreased only when it is time for your group to renew its coverage.

2. At the individual level, which affects you and covered family members, your plan can be:

Renewed	Canceled	When you
.		<ul style="list-style-type: none"> Stay eligible for your employer's coverage. Pay your share of the monthly payment (premium) for coverage. Don't commit fraud or misrepresent yourself.
	.	Give wrong information on purpose about yourself or your dependents when you enroll. Cancellation is effective immediately.
	.	<ul style="list-style-type: none"> Lose your eligibility for coverage. Don't make required payments or make bad payments. Commit fraud. Are guilty of gross misbehavior. Don't cooperate if we ask you to pay us back for benefits that were overpaid (coordination of benefits recoveries). Let others use your ID card. Use another member's ID card. File false claims with us. Your coverage will be canceled after you receive a written notice from us.

Special enrollment periods

In most cases, you're only allowed to enroll in your employer's health plan during certain eligibility periods, such as when it's first offered to you as a "new hire" or during your employer's open enrollment period, when employees can make changes to their benefits for an upcoming year.

But there can be other times when you may be eligible to enroll. For example, let's say the first time you were offered coverage, you stated in writing that you didn't want to enroll yourself, your spouse or your covered dependents because you had coverage through another carrier or group health plan. If you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents' other coverage) you may be able to enroll your family later. But you must ask to be enrolled within 30 days after your or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage).

Also, if you have a new dependent as a result of marriage, birth, adoption or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 30 days after the marriage, birth, adoption or placement for adoption.

Finally, a special enrollment period of 60 days will be allowed if:

- Your or your dependents' coverage under Medicaid or the State Children's Health Insurance Program (SCHIP) is terminated as a result of a loss of eligibility.
- You or your dependents become eligible for premium assistance under a state Medicaid or SCHIP plan.

To request special enrollment or get more information, contact your employer.

Factors used to set the price of health care coverage for employers with 51-99 employees:

- The plan selected by your employer
- Your employer's location
- The age and gender of each employee
- The number of enrolled employees
- The number of dependents enrolled by each enrollee
- The health status of the enrolled employees and their dependents
- Your employer's industry

When you're covered by more than one plan

If you're covered by two different group health plans, one is considered primary and the other is considered secondary. The primary plan is the first to pay a claim and reimburse according to plan allowances. The secondary plan then reimburses, usually covering the remaining allowable costs.

Determining the primary and secondary plans

See the chart below to learn which health plan is considered the primary plan. The term “participant” means the person who signed up for coverage:

When a person is covered by two group plans, and	Then	Primary	Secondary
One plan does not have a COB provision	The plan without COB is	.	
	The plan with COB is		.
The person is the participant under one plan and a dependent under the other	The plan covering the person as the participant is	.	
	The plan covering the person as a dependent is		.
The person is the participant in two active group plans	The plan that has been in effect longer is	.	
	The plan that has been in effect the shorter amount of time is		.
The person is an active employee on one plan and enrolled as a COBRA participant for another plan	The plan in which the participant is an active employee is	.	
	The COBRA plan is		.
The person is covered as a dependent child under both plans	The plan of the parent whose birthday occurs earlier in the calendar year (known as the birthday rule) is	.	
	The plan of the parent whose birthday is later in the calendar year is		.
	Note: When the parents have the same birthday, the plan that has been in effect longer is	.	
The person is covered as a dependent child and coverage is required by a court decree	The plan of the parent primarily responsible for health coverage under the court decree is	.	
	The plan of the other parent is		.
The person is covered as a dependent child and coverage is not stipulated in a court decree	The custodial parent's plan is	.	
	The noncustodial parent's plan is		.
The person is covered as a dependent child and the parents share joint custody	The plan of the parent whose birthday occurs earlier in the calendar year is	.	
	The plan of the parent whose birthday is later in the calendar year is		.
	Note: When the parents have the same birthday, the plan that has been in effect longer is	.	

How benefits apply if you're eligible for Medicare

Some people under age 65 are eligible for Medicare in addition to any other coverage they may have. The following chart shows how payment is coordinated under various scenarios:

When a person is covered by Medicare and a group plan, and	Then	Your plan is primary	Medicare is primary
Is qualified for Medicare coverage due solely to end-stage renal disease (ESRD-kidney failure)	During the 30-month Medicare entitlement period	.	
	Upon completion of the 30-month Medicare entitlement period		.
Is a disabled member who is allowed to maintain group enrollment as an active employee	If the group plan has more than 100 participants	.	
	If the group plan has fewer than 100 participants		.
Is the disabled spouse or dependent child of an active full-time employee	If the group plan has more than 100 participants	.	
	If the group plan has fewer than 100 participants		.
Is a person who becomes qualified for Medicare coverage due to ESRD after already being enrolled in Medicare due to a disability	If Medicare had been secondary to the group plan before ESRD entitlement	.	
	If Medicare had been primary to the group plan before ESRD entitlement		.

Recovering overpayments

If health care benefits are overpaid by mistake, we will ask for reimbursement for the overpayment. This is referred to as "coordination of benefits recoveries." We appreciate your help in the recovery process. We reserve the right to recover any overpayment from:

- Any person to or for whom the overpayments were made
- Any health care company
- Any other organization

Protecting your privacy

How we keep your information safe and secure

As a member, you have the right to expect us to protect your personal health information. We take this responsibility very seriously, following all state and federal laws, as well as our own policies.

You also have certain rights and responsibilities when receiving your healthcare. To understand how we protect your privacy, your rights and responsibilities when receiving healthcare, and your rights under the Women's Health and Cancer Rights Act, go to anthem.com/privacy. For a printed copy, please contact your Benefits Administrator or Human Resources representative.

How we help manage your care

To see if your health benefits will cover a treatment, procedure, hospital stay, or medicine, we use a process called utilization management (UM). Our UM team is made up of doctors and pharmacists who want to be sure you receive the best treatments for certain health conditions. They review the information your doctor sends us before, during, or after your treatment. We also use case managers. They're licensed healthcare professionals who work with you and your doctor to help you manage your health conditions. They also help you better understand your health benefits.

For additional information about how we help manage your care, go to anthem.com/memberrights. To request a printed copy, please contact your Benefits Administrator or Human Resources representative.

Special enrollment rights

Open enrollment usually happens once a year. That's the time you can choose a plan, enroll in it, or make changes to it. If you choose not to enroll, there are special cases when you're allowed to enroll during other times of the year.

- **If you had another health plan that was canceled.** If you, your dependents, or your spouse are no longer eligible for benefits with another health plan (or if the employer stops contributing to that health plan), you may be able to enroll with us. You must enroll within 31 days after the other health plan ends (or after the employer stops paying for the plan). For example: You and your family are enrolled through your spouse's health plan at work. Your spouse's employer stops

paying for health coverage. In this case, you and your spouse, as well as other dependents, may be able to enroll in one of our plans.

- **If you have a new dependent.** You gain new dependents from a life event, such as marriage, birth, adoption, or if you have custody of a minor and an adoption is pending. You must enroll within 31 days after the event. For example: If you marry, your new spouse and any new children may be able to enroll in a plan.
- **If your eligibility for Medicaid or SCHIP changes.** You have a special period of 60 days to enroll after:
 - You (or your eligible dependents) lose Medicaid or the State Children's Health Insurance Program (SCHIP) benefits because you're no longer eligible..
 - You (or eligible dependents) become eligible to receive help from Medicaid or SCHIP for paying part of the cost of a health plan with us.

Liberty University: Anthem KeyCare400 Medical Plan

The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. **NOTE: Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately. This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, <https://eoc.anthem.com/eocdps/aso>. For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other underlined terms, see the Glossary. You can view the Glossary at www.healthcare.gov/sbc-glossary/ or call (833) 363-1434 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	\$400/person or \$800/family for In- Network Providers . \$450/person or \$900/family for Non- Network Providers .	Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan , each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible .
Are there services covered before you meet your deductible?	Yes. Primary Care Specialist Visit Preventive Care for In- Network Providers . Tier 1 Tier 2 Tier 3 Tier 4 Prescription Drugs for In- Network and Non- Network Providers .	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible . See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other deductibles for specific services?	No.	You don't have to meet deductibles for specific services.
What is the out-of-pocket limit for this plan?	\$4,500/person or \$9,000/family for In- Network Providers . \$4,500/person or \$9,000/family for Non- Network Providers .	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan , they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.
What is not included in the out-of-pocket limit?	Premiums , balance-billing charges, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit .
Will you pay less if you use a network provider?	Yes, KeyCare. See www.anthem.com or call (833) 363-1434 for a list of network providers .	This plan uses a provider network . You will pay less if you use a provider in the plan's network . You will pay the most if you use an out-of-network provider , and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider .

		for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist?	No.	You can see the specialist you choose without a referral .

 All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.

Liberty University: HSA HDHP Plan

The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. **NOTE: Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately. This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, <https://eoc.anthem.com/eocdps/aso>. For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other underlined terms, see the Glossary. You can view the Glossary at www.healthcare.gov/sbc-glossary/ or call (833) 363-1434 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible ?	\$1,600/person or \$3,200/family for In- Network Providers . \$1,600/person or \$3,200/family for Non- Network Providers .	Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the policy, the overall family deductible must be met before the plan begins to pay.
Are there services covered before you meet your deductible ?	Yes. Preventive Care for In- Network Providers .	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible . See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other deductibles for specific services?	No.	You don't have to meet deductibles for specific services.
What is the out-of-pocket limit for this plan ?	\$2,500/person or \$5,000/family for In- Network Providers . \$3,000/person or \$6,000/family for Non- Network Providers .	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan, the overall family out-of-pocket limit must be met.
What is not included in the out-of-pocket limit ?	Premiums , balance-billing charges, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit .
Will you pay less if you use a network provider ?	Yes, KeyCare. See www.anthem.com or call (833) 363-1434 for a list of network providers .	This plan uses a provider network . You will pay less if you use a provider in the plan's network . You will pay the most if you use an out-of-network provider , and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist ?	No.	You can see the specialist you choose without a referral .

All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.

Common Medical Event	Services You May Need	What You Will Pay		Limitations, Exceptions, & Other Important Information
