

# How to Use the Turnitin Report

#### Introduction

In Canvas, the **TurnItIn Similarity Score** report shows a) the submission's plagiarism percentage, b) where in the submission the plagiarism occurs. To access this report, follow these steps:

#### How to Use the TurnItIn Report

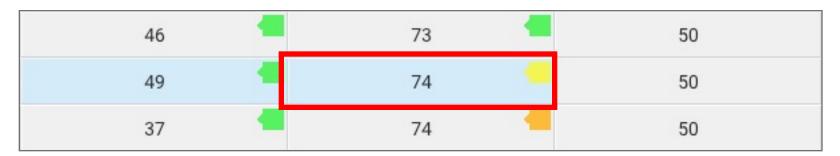

**Step 1:** Click on Grades from the course Menu on the left.

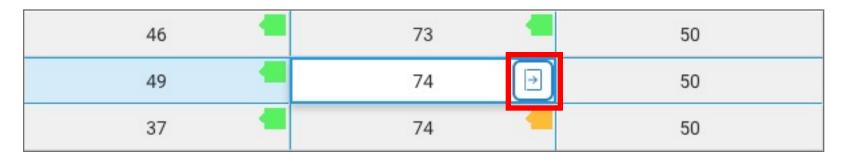

**Step 2:** Find the assignment for which you want to review the **TurnItIn Plagiarism Report**. Assignments that use **TurnItIn** will have the Similarity Score Icon next to submitted assignments in the Gradebook.

**Step 3:** Click on the assignment score.

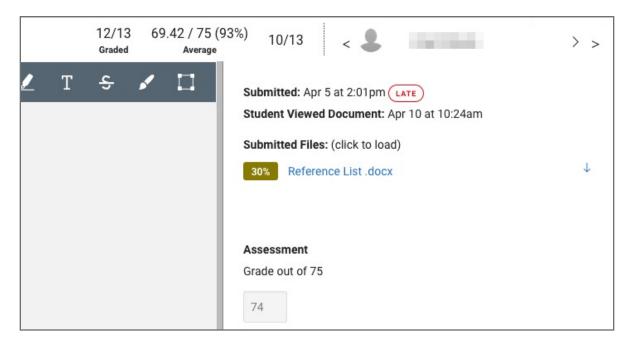

Then click on the arrow.

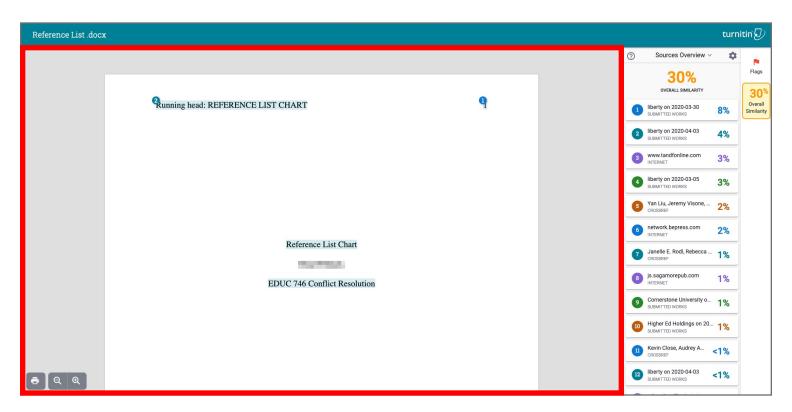

**Step 4: Click on SpeedGrader** from the pop out card.

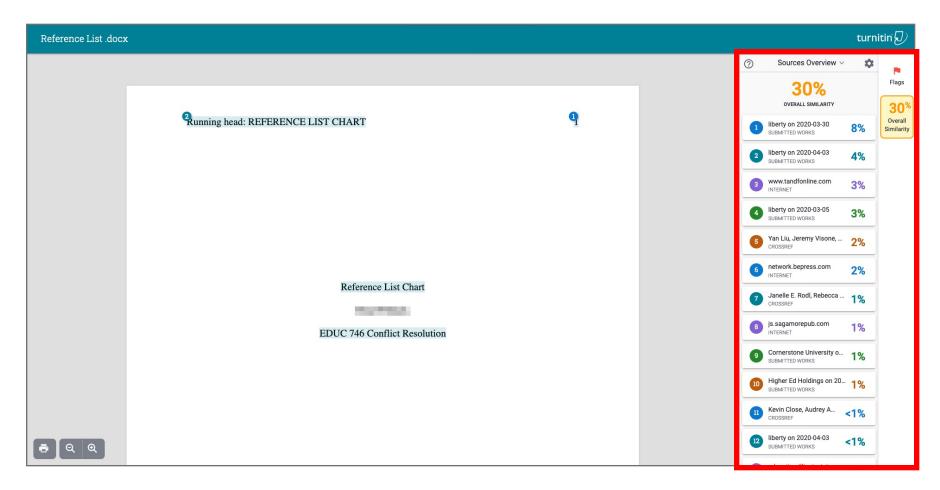

**Step 5:** Next to the student's submission will be the TurnItIn Similarity Score Report. **Click on the Score** to open the Report in a new tab.

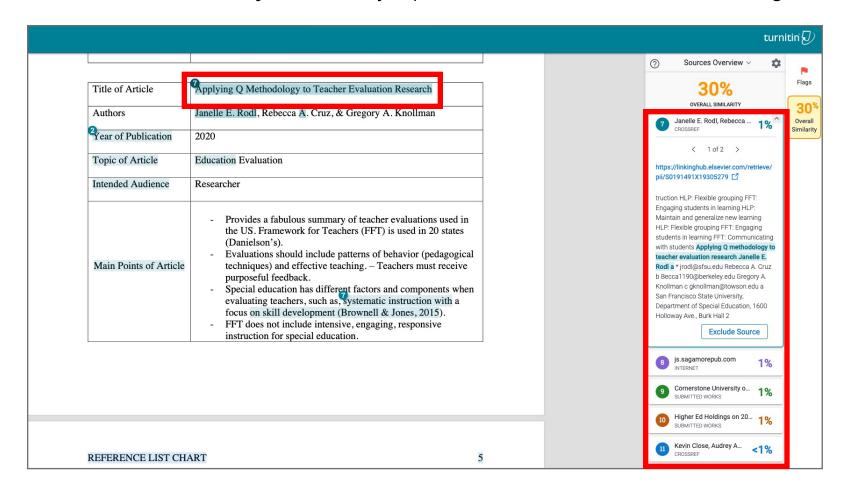

On the left side of the page is the submitted assignment.

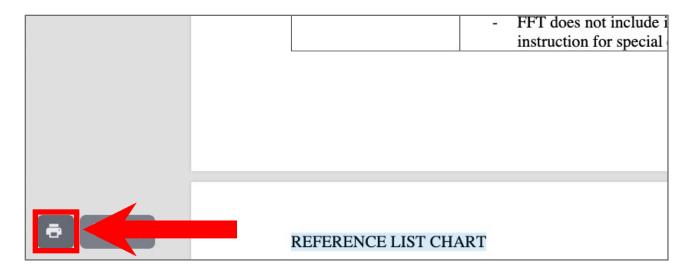

On the right side of the page, is the **Sources Overview**. Here you will be able to see each section that **TurnItIn** picked up as plagiarism.

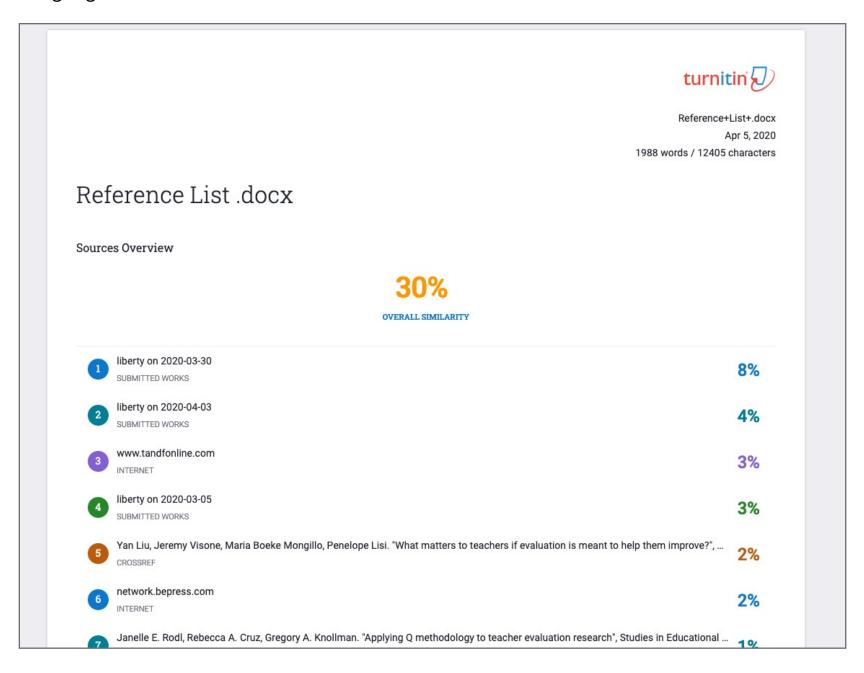

Click on one of the Similarity Sources to jump to that instance in the submitted assignment.

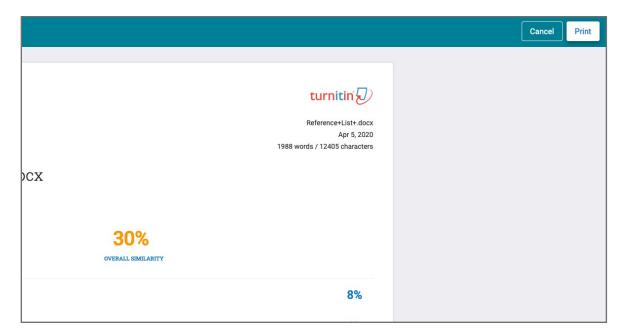

Step 6: Click on the Print Icon in the bottom left corner to prepare the document for printing.

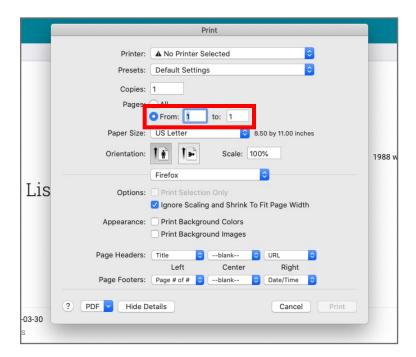

**Step 7:** Review the document before printing. The first page(s) will show the **Sources Overview**. The following pages will show the submitted assignment with the potentially plagiarized text highlighted.

**Step 8:** To print off just the report, take note of which pages the report is on then **click Print** in the top right corner.

**Step 9:** On the Print Dialogue box, under Pages, **select From** and set the pages to only print the pages that have the report on it.

Step 10: Click Print to print the document OR click on PDF to save the report as a PDF.
