Message from the President

Liberty University, founded in 1971, is the largest private, nonprofit four-year college in the nation, the largest university in Virginia, and the largest Christian university in the world.

You have an opportunity to be part of this exciting university! We invite you to join our 13,000 students studying on our Lynchburg, Va., campus or more than 90,000 taking online courses from around the world — all training to be Champions for Christ.

Liberty now offers more than 300 unique programs of study. All of our courses are taught from a biblical worldview and designed in line with our mission to develop Christ-centered men and women with the values, knowledge, and skills essential to impact tomorrow’s world. Every faculty member is a professing Christian who believes that teaching is a calling, not just a job.

We are in the midst of rebuilding our campus and adding many state-of-the-art facilities to support our academic programs. Classrooms are equipped with cutting-edge technology to ensure that students are exposed to the latest advancements in their fields.

While a spiritual focus and quality academics remain our top priorities, Liberty also offers 20 NCAA Division I athletic teams, 32 club sport teams, and a large variety of student activities, intramural sports, and recreational opportunities that you will not find at any other Christian college.

I invite you to explore our courses and learn more about how Liberty can help prepare you for the career you have dreamed of, and one in which you can make a real difference in this world.

Jerry Falwell
President
Message from the Provost

Many adjectives might serve to describe Liberty in its fourth decade. To many we are huge and our story is exciting. People everywhere marvel at our rapid growth and our ascendance to a position of leadership in Christian higher education. The comprehensive rebuilding and refreshment of our school under the leadership of our President has produced a beautiful and functional campus beyond the dreams of our founder and those of us who came to serve alongside of him. Newly constructed, state-of-the-art educational facilities, attractive dorms, and an abundance of recreational facilities provide an unparalleled opportunity for students desiring a Christ-centered education to pursue their dreams in a context that is as modern and filled with opportunities as many of the finest state universities.

Liberty University students study and conduct research in the new Jerry Falwell Library with its state-of-the-art robotic retrieval system, abundant group study rooms, and outstanding print and electronic resources. Biology, chemistry, health sciences and pre-med students attend classes and conduct their research in our new 200,000 square foot science building with state-of-the-art labs and classrooms. Music students are challenged to the highest level of excellence as they study and perform in a new music and performing arts center that provides an atmosphere that helps to inspire their pursuit of excellence for the glory of God. Nursing, medical and engineering students study and learn in new facilities equipped with the most modern SIMS and labs and are fully prepared for graduate school, employment, and excellence in service as they take their next step. Liberty’s approach to cultural engagement has contributed to the development of academic programs connected to real life experiences in cinematic arts, theater, studio and digital arts, and a host of other degree programs that are offered through the newly expanded School of Communication and Creative Arts. The Center for Apologetics and Cultural Engagement teaches students how to engage culture and address the biblical, theological, and philosophical questions of today’s world from a distinctively Christian worldview.

World class facilities are important and necessary, but the most important resource contributing to Liberty’s expanding reputation for excellence is the Liberty faculty. Seventy percent of our faculty have earned doctoral degrees, many from the top schools in America and around the world. More importantly they share our President’s commitment to the creed that “If it’s Christian it ought to be better.” Liberty University faculty love their disciplines, love teaching and love their students. Liberty faculty are united in the belief that God has called them to serve Him in this place and that every student has been created by God, bears His image, and is gifted by God to serve a particular purpose in His world. Education at Liberty is a dynamic partnership in which the Creator God, the student, and the faculty are joined in the common resolve to acquire and demonstrate the knowledge, values and skills required for serving with excellence in their callings.

As I close these words of introduction, I want to point out another element that is at the heart of what makes Liberty unique in the world of higher education. Our resolve to create “Champions for Christ” is achievable because administration and faculty are committed to the ongoing preservation of an environment where the Holy Spirit has the freedom to work in our classrooms, in our uplifting convocations held at least twice a week, and in the conversations and service of Liberty students. As an academic community, we are united in the belief that through reliance upon the Spirit of God, obedience to the scriptures and the diligent pursuit of academic excellence, we are able to produce “Champions for Christ” to serve in our contemporary culture. I invite you to view this catalog and come and see what God is doing!

MOTTO
“Knowledge Aflame”

DISTINCTIVENESS
Liberty University was originally formed under the auspices of Thomas Road Baptist Church. Liberty is distinctive among Christian colleges because resident students use Thomas Road Baptist Church, other local church ministries, and community service groups as a laboratory for practical application of what they learn in the classroom. While this practice is not logistically or philosophically possible for students in the online programs, Liberty University Online uses its curriculum and advising to encourage spiritual, moral and ethical development in the student body.

SYMBOLS
The University Seal, a symbol of the administrative authority of the University, depicts Thomas Road Baptist Church aflame with the fire of the Gospel, against the background of an open Bible. The flame within the Seal depicts the motto, “Knowledge Aflame,” and evokes the University’s guiding philosophy—that knowledge has validity only when viewed in the light of Biblical Truth. The Seal’s octagonal border reflects the Jeffersonian architecture of the building which first housed the University.

The Mace is a symbol of administrative authority, a symbol of continuity as the institution pursues its enduring mission, and a witness of institutional heritage.

The Eagle symbol refers to the soaring spirit of achievement the University seeks to inspire in its students, and to the patriotic spirit of the University. The school colors are blue, red, and white. The school verse is II Corinthians 3:17. “... where the Spirit of the Lord is, there is liberty.”

The Eaglehead/Liberty University Logo is symbolic of the athletic teams of the University. The name for all male sports teams is “The Flames”; all female sports teams are referred to as “The Lady Flames.” The Flames Mascot is an eagle named “Sparky.”

Liberty University Graduate Catalog – 2015-2016
Liberty University was incorporated in the State of Virginia on January 18, 1972. It has operated under the same ownership since that time and has remained in good standing with the U.S. Department of Education and its accrediting body. Liberty University is an exempt institution.

SHEV has limited or no regulatory authority over institutions exempt from certification. Before enrolling in any institution in the Commonwealth of Virginia, students are encouraged to determine the school’s regulatory relationship with SHEV or other state regulatory agencies. Certain consumer protection provisions required by certified schools are not present at or required by exempt institutions.

The exemption entitles Liberty University to conduct academic affairs or business without seeking or obtaining SHEV approval. The resulting scope of the institutional autonomy includes:

- Offering courses or programs for degree credit;
- Enrolling students in courses or programs;
- Conferring or awarding degrees;
- Initiating other programs for degree credit at a new or additional level; and
- Offering instruction at additional or new locations.

Additional information regarding exempt institutions is available at http://www.schev.edu/students/PrivateExempt.asp.

**Doctrinal Position**

We affirm our belief in one God, infinite Spirit, Creator, and Sustainer of all things, who exists eternally in three persons, God the Father, God the Son, and God the Holy Spirit. These three are one in essence but distinct in person and function.

We affirm that the Father is the first person of the Trinity, and the source of all that God is and does. From Him the Son is eternally generated, and from Them, the Spirit eternally proceeds. He is the designer of creation, the speaker of revelation, the author of redemption, and the sovereign of history.

We affirm that the Lord Jesus Christ is the second person of the Trinity. Eternally begotten from the Father, He is God. He was conceived by the virgin Mary through a miracle of the Holy Spirit. He lives forever as perfect God and perfect man, two distinct natures inseparably united in one person.

We affirm that the Holy Spirit is the third person of the Trinity, proceeding from the Father and the Son, and equal in deity. He is the giver of all life, active in the creating and ordering of the universe; He is the agent of inspiration and the new birth; He restrains sin and Satan; and He indwells and sanctifies all believers.

We affirm that all things were created by God. Angels were created as ministering agents, though some, under the leadership of Satan, fell from their sinless state to become agents of evil. The universe was created in six historical days and is continuously sustained by God; thus it both reflects His glory and reveals His truth. Human beings were directly created, not evolved, in the very image of God. As reasoning moral agents, they are responsible under God for understanding and governing themselves and the world.

We affirm that the Bible, both Old and New Testaments, though written by men, was supernaturally inspired by God so that all its words are the written true revelation of God; it is therefore inerrant in the originals and authoritative in all matters. It is to be understood by all through the illumination of the Holy Spirit, its meaning determined by the historical, grammatical, and literary use of the author’s language, comparing Scripture with Scripture.

We affirm that Adam, the first man, willfully disobeyed God, bringing sin and death into the world. As a result, all persons are sinners from conception, which is evidenced in their willful acts of sin; and they are therefore subject to eternal punishment, under the just condemnation of a holy God.

We affirm that Jesus Christ offered Himself as a sacrifice by the appointment of the Father. He fulfilled the demands of God by His obedient life, died on the cross in full substitution and payment for the sins of all, was buried, and on the third day He arose physically and bodily from the dead. He ascended into heaven where He now intercedes for all believers.

We affirm that each person can be saved only through the work of Jesus Christ, through repentance of sin and by faith alone in Him as Savior. The believer is declared righteous, born again by the Holy Spirit, turned from sin, and assured of heaven.
We affirm that the Holy Spirit indwells all who are born again, conforming them to the likeness of Jesus Christ. This is a process completed only in Heaven. Every believer is responsible to live in obedience to the Word of God in separation from sin.

We affirm that a church is a local assembly of baptized believers, under the discipline of the Word of God and the lordship of Christ, organized to carry out the commission to evangelize, to teach, and to administer the ordinances of believer’s baptism and the Lord’s table. Its offices are pastors and deacons, and it is self-governing. It functions through the ministry of gifts given by the Holy Spirit to each believer.

We affirm that the return of Christ for all believers is imminent. It will be followed by seven years of great tribulation, and then the coming of Christ to establish His earthly kingdom for a thousand years. The unsaved will then be raised and judged according to their works and separated forever from God in hell. The saved, having been raised, will live forever in Heaven in fellowship with God.

**Philosophy of Education**

Liberty University is a Christian academic community in the tradition of evangelical institutions of higher education. As such, Liberty continues the philosophy of education which first gave rise to the university, and which is summarized in the following propositions.

- God, the infinite source of all things, has shown us truth through scripture, nature, history, and above all, in Christ.
- Persons are spiritual, rational, moral, social, and physical, created in the image of God. They are, therefore, able to know and to value themselves and other persons, the universe, and God.
- Education as the process of teaching and learning, involves the whole person, by developing the knowledge, values, and skills which enable each individual to change freely. Thus it occurs most effectively when both instructor and student are properly related to God and each other through Christ.

**Statement of Mission and Purpose**

Maintaining the vision of the founder, Dr. Jerry Falwell, Liberty University develops Christ-centered men and women with the values, knowledge, and skills essential to impact the world.

Through its residential and online programs, services, facilities, and collaborations, the University educates men and women who will make important contributions to their workplaces and communities, follow their chosen vocations as callings to glorify God, and fulfill the Great Commission.

Liberty University will:

1. Emphasize excellence in teaching and learning.
2. Foster university-level competencies in communication, critical thinking, information literacy, and mathematics in all undergraduate programs.
3. Ensure competency in scholarship, research, and professional communication in all graduate programs and undergraduate programs where appropriate.
4. Promote the synthesis of academic knowledge and Christian worldview in order that there might be a maturing of spiritual, intellectual, social and physical value-driven behavior.
5. Enable students to engage in a major field of study in career-focused disciplines built on a solid foundation in the liberal arts.
6. Promote an understanding of the Western tradition and the diverse elements of American cultural history, especially the importance of the individual in maintaining democratic and free market processes.
7. Contribute to a knowledge and understanding of other cultures and of international events.

8. Encourage a commitment to the Christian life, one of personal integrity, sensitivity to the needs of others, social responsibility and active communication of the Christian faith, and, as it is lived out, a life that leads people to Jesus Christ as the Lord of the universe and their own personal Savior.

Approved by the Board of Trustees, March 7, 2014

**Statement on Worldview**

Liberty University embraces a worldview that is both historically Christian and biblical, and that underlies the very concept and origins of the university. We hold that God exists and is the source of all things, all truth, all knowledge, all value, and all wisdom. We hold that God has created an orderly universe according to His design and purpose and for His glory, and that He has created human beings in His image. God is actively at work in the world and history, governing them according to His ultimate purpose. From these foundational principles, it follows that truth exists and that there is a standard of right and wrong. We hold that all of creation is fallen as a result of human sin. Finally, we hold that God has revealed Himself and His ways in the natural created order, in history, in the Bible, and supremely in Jesus Christ. God in love and through the sacrificial work of Jesus Christ is redeeming humans and the entire created order.

At Liberty University, students receive an education that integrates this Christian and biblical worldview. Students trained with this worldview perspective will be equipped with a rational framework for understanding and interpreting reality, for comprehending the meaning of life and the value of humans and things, for making decisions and engaging in meaningful action, for studying the various academic disciplines, and for understanding the interconnectedness of all knowledge.

**Statement of Student Rights and Responsibilities**

**STUDENT RIGHTS**

Liberty University is a Christian academic community in the tradition of evangelical institutions of higher education. As such, Liberty continues the philosophy of education which first gave rise to the university, and which logically implies the following statement of student rights.

- The Right to TRUTH. God, the infinite source of all things, has shown us truth through scripture, nature, history, and above all, in Christ.
- The Right to HUMAN DIGNITY. Persons are spiritual, rational, moral, social, and physical, created in the image of God. They are, therefore, able to know and to value themselves and other persons, the universe, and God.
- The Right to GROWTH IN COMMUNITY. Education as the process of teaching and learning, involves the whole person, by developing the knowledge, values, and skills which enable each individual to change freely. Thus it occurs most effectively when both instructor and student are properly related to God and each other through Christ.

**STUDENT RESPONSIBILITIES**

As members of the university community, all students have the responsibility to act in a manner consistent with the spirit of the principles articulated in Scripture. Furthermore, all students have the responsibility to know and follow the university conduct regulations contained in the Codes of Conduct appropriate for their academic level. By adhering to these principles and standards of conduct students can enjoy their own rights while also respecting the rights of others.

The library provides access to more than 400 online research resources.

The computing resources within the library consist of 160 computers housed in a computer learning commons and at stand-up stations throughout the facility. With the exception of machines reserved for library catalog searching, all library computers are pre-loaded with a variety of software titles available for student use, including Microsoft®, Adobe Creative®, Suite, Mathematica, and SPSS.

All library computers have a high-speed connection to the Internet. In addition, wireless network signal is available throughout the facility, allowing laptop computer users to access the full array of network resources.

JERRY FAWLWELL MEMORIAL GARDEN
In May 2007, Dr. Jerry Falwell, “Godly Father, Husband, Grandfather, Pastor, Christian Educator,” as well as Co-founder, President, and Chancellor of Liberty University, went home to be with the Lord. Located in front of Montview, the Carter Glass Mansion, the oval-shaped burial garden contains an eternal flame, a fountain and sidewalks that lead to Dr. Falwell’s grave. Also located in the garden, are benches where students can study or reflect, and where visitors, who want to visit the site, can pause to reflect on the life and legacy of Dr. Falwell.

JERRY FAWLWELL MUSEUM
Adjacent to the Grand Lobby is the Jerry Falwell Museum, presented and dedicated to Dr. Falwell at his seventieth birthday celebration. This museum was created to preserve and highlight the life and ministry of Liberty’s Founder/Chancellor/President. The Museum contains the history of the Falwell family and includes displays and historical documents chronicling each of the ministries.

KAMPHUIS FIELD AT LIBERTY SOFTBALL STADIUM
Constructed in 2015, Liberty’s new softball stadium was built on the site of the old baseball stadium. This facility features 1,000 chair back seats; home, visiting, and umpires’ locker rooms; an expansive athletic training room; a state-of-the-art team meeting room; coaches’ offices; a large press box; indoor batting cages; and a large scoreboard and video board. The NCAA-regulation field has an AstroTurf outfield and a special dirt infield that has been treated to repel moisture.

LAHAYE ICE CENTER
The LaHaye Ice Center opened in December 2005. The state-of-the-art facility is used by the Liberty University hockey team, students, and the public. Upgrades to the Ice Center in 2008 include a Chancellor’s suite and two business suites, a conference room donated by Pete and Cindy Chamberland, and a new public locker room. This facility is named in honor of Tim and Beverly LaHaye, generous supporters and members of the Liberty University Board of Trustees.

In March 2015, renovations began for a major expansion of the LaHaye Ice Center. The front and sides of the building were expanded to allow for seating for 2,600 spectators, more than doubling the previous capacity. Plans include 500 chair back seats, plus 10 overhead suites and standing-room-only areas around a second-floor concourse. Two additional concessions areas will be available on the second level. The weight room and conference room will move to the main floor, and significant upgrades will be
made to the athletic training room as well as to the locker rooms, coaches’ rooms, and Club Sports offices.

**LAHAYE STUDENT UNION**

The LaHaye Student Union opened in November 2004. This state-of-the-art facility houses an intercollegiate-size swimming pool, five basketball courts, fitness center, locker rooms, a food court, lounge areas, meeting rooms, and offices. This facility is named in honor of Tim and Beverly LaHaye, generous supporters and former members of the Board of Trustees.

In 2014, the LaHaye Student Union received a 66,000-square-foot expansion, with another 19,000 square feet of renovations to existing space. This included a new Student Activities event space. Outfitted with new exercise equipment and more multipurpose rooms, as well as a 40-foot rock-climbing wall, the building is designed to serve the exercise needs of Liberty students, faculty, and staff. The center serves as the sole access point for the union’s other recreational spaces, including the Aquatics Center, Thomas Indoor Soccer Center, and the LaHaye Multipurpose Center.

The Multi-Purpose Center, originally constructed in 1979, was named the Earl H. Schilling Center in 1995 in honor of Earl and Anne Schilling, long-time donors to the ministry who established a multi-million dollar trust to provide scholarships for training pastors, missionaries, evangelists, and full-time Christian workers. The Schilling Center was relocated to the LaHaye Student Union in August 2012, and is used for physical education classes, and several courts for basketball and volleyball.

The Tilley Student Center opened in September 2008. Adjacent to the LaHaye Student Union, the Student Center provides additional space for student social interaction, dining, and activities. During 2013 and 2014, renovations were made to support additional dining and seating in the Tilley Food Court. Today the food court had over 350 seats and has 7 retail locations including a Chick-Fil-A.

The Thomas Indoor Soccer Center opened in May 2009. The Thomas Center is comprised of two turf fields partially surrounded by transparent walls and netting. The facility also features a spectator section, multiple televisions and wireless capability.

**LIBERTY MOUNTAIN CONFERENCE CENTER**

Located adjacent to Green Hall, the Liberty Mountain Conference Center held its grand opening in June 2011. This facility is more than 13,000-square feet, has a maximum occupancy of 400, and consists of two 125-seat rooms and six 24-seat rooms. The facility is Wi-Fi enabled and each room has monitor projection systems.

**LIBERTY MOUNTAIN INTRAMURAL SPORTS COMPLEX**

The newest recreational facility was completed on East Campus in fall 2012. It consists of four distinct areas. A 220,000 square foot, multi-purpose turf area is home to flag football, softball and ultimate Frisbee. A natural grass, recreational softball field sits next to the turf area. Due to the enormous popularity of the sand volleyball courts built in spring semester 2012, four additional courts were added to make a total of eight courts at Liberty University.

Also part of the complex is a sand training area known as “The Patch,” a large sand pit and training course similar to those used by Navy SEALs at the Naval Special Warfare Center in Coronado, CA.

**LIBERTY MOUNTAIN SNOWFLEX® CENTRE**

Snowflex® is a multi-layer, synthetic material that uses small misting devices to provide moisture that simulates the slip and grip effects of real snow, allowing maximum speed and edge control for making turns. The Liberty Mountain Snowflex Centre, opened in August 2009, consists of two main distinct ski runs. This includes a beginner slope, intermediate slope, advanced slope, terrain park, 325- and 500-foot tubing runs, and gravity park for air awareness training. The 550-foot terrain run has three jumps with a quarter pipe at the bottom, and a 550-foot ski slope with multiple rail features for all levels.

The Barrick-Falwell Ski Lodge, incorporates the look and feel of a mountain chalet complete with a wildlife trophy collection donated by Dr. Al Barrick, houses the ticketing and rental area on the lower level. Visitors can enjoy concessions and a scenic view of the ski slope and campus from the second level. The Liberty Mountain Snowflex Centre is open year-round for University and public access.

**LIBERTY UNIVERSITY BASEBALL STADIUM**

Opened in February 2013, the Liberty Baseball Stadium features 2,500 chair back seats, with additional seating available on grass areas down the first- and third-base lines. The complex features three VIP suites, a spectator picnic area with a playground and fire pit, and a modern media area. The stadium’s media space accommodates up to 40 media members, with a 24-seat press box, a television booth, visitor and home radio booths, an operations suite, and storage space.

The facility has a turf playing surface, along with full-length, major-league style dugouts, and areas for concessions and ticketing. I complex is the operations center for Liberty baseball, housing the program’s offices and team room overlooking the playing field. Four indoor batting tunnels and a weight room are included.

**LIBERTY UNIVERSITY BOOKSTORE**

Completed in May 2009, Barnes and Noble opened a free-standing campus bookstore located adjacent to Williams Stadium on University Blvd.

**LIBERTY UNIVERSITY MONOGRAM**

Placed high on the side of Liberty Mountain, beckoning students, alumni, and visitors to Lynchburg and Liberty University is a new landmark, the Liberty University Monogram. The monogram covers three acres, and was made using over two hundred tons of stone, white gabion and red brick chips. Twelve hundred plants are strategically placed to make up the letters. Directly above the Monogram, on top of the mountain, sits a white gazebo that offers magnificent views of the city and surrounding areas, and a place to rest after hiking, biking or running on the thirty miles of trails that cover the mountain.

**LIBERTY UNIVERSITY RESIDENTIAL ANNEX**

Located off Route 29 on Odd Fellows Road, two former hotel properties comprise the Liberty University Residential Annex. The Residential Annex II (formerly the Quality Inn) was converted to Graduate Housing in the summer of 2015. Units were available beginning in fall 2015. These units include studio and one- and two-bedroom apartments designed for single or married graduate students. All units are furnished with a full kitchen and bath. On-site amenities include a fitness center, pool, and laundry facilities. The facility is serviced by a dedicated bus route throughout the academic year.

**LUURTSEMA CENTER**

Completed in August 2010, this 5,000 square foot, two-floor center was named after William and Wanda Luurtsema, who provided a generous donation to the project. The building includes offices for the men’s and women’s soccer, track and field, swimming, and lacrosse programs. In addition to offices, the
building also contains four locker rooms, a training room, a laundry area and team rooms.

The Liberty Women’s Soccer locker room was provided by a generous donation from the Tyson family, relatives of former Liberty women’s soccer player Brittany Tyson.

**MATTHES–HOPKINS OUTDOOR TRACK COMPLEX**

In 1989, a first-rate outdoor track was completed in honor of Jake Matthes, Liberty’s first track coach, and Ron Hopkins, the first women’s track coach. The facility includes an eight-lane, 400 meter polyurethane track as well as four long jump/triple jump pits, three pole vault runways, a high jump apron, two javelin runways, two shot put rings and a hammer/discus cage.

Expanded and renovated in fall 2009, the soccer and outdoor track and field facility was named Osborne Stadium for Liberty alumni, Richard and Karin Osborne, who gave the lead donation for the complex project. Improvements to the facility include 1,000 chair back seats, press box, 5,000 square-foot Soccer and Track Operations Center, scoreboard, and brick and wrought iron fencing.

**“MONTVIEW” CARTER GLASS MANSION**

Montview Mansion, listed on the National Register of Historic Places in 1987, is one of two original buildings still remaining on the campus, and overlooks a beautiful view of the Blue Ridge Mountains. Built in 1923, it is also known as the Carter-Glass Mansion, the home of Senator Carter Glass, Secretary of the Treasury under Woodrow Wilson, and his wife.

Following the passing of Dr. Jerry Falwell, Montview was restored to how it might have looked during the 1920s – 1940s. Dr. Falwell’s Chancellor’s Office has been left exactly as it was the day he passed away. Visitors can also see his conference room which serves as a small museum illustrating the life of Dr. Falwell.

The Senator’s home office has been restored and the upstairs bedrooms each with its own bath have been restored. Additional first floor rooms are used for receptions, meetings and luncheons.

In Fall 2009, a marble mantle that was in the U.S. Capitol, and which was also in the Carter-Glass Mansion in the 1920s was returned to Montview. It is now at home in the Mansion's dining room.

Montview Mansion is open to the public and tours are given daily from 8:00 AM to 5:00 PM and by appointment on the weekends. Tours can be scheduled by calling 434-582-7678.

**MORRIS CAMPUS COMMUNITY FARM**

Located on Sunnymead Road, a 15-acre community garden with two greenhouses was presented as an idea in spring 2012 and came to fruition in spring 2013. With the addition of livestock and significant acreage, the Morris Campus Garden became the Morris Campus Community Farm in 2015. The farm added an in-vessel composter for use in the garden that utilizes food waste from the dining hall, as well as manure from the Equestrian Center. A variety of seasonal crops grow in the garden. The garden donates most of its crops to local charities and the Reber-Thomas Dining Hall.

**PAINTBALL BATTLEFIELD**

Located at East Campus, the complex consists of two fields with a retractable netting system made with a protective mesh.

**PARKING GARAGE ON REGENTS PARKWAY**

In 2014, a five-level, 1,400-space parking garage opened near the vehicular tunnel.

**R. C. WORLEY PRAYER CHAPEL**

The R. C. Worley Prayer Chapel was built in 1981 and named in memory of Mr. Worley, a great prayer warrior, soul winner, and member of Thomas Road Baptist Church. Known for his humility, Mr. Worley often said, “I am just a clay vessel that God uses.”

A Liberty University landmark, the chapel is used daily and serves as a quiet place for prayer, ministry meetings and small weddings.

In 2014, the Worley Prayer Chapel underwent an expansion and major interior renovation. The front of the building was extended, allowing for bathrooms in the foyer. The stage was rebuilt and new lighting and audio systems were added. Other interior enhancements were made to the ceilings, floors, and custom stained-glass windows were also added. Exterior changes included new siding, landscaping, brick stairs, and a new walkway.

**REBER–THOMAS DINING HALL**

Renovations in 2007 and 2008, have significantly improved this building originally constructed more than 15 years ago. Students enjoy meals in this “totally renovated, state-of-the-art student restaurant” that has a stunning design and edgy style with track lighting, booths, benches, new flooring and a new atrium. It features favorite cuisines including, Italian and Mexican items as well as a salads for the health-conscious individual, and home-style meals just like “mom used to make”. This building includes an Executive Dining Room for administrative and faculty functions. In 2011, a wing for catering and expanded food storage was added. Bistro ’71, a grab-and-go location was also added adjacent to the dining hall.

In 2014, the dining hall was redesigned to increase the number of dining stations from nine to 17, each with at least two entry points for customers.

**RESIDENTIAL COMMONS I**

Liberty’s first high-rise residence hall opened in fall 2014. The nine-story facility provides housing for over 1,200 students. Each bedroom has two beds and a private bathroom, and each floor features large common areas for socializing or studying, as well as a laundry room. The residence hall has two wings (one for females, one for males) with coed common areas located at the center. These areas provide the luxury of a living room with comfortable seating, booths, and televisions capable of connecting to computers or game consoles.

**RESIDENTIAL COMMONS II**

Similar in design to Residential Commons I, this second high-rise residence hall opened in fall 2015 and houses just over 1,000 students. Each floor has common areas for studying, meetings, and social events.

**RIVER RIDGE FACILITY**

Acquired in 2013, the River Ridge Facility was formerly the Sears building in the River Ridge Mall. The 112,000 square-foot building, with 700 parking spaces, will be used in the short term to house Liberty’s non-academic departments, such as: Liberty University Online Call Center, Financial Aid Call Center, Resident Enrollment, ROTC Indoor Drill Field, and some Information Technology departments, freeing up space for several academic departments to relocate while buildings are demolished and new facilities are built. The space also includes a television studio for the Liberty Flames Sports Network.

**SCIENCE HALL**

The Science Hall was the first building erected on Liberty Mountain in 1977. As connoted by its name, the Science Hall houses science classrooms and labs for biology, chemistry, family and consumer sciences, physical science, and physics.

Students and faculty of the rapidly expanding Department of Biology and Chemistry, as well as the Department of Health...
Professions, moved into the new Science Hall in spring 2015. The four-story, 121,000-square-foot building is triple the size of the previous science building. New equipment and technology for the Biology and Chemistry Department includes a gene sequencer, GC mass spectrometer, and a nuclear magnetic resonance spectrometer. Students have access to 20 biology and chemistry “wet” labs (where chemicals or biological matter are handled in liquid solutions), including a cadaver lab, cell-culture facility, several research labs, and additional open labs.

THE SPORTS RACKET
Donated to Liberty University in March 2011 by the Cook family, The Sports Racket gives Liberty top-notch facilities for both indoor and outdoor play just 15 minutes from campus. Located at 118 Davis Cup Road in Lynchburg, the facility has five indoor tennis courts, five racquetball courts, five outdoor tennis courts, a gym with several treadmills and weight equipment. The facility is home to the Liberty University Racquetball Team Club.

(OLD) THOMAS ROAD BAPTIST CHURCH
In 2012, Liberty University purchased the site of the former Thomas Road Baptist Church (TRBC), the original birthplace of Liberty University. Liberty University Baptist Theological Seminary and the Center for Counseling and Family Studies have been temporarily relocated to this site during campus construction projects. The Center for Curriculum Development is also located at this site. Renovations are currently taking place, including restoring four areas once used as sanctuaries, to their original state.

Also included in the purchase was the Old Pate Chapel which was renovated in 2014. Renovations included all new carpet, new upholstery in the dressing rooms, new paint, and a new roof, as well as plaster repairs. The primary use of the Old Pate Chapel is for weddings. Another building, The Bottling Co., also was also renovated. Upgrades included a new sound system, dimmable lighting, two electric fireplaces, and screen projectors. A section of the building was refurbished with two restrooms and a large catering kitchen. The primary use of The Bottling Co. is for wedding receptions. It is also available for other special events such as formal banquets.

TOLSMIA INDOOR TRACK AND CONFERENCE CENTER
The Tolsma Indoor Track and Conference Center is located in Green Hall. The Center features a flat 200-meter Mondo surface. It has a wide radius, a four-lane oval and an eight-lane, 60-meter straightway. Located inside of the complex are two long/triple jump runways, a pole vault runway and a high jump apron, with all the apparatuses being permanent and having a Mondo surface. The FinishLynx Timing System greatly increases the ability to host high level meets at the facility. The Center will also serve as a conference and convention center.

TOWER THEATER
Located in Green Hall, the Tower Theater was completed in July 2010. This contemporary-style 640-seat theater consists of balcony seating, an orchestra pit, catwalks, a fly tower, a box office and 12,000 square feet of support area that includes dressing rooms, a practice room, offices, costume shop, prop room and woodworking and scene shops.

VEHICULAR TUNNEL
In 2014, a four-lane tunnel was constructed under the railroad tracks on the west side of campus connecting Regents Parkway, Liberty’s perimeter road. The addition of the vehicular tunnel improved traffic flow on campus and eased congestion on Wards Road, the city’s retail corridor.

VINES CENTER
Built in 1990, this 8,500-seat, silver-domed Lynchburg landmark, also known as “The Furnace,” became the home of the Flames basketball teams. It is also the location of weekly convocation services, and several large conference and concert events each year.

In 2012, a new center-hung video scoreboard was installed. The four-sided board contains four LED high-definition video displays, each approximately 9 feet high and 16 feet wide.

VINES PRACTICE FACILITY
A new men’s and women’s Basketball Practice Facility was completed in spring 2013. Located behind the Vines Center, this facility features three courts and sixteen goals.

LIBERTY UNIVERSITY ONLINE

Liberty University Online

MISSION

The mission of Liberty University Online is to provide Liberty University courses and programs through non-traditional delivery systems. While Liberty University Online and residential course offerings may differ due to distinctions in student profiles and methodologies of instruction, the residential and Liberty University Online courses and programs are comparable in range, goals and purpose.

HISTORY

Founded in 1985, as the Liberty University School of Lifelong Learning (LUSLL), the distance learning program was designed to bring an accredited University program to non-traditional learners at home, military personnel, and Christian school teachers seeking certification from the Association of Christian Schools International (ACSI). The courses were adapted from those offered on the University campus and the initial programs offered were the A.A. in Religion, B.S. in Church Ministries, and M.A. in Counseling.

The initial goal to provide quality Christian education to students around the world has remained intact. Currently, Liberty University Online serves over 90,000 students across the globe in degree programs ranging from certificate programs, diploma programs in Biblical Studies to doctoral programs in Business, Counseling, Education and the Seminary.

Using innovative methods, students can take classes without having to relocate. The same quality courses that are offered on the Lynchburg campus are made available to our Liberty University Online students in the convenience of their own homes. Courses are also offered in an intensive format a number of times throughout the year.

INSTRUCTIONAL DELIVERY METHODS

Liberty University Online offers its courses through several delivery methods. The University has adopted Blackboard®, an online software platform, as its primary delivery method. Students can access individual lessons, have interaction with other students taking the same course, utilize links to online resources, view supplemental streaming video clips, and receive direct feedback from their professors using this innovative means of delivery. Students may also be required to purchase video tapes or DVDs for select courses. Video, printed, and online learning tools help ensure that students have a learning opportunity available to them that equals or surpasses the traditional classroom model.

STRUCTURE

Currently, Liberty University Online offers courses in an eight-week format with multiple entry dates throughout the year (see academic calendar). Some courses are offered in a 14- to 17-week format (with one entry date per semester) in which students may enroll at the beginning of each term. Students will need to show consistent progress throughout their coursework in order to maintain good academic standing. Liberty provides students with tools for success. However, students must manage their time and resources to take advantage of these tools.

DEGREE PROGRAM FORMAT

With the online delivery format [distance education] courses in a program are delivered in a virtual classroom experience that is flexible, personal and challenging. Through the online format a student can earn a degree entirely online. Some programs require that a minimum number of courses be taken face-to-face on campus.

TESTING

Liberty University Online students take timed tests online and receive immediate feedback and test results. Essay exams and papers are also submitted online, graded by the course instructor and returned to the student. Portions of assigned work are used to facilitate student-to-student interaction. The interaction is often included as an element in student grading.

COURSE MATERIALS

Students are strongly encouraged to purchase all course materials from MBS Direct. Purchases can be made online by accessing the web page at http://www.mbsdirect.net/liberty or by calling 1-800-325-3252. Students should purchase materials after registration but prior to the sub-term start date (course activation). Liberty does not guarantee that required course materials will be available after the sub-term start date.

Course materials may be charged to the student’s account by means of the online book voucher system, if the student has a credit on their student account. Tuition does not cover the cost of course materials.

BASIC REGULATIONS

The Administration and Faculty have committed Liberty to the highest standards of moral and ethical conduct. No one will become spiritual merely by observing rules; nonetheless, the spiritual student will desire to abide by the rules, regulations, and policies. The student who is not prepared to accept instruction will never be prepared to give instruction. Liberty holds as one of its foremost goals the development of men and women of strong character. Firm moral conviction and dependable self-discipline are as important as academic competence.

All students enrolled in Liberty University Online are subject to the Liberty University Online Code of Honor and Personal Code of Honor. Please see the Academic Information and Policies – Online Programs section of this Catalog for more information.

IMPORTANT INFORMATION REGARDING LICENSURE-BASED DEGREE PROGRAMS, INTERNSHIPS AND CLINICAL PLACEMENTS

Students who are pursuing degrees leading to application for professional licensure or certification, and/or who will be participating in clinical placements, internships, or practica through their Liberty University program should be aware that a criminal background check, fingerprinting, or drug screening may be required by Liberty University and/or the host facility.

Internships, Practica, and Clinical Placements

In such situations, each student is responsible for obtaining and paying for the background check or other screening process and for delivering required documentation to the facility. Although the university will make reasonable efforts to place admitted students in field experiences and internship, it will be up to the host facility to determine whether a student will be allowed to work at that facility.

Licensure-Based Degree Programs

Students in licensure-based degree programs are responsible for understanding the requirements of the program by becoming thoroughly familiar with the Degree Completion Plan (DCP) and the academic school’s web page that outlines degree requirements.

Students should further be aware that a criminal record may jeopardize licensure by the State certification body. Students seeking licensure are urged to contact the relevant licensing agency to determine the licensing requirements for the jurisdiction. Successful completion of a program of study at Liberty University does not guarantee licensure, certification, or employment in the relevant occupation.

Graduate Admissions

General Requirements

Applicants to resident or online graduate programs at Liberty University are assessed according to academic background, aptitude for graduate-level work, and personal information. Professional experience may also be considered for applicants to some graduate programs. Applicants are considered without regard to race, color, gender, national or ethnic origin, age, disability, or status as a veteran or disabled veteran. The school maintains its Christian character, but does not discriminate on the basis of religion except to the extent that applicable law respects its right to act in furtherance of its religious objectives.

The mission of Liberty University is to develop Christ-centered men and women with the values, knowledge, and skills essential to impact the world. We expect that our students understand and respect our mission and purpose while enrolled at Liberty University.

Admission to Liberty University’s graduate programs is governed by policies and procedures developed by the Graduate Senate and Graduate Administrative Council. Admission to graduate programs does not constitute Degree Candidacy status in a specific graduate program. Requirements for Degree Candidacy are outlined in the Program Specific Admission Procedures in the individual program sections of this Catalog.

The University reserves the right to refuse admission or readmission to any prospective student or re-enrollment to any student. Any applicant who intentionally withholds pertinent information or who falsifies information may be required to withdraw from Liberty University. The regulations listed herein are subject to change after the publication of this Catalog. The University reserves the right to make necessary changes to admission requirements without notice.

Liberty University graduate programs utilize a variety of course-delivery formats, some of which are available through online instruction. Course delivery format options vary by degree program; programs may be offered through online or residential formats.

An overview of program format options and admissions requirements by program is provided in the Admission Requirements Matrix located at the end of the Graduate Admissions section.

Applicants to all graduate programs are required to have access to the Internet, e-mail service, and proficiency with word-processing software. Online students are required to use Microsoft Word to submit their writing assignments.

Applicants who hold a bachelor’s degree from an unaccredited institution may be admitted to some master’s degree programs on Academic Probation status. Policies regarding removal from Academic Probation status vary per degree program. The Office of Graduate Admissions may use professional judgment when conducting admission reviews and may request additional documentation to evaluate a candidate’s record. In addition, if certain documentation is not available or does not meet admission standards, the Office of Graduate Admissions may, but is not obligated to offer admission to students based on professional judgment.

Program Formats

Residential. With the residential delivery format, courses in a program are delivered on campus [face-to-face] and generally last the standard semester.

Online. With the online delivery format, courses in a program are delivered to students through a virtual classroom experience that is flexible, personal, and challenging. CONDITIONAL ENROLLMENT
Conditional enrollment is not available to applicants or programs offered in the traditional resident semester format.

SELF-CERTIFICATION FORM FOR CURRENTLY ENROLLED STUDENTS
Students currently enrolled in an undergraduate program of study must complete a Self-Certification Form verifying that they will have completed a bachelor’s degree by the time that they begin their master’s-level classes. Students must have met all other admission requirements for the program for which they are applying. Students under this status will be eligible for financial aid.

Resident graduate or seminary applicants must submit both a Self-Certification Form and an official transcript to confirm that they are in their final term. Official preliminary transcripts must show a minimum of 105 undergraduate credit hours for applicants to master’s degree programs. In order to maintain enrollment in the graduate program, students must send in an additional, final official transcript with a degree conferral date indicated by the end of the first term of enrollment.

TRANSFER STUDENTS
Graduate applicants who intend to transfer to the University must be eligible for reenrollment or readmission to the graduate program at the institution they most recently attended.

TRANSFER OF CREDITS
Only courses from institutions accredited by accrediting agencies recognized by the U.S. Department of Education are eligible for transfer credit. These include regional accrediting bodies such as the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) and other accrediting bodies such as the Association for Biblical Higher Education (ABHE), the Transnational Association of Christian Colleges and Schools (TRACS), and the Association of Theological Schools (ATS). Courses from University–approved institutions that meet regional or national accreditation equivalency will be accepted for transfer credit based on transfer credit policy. Applicants must request official transcripts be sent directly to the Office of Graduate Admissions from the registrar(s) of previously-attended schools. Transfer credit policies vary by degree program. Additional information is available in the Program Specific Admission Procedures in the individual program sections of this Catalog.

At least one-third of credits toward a graduate or post-baccalaureate professional degree are earned through instruction offered by Liberty University.

Transfer credit will not be granted from completed degrees awarded by other institutions. Information regarding exceptions to this policy for specific degree programs is noted in this Catalog in the sections pertaining to those programs. Internship credit and life-experience credit are not transferable.

Course work from a degree on the same academic level previously earned through Liberty University is considered transfer credit, and is subject to the same restrictions as course work completed through other institutions. Please refer to the next section (“Multiple Degrees”) for more detailed information.

Please see the Transfer Credit Matrix at the end of this section for more information.

MULTIPLE DEGREES
Credit from a degree completed through Liberty University and Liberty University Baptist Theological Seminary may be applied toward a second degree of the same academic level (e.g., master’s) earned through Liberty. The number of credits allowed to be applied toward the second degree may not exceed the maximum number of transfer credits allowed for that degree as listed on the Transfer Credit Matrix at the end of this section.

In cases where the two degrees shared required courses in excess of the maximum amount of transfer credits allowed for the second degree, the student must take additional courses and use them as substitutions for the shared courses.

DUAL COGNATES/CONCENTRATIONS
Students may not earn a degree with two or more cognates or concentrations (e.g., a Master of Arts in Human Services Counseling with cognates in Business and Executive Leadership). While students may complete the courses in a second cognate/concentration, they may be admitted to only a single cognate/concentration, and their transcripts and diplomas will note completion of only one cognate/concentration. Any exception to this policy for an individual
degree program will be noted in the Catalog information pertaining to that program.

Students who have graduated with a degree may not apply for admission to pursue the same degree with a different cognate or concentration (example: a student who has earned a Master of Business Administration MBA degree with a cognate in Accounting may not apply for admission to pursue a second MBA with a cognate in Healthcare Management). Also, students who have earned a Master of Arts degree from the Seminary are not permitted to pursue a second Seminary Master of Arts degree (example: a student who has earned a Master of Arts in Christian Ministry may not apply for admission to the Master of Arts in Theological Studies).

**ADMISSION NOTIFICATION**

When all required items have been received, applicants will be notified of an admission decision from the Office of Graduate Admissions or the appropriate academic department. Course registration information, pertinent information about financial check-in, and orientation for residential courses are included in the letter of acceptance.

**READEMISSION**

Students must apply for readmission if they have broken enrollment. A Residential student breaks enrollment if he/she does not maintain continuous enrollment every Fall and Spring semester.

Admission status is subject to the terms of any previous academic or disciplinary probation, suspension, or dismissal. Students must submit official transcripts from all educational institutions attended since enrollment at Liberty. Admission decisions for re-applicants will be based on the current admission criteria of the respective degree program at the time the re-application is submitted.

Students who break enrollment and apply for readmission will be required to follow the current degree completion plan in effect at the time of re-entry to the University.

**INTERNATIONAL STUDENT ADMISSION**

Applicants who are not citizens or legal permanent residents of the United States and who desire to be enrolled as on-campus international students must follow procedures established by the Office of International Student Admissions. Graduate applicants who will be applying for Student (F-1) Visas should submit applications for the fall semester by May 1 and for the spring semester by October 1. Applicants must submit an affidavit of financial support for themselves and any family members accompanying them before they can be admitted.

Students living abroad and foreign nationals residing in the U.S. with an appropriate visa status are eligible to enroll in online courses does not enable students to remain enrolled in an adequate health insurance policy while studying at the University.

**KOREAN LANGUAGE ASSISTANCE PROGRAM**

The Korean Language Assistance Program (KLAP) has been developed for those Korean students for whom English is a second language, whose TOEFL score is less than 80, and who plan to return to Korea for ministry. For students who qualify for this program, the courses are taught in Korean, translated, assisted by a Korean-qualified reading assistant, or delivered by any method approved by the Graduate Senate to ensure comparable educational outcomes. Only Seminary courses are available in KLAP and students may take only courses designated as KLAP.

**SPECIAL (NON-DEGREE-SEEKING) STUDENTS**

Students who are not seeking degrees may enroll in master’s-level courses as Special (A.K.A. Non-Degree-Seeking) Students. These students may accumulate no more than 12 semester hours under this status. Doctoral-level programs do not have Special-Student status; however, Special Students may be able to take doctoral-level classes upon approval by the Associate Dean or Academic Dean.

Special Students are not eligible to receive transfer credit, including credit earned through advanced standing, ICE (Institutional Challenge Examination), and PLA (Prior Learning Assessment). Financial Aid is not available for Special Students.

**ACADEMIC AMNESTY**

Students Academically Suspended or Academically Dismissed from Liberty University may appeal for readmission under Academic Amnesty per the following protocols:

1. The student must not have been enrolled at the University for a period of at least three academic years. (Example: If the student’s last enrollment was in the Spring 2012 semester, he/she would not be eligible to appeal for Academic Amnesty until after the Spring 2015 semester.)

2. The student must submit a written appeal for readmission to the Associate Registrar for Graduate Studies. The appeal should include a thorough explanation of (1) the circumstances which contributed to the academic performance which resulted in the student’s Academic Suspension or Dismissal and (2) why the student’s present circumstances are more conducive to improved academic performance if permitted to resume his/her studies.

3. Students who were Academically Dismissed because of academic dishonesty are not eligible for Academic Amnesty.

4. The Associate Registrar for Graduate Studies will confer with the Director of Student Affairs to determine whether or not there are any student-conduct-related considerations that should render the student
ineligible to resume his/her studies through Liberty University.

5. If the Director of Graduate Student Affairs determines that the student is eligible to resume his/her studies from a student-conduct perspective, the Associate Registrar for Graduate Studies will then present the student’s appeal for review to the Associate Dean or Program Director over the student’s degree program.

6. If the student is determined by the Associate Dean or Program Director to be eligible for readmission, the Associate Registrar for Graduate Studies will submit the student’s appeal to the Vice Provost for review.

7. If the Vice Provost approves the student’s appeal, all grades of C, D and F (including +/- grades) will be revised to Q, and will no longer be included in the calculation of the student’s cumulative GPA. Grades of A and B (including +/- grades) will not be revised, and will continue to be included in the calculation of the student’s cumulative GPA.

8. Students in degree programs requiring a cumulative GPA of 2.0 for good academic standing and graduation will retain grades of C (and C+/-), as well.

9. If the Vice Provost denies the student’s appeal, his decision will be final. The student will not be permitted to resume the pursuit of any Graduate or Doctoral degree through Liberty University.

10. Once the approved student’s grades have been revised, he/she is eligible to apply for readmission. (He/she must meet all applicable admission requirements to gain readmission.) The student will be readmitted on Academic Caution, and will be required to take and pass GRST 500 Intro to Graduate Writing in his/her first semester (unless he/she has already passed the course).

11. The previously assigned academic standings will not change, and will remain part of the student’s academic records for the respective semesters for which they were earned.

12. Students who have been granted Academic Amnesty are not eligible for graduation honors.

DEGREE CANDIDACY
Requirements for Degree Candidacy vary by program. See the Program-Specific Admission Requirements in the individual program sections of this Catalog.

DUAL ENROLLMENT
Undergraduate students may enroll in master’s-level courses during the semester in which they have nine or fewer semester hours remaining to complete their bachelor’s degrees. Students must meet the cumulative GPA requirement for admission in good standing into a Graduate program to be eligible to register under dual enrollment for that program.

Students may be dually enrolled for a maximum of two semesters, and may enroll for a maximum of nine semester hours of Graduate course work.

Non-Liberty University undergraduate students must send in their graduate admission application, official transcripts, and a letter from their current Registrar’s Office indicating their current Grade Point Average, the specific degree they are pursuing, the estimated date of graduation, and the number of remaining credit hours for degree completion. Once these documents are received by the Office of Graduate Admissions, the student must contact the Liberty University Registrar’s Office to request approval for dual enrollment.

Currently enrolled Liberty University undergraduate students do not need to send in an application; they must contact the Registrar directly to request approval for dual enrollment.

Dual enrollment is not available to students already enrolled at the Graduate level.

If the official transcripts do not meet the requirements, the admissions decision may be reversed and the student could be dropped from current classes and have financial aid removed. All applicants to Liberty University must be eligible for readmission at the last institution attended.

   Applicants to doctoral programs will be required to submit official transcripts indicating successful completion of master’s degree and may be required to submit transcripts from their baccalaureate degree. Please see program specific admission requirements for more details.

   In some cases, additional transcripts may be required in order for an acceptance decision to occur. In order to receive credit for both transfer courses and prerequisite courses, students must send in official transcripts from the school(s) at which the class(es) was/were taken. An “official transcript” is one that is received directly from the educational institution attended, or is sent to Liberty University (by any party) within the original, sealed, university envelope. Official transcripts should be sent to the Liberty University Online Graduate Admissions Office.

   Unaccredited degrees will be reviewed and may be accepted on Caution for admission into some graduate programs based on university standards.

   Applicants holding a bachelor’s degree from an unaccredited institution who have also earned a master’s degree from an accredited institution will be assessed on the basis of the master’s-level degree. Students admitted on Caution into certain Academic Programs must and take and pass GRST 500 – Introduction to Graduate Writing. The Office of Graduate Admissions reserves the right to use professional judgment when conducting admission reviews and may request additional documentation to evaluate a candidate’s record. In addition, if certain documentation is not available or does not meet admission standards, the Office of Graduate Admissions reserves the right to offer admission to students based on professional judgment.

4. Additional Requirements for Admission
   Please see the Program Specific Admissions Procedures in the individual program sections of this Catalog for information regarding minimum grade-point-average requirements and additional items needed for acceptance.

   Some applicants may be required to provide Graduate Record Examination (GRE) scores or Miller Analogies Test (MAT) scores, or other similar type of test scores (GMAT, MCAT, and etc.)

   A. Applicants who have taken the GRE should contact the College Testing Service and request that an official score report be sent to the Office of Graduate Admissions. Applicants who have not taken the GRE should contact Educational Testing Service to make arrangements to take the exam. The website address for the GRE is http://www.gre.org and the toll-free number is (866) 473-4373. The computer-based format may be scheduled by individual appointment. Scores will be displayed on the screen at the conclusion of the test session and should be printed as a temporary score report. Please use the Liberty University code 5385 on the GRE forms in order to have test results sent directly to the University.

   B. Applicants who have taken the Miller Analogies Exam should contact www.milleranalogies.com to request that an official score report be sent to the Office of Graduate Admissions.

Admissions and Enrollment for Army Soldier-Students:
Active Duty, Reserve, and National Guard Army soldier-students must apply for admission and enroll via the GoArmyEd portal, www.goarmyed.com. Admission and enrollment through the Army portal will allow Tuition Assistance to be approved through the enrollment process. Additional information is
TRANSFER OF CREDITS

Only courses from institutions accredited by accrediting agencies recognized by the U.S. Department of Education are eligible for transfer credit. These include regional accrediting bodies such as the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) and other accrediting bodies such as the Association for Biblical Higher Education (ABHE), the Transnational Association of Christian Colleges and Schools (TRACS), and the Association of Theological Schools (ATS). Courses from University–approved institutions that meet regional or national accreditation equivalency will be accepted for transfer credit based on transfer credit policy. Applicants must request official transcripts be sent directly to the Office of Graduate Admissions from the registrar(s) of previously-attended schools. Transfer credit policies vary by degree program. Additional information is available in the Program Specific Admission Procedures in the individual program sections of this Catalog.

Transfer credit will not be granted from completed degrees awarded by other institutions. Information regarding exceptions to this policy for specific degree programs is noted in this Catalog in the sections pertaining to those programs. Internship credit and life-experience credit are not transferable.

Course work from a degree on the same academic level previously earned through Liberty University is considered transfer credit, and is subject to the same restrictions as course work completed through other institutions. Please refer to the next section (“Multiple Degrees”) for more detailed information.

Please see the Transfer Credit Matrix at the end of this section for more information.

MULTIPLE DEGREES

Credit from a degree completed through Liberty University and Rawlings School of Divinity may be applied toward a second degree of the same academic level (e.g., master’s) earned through Liberty. The number of credits allowed to be applied toward the second degree may not exceed the maximum amount of transfer credit for that degree as listed on the Transfer Credit Matrix at the end of this section.

In cases where the two degrees share required courses in excess of the maximum amount of transfer credits allowed for the second degree, the student must take additional courses and use them as substitutions for the shared courses.

DUAL COGNATES/CONCENTRATIONS

Students may not earn a degree with two or more cognates or concentrations (e.g., a Master of Arts in Human Services Counseling with cognates in Business and Executive Leadership). While students may complete the courses in a second cognate/concentration, they may be admitted to only a single cognate/concentration, and their transcripts and diplomas will note completion of only one cognate/concentration. Any exception to this policy for an individual degree program will be noted in the Catalog information pertaining to that program.

Students who have graduated with a degree may not apply for admission to pursue the same degree with a different cognate or concentration (example: a student who has earned a Master of Business Administration [MBA] degree with a cognate in Accounting may not apply for admission to pursue a second MBA with a cognate in Healthcare Management). Also, students who have earned a Master of Arts degree from the Seminary are not permitted to pursue a second Seminary Master of Arts degree (example: a student who has earned a Master of Arts in Christian Ministry may not apply for admission to the Master of Arts in Theological Studies).

ADMISSION NOTIFICATION

When all required items have been received, applicants will be notified of an admission decision from the Office of Graduate Admissions or the appropriate academic department. Course registration information, and pertinent information about financial check-in, are included in the letter of acceptance.

READMISSION

Students must apply for readmission if they have broken enrollment. A Liberty University Online student breaks enrollment if he/she does not matriculate in a course at least once every academic year.

Please note:

1. Students in Doctoral programs who have begun the dissertation/project/thesis phase of their degrees must maintain continual enrollment (Fall, Spring, and Summer semesters) until they complete their degrees.

2. Liberty University Online students who are pursuing Master’s degrees which require projects or theses, and who have begun the project/thesis phase of their degrees, must adhere to the Residential enrollment policy (they must be enrolled for each Fall and Spring semester) until they complete their degrees.

Admission status is subject to the terms of any previous academic or disciplinary probation, suspension, or dismissal.
Students may be required to provide official transcripts from all educational institutions attended since enrollment at Liberty. Admission decisions for re-applicants will be based on the current admission criteria of the respective degree program at the time the re-application is submitted.

Students who break enrollment and apply for readmission will be required to follow the current degree completion plan in effect at the time of re-entry to the University.

INTERNATIONAL STUDENT ADMISSION

Applicants whose native language is not English must take the Test of English as a Foreign Language (TOEFL) or an approved alternate test: of English proficiency: Pearson Test of English (PTE), International English Language Testing System (IELTS), or the International Test of English Proficiency (iTEP). Applicants must earn a score of 80 on the Internet-based TOEFL, a 3.9 on the iTEP, 6.5 on the IELTS, or an equivalent score on an approved alternate test for all graduate and seminary degree programs. An official score report sent directly from the testing service must be submitted to the University before an admission decision can be made. Applicants who have an earned degree from a college or university in the U.S. or other English-speaking country or school may have the TOEFL requirement waived by the Office of Graduate Admissions. In addition, the Office of Graduate Admissions may require any student whose native official language is not English, regardless of citizenship, to submit a TOEFL score or score from an approved alternate test, if such documentation is deemed necessary. Information regarding approved English proficiency tests may be obtained online as follows: TOEFL: www.toefl.org; IELTS: www.ielts.org.; PTE: www.pearsonpte.com; iTEP: www.itepexam.com.

SPECIAL (NON-DEGREE-SEEKING) STUDENTS

Students who are not seeking degrees may enroll in master’s-level courses as Special (Non-Degree-Seeking) Students. These students may accumulate no more than 12 semester hours under this status. Doctoral-level programs do not have Special-Student status; however, Special Students may be able to take doctoral-level classes upon approval by the Associate Dean or Academic Dean.

Special Students are not eligible to receive transfer credit, including credit earned through advanced standing, ICE (Institutional Challenge Examination), and PLA (Prior Learning Assessment). Financial Aid is not available for Special Students.

ACADEMIC AMNESTY

Students Academically Suspended or Academically Dismissed from Liberty University may appeal for readmission under Academic Amnesty per the following protocols:

1. The student must not have been enrolled at the University for a period of at least three academic years. (Example: If the student’s last enrollment was in the Spring 2012 semester, he/she would not be eligible to appeal for Academic Amnesty until after the Spring 2015 semester.)

2. The student must submit a written appeal for readmission to the Associate Registrar for Graduate Studies. The appeal should include a thorough explanation of (1) the circumstances which contributed to the academic performance which resulted in the student’s Academic Suspension or Dismissal and (2) why the student’s present circumstances are more conducive to improved academic performance if permitted to resume his/her studies.

3. Students who were Academically Dismissed because of academic dishonesty are not eligible for Academic Amnesty.

4. The Associate Registrar for Graduate Studies will confer with the Director of Graduate Student Affairs to determine whether or not there are any student-conduct-related considerations that should render the student ineligible to resume his/her studies through Liberty University.

5. If the Director of Graduate Student Affairs determines that the student is eligible to resume his/her studies from a student-conduct perspective, the Associate Registrar for Graduate Studies will then present the student’s appeal for review to the Associate Dean or Program Director over the student’s degree program.

6. If the student is determined by the Associate Dean or Program Director to be eligible for readmission, the Associate Registrar for Graduate Studies will submit the student’s appeal to the Vice Provost for review.

7. If the Vice Provost approves the student’s appeal, all grades of C, D and F (including +/- grades) will be revised to Q, and will no longer be included in the calculation of the student’s cumulative GPA. Grades of A and B (including +/- grades) will not be revised, and will continue to be included in the calculation of the student’s cumulative GPA.

8. Students in degree programs requiring a cumulative GPA of 2.0 for good academic standing and graduation will retain grades of C (and C+/ -), as well.

9. If the Vice Provost denies the student’s appeal, his decision will be final. The student will not be permitted to resume the pursuit of any Graduate or Doctoral degree through Liberty University.

10. Once the approved student’s grades have been revised, he/she is eligible to apply for readmission. (He/she must meet all applicable admission requirements to gain readmission.) The student will be readmitted on Academic Caution, and will be required to take and pass GRST 500 Intro to Graduate Writing in his/her first semester (unless he/she has already passed the course).

11. The previously assigned academic standings will not change, and will remain part of the student’s academic records for the respective semesters for which they were earned.

12. Students who have been granted Academic Amnesty are not eligible for graduation honors.

DEGREE CANDIDACY

Requirements for Degree Candidacy vary by program. See the Program-Specific Admission Requirements in the individual program sections of this Catalog.

DUAL ENROLLMENT

Undergraduate students may enroll in master’s-level courses during the semester in which they have nine or fewer semester hours remaining to complete their bachelor’s degrees. Students must meet the cumulative GPA requirement for admission in good standing into a Graduate program to be eligible to register under dual enrollment for that program.

Students may be dually enrolled for a maximum of two semesters, and may enroll for a maximum of nine semester hours of Graduate course work.

Non-Liberty University undergraduate students must send in their Graduate admission application, official transcripts, and
a letter from their current Registrar’s Office indicating their current Grade Point Average, the specific degree they are pursuing, the estimated date of graduation, and the number of remaining credit hours for degree completion. Once these documents have been received by the Office of Graduate Admissions, the student must contact the Liberty University Registrar’s Office to request approval for dual enrollment. Currently enrolled Liberty University undergraduate students do not need to send in an application; they must contact the Registrar directly to request approval for dual enrollment. Dual enrollment is not available to students already enrolled at the Graduate level.

Admissions – Graduate Certificates

General Requirements

Applicants to online graduate certificate programs at Liberty University are assessed according to academic background, aptitude for graduate-level work, and personal information. Professional experience may also be considered for applicants to some graduate programs. Applicants are considered without regard to race, color, gender, national or ethnic origin, age, disability, or status as a veteran or disabled veteran. The school maintains its Christian character, but does not discriminate on the basis of religion except to the extent that applicable law respects its right to act in furtherance of its religious objectives.

The mission of Liberty University is to develop Christ-centered men and women with the values, knowledge, and skills essential to impact the world. We expect that our students understand and respect our mission and purpose while enrolled at Liberty University.

Admission to Liberty University’s graduate programs is governed by policies and procedures developed by the Graduate Senate and Graduate Administrative Council. Admission to graduate programs does not constitute Certificate Candidacy status in a specific graduate program. Requirements for Certificate Candidacy are outlined in the Program Specific Admission Procedures in the individual program sections of this Catalog.

The University reserves the right to refuse admission or readmission to any prospective student or re-enrollment to any student. Any applicant who intentionally withholds pertinent information or who falsifies information may be required to withdraw from Liberty University. The regulations listed herein are subject to change after the publication of this Catalog. The University reserves the right to make necessary changes to admission requirements without notice.

Liberty University graduate certificate programs utilize a variety of course-delivery formats, some of which are available through online instruction and/or DVDs/videos. Course delivery format options vary by certificate program.

An overview of program format options and admissions requirements by program is provided in the Admission Requirements Matrix located at the end of the Graduate Admissions section.

Applicants to all graduate programs are required to have access to the Internet, e-mail service, and proficiency with word processing software.

Program Format

Online [Distance Education]. With the online delivery format, courses in a program are delivered to students through a virtual classroom experience that is flexible, personal, and challenging. Through the online format a student can complete a certificate program entirely online.

ITEMS TO BE SUBMITTED

Applicants must submit the following items to the Liberty University Online Graduate Admissions Office in order to be considered for admission. Admission decisions are not made until all documentation has been received and evaluated.

1. Application for Admission
   Application can be made online at http://www.luonline.com/apply. To initiate an application for online programs by phone, graduate students may contact Liberty University Online (1-800-424-9595).

2. Application Fee is non-refundable.
   The fee is deferred until Financial Check-in.

3. Academic Records
   Applicants to master’s-level certificate programs may submit an unofficial transcript indicating successful completion of a baccalaureate degree program from an accredited institution. Unofficial transcripts will allow for acceptance but will not be reviewed for transfer credit.

Before submitting unofficial transcripts, please make sure they include the following:

- School’s name or logo printed on the document
- Cumulative GPA
- List of completed courses and earned credit
- Degree and date conferred

Upon an admission decision, official transcripts are required within 60 days; official transcripts are required in order to register for a second semester of courses. Students that intend to finish the certificate in one semester must have official transcripts on file prior to applying for graduation. The official transcripts must adhere to the specific program’s requirements for admission. If the official transcripts do not meet the requirements, the admissions decision may be reversed and the student could be dropped from current classes and have financial aid removed. All applicants to Liberty University must be eligible for readmission at the last institution attended.

In some cases, additional transcripts may be required in order for an acceptance decision to occur. An “official transcript” is one that is received directly from the educational institution attended, or is sent to Liberty University (by any party) within the original, sealed, university envelope. Official transcripts should be sent to the Liberty University Online Graduate Admissions Office.

Unaccredited degrees will be reviewed and may be accepted for admission into some graduate certificate programs based on university standards.

Applicants holding a bachelor’s degree from an unaccredited institution who have also earned a master’s degree from an accredited institution will be assessed on the basis of the master’s-level degree. The Office of Graduate
Admissions reserves the right to use professional judgment when conducting admission reviews and may request additional documentation to evaluate a candidate’s record. In addition, if certain documentation is not available or does not meet admission standards, the Office of Graduate Admissions reserves the right to offer admission to students based on professional judgment.

4. **Additional Requirements for Admission**

   Please see the Program Specific Admissions Procedures in the individual program sections of this Catalog for information regarding minimum grade-point-average requirements and additional items needed for acceptance.

**CONDITIONAL ENROLLMENT**

   Conditional enrollment is not available to students pursuing certificates.

**SELF-CERTIFICATION FORM**

   Undergraduate students must complete a Self-Certification Form that they have or will have completed a bachelor’s degree by the time that they begin their master’s-level classes. Students must have met all other admission requirements for the program for which they are applying. Students under this status will be eligible for financial aid.

**TRANSFER STUDENTS**

   Graduate applicants who intend to transfer to the University must be eligible for reenrollment or readmission to the graduate program at the institution they most recently attended.

**TRANSFER OF CREDITS**

Credits from classes taken through Liberty University for a degree or a certificate conferred after January 25, 2013 can be transferred to a certificate. Courses taken outside of Liberty University cannot transfer into a certificate program.

**ADMISSION NOTIFICATION**

   When all required items have been received, applicants will be notified of an admission decision from the Office of Graduate Admissions or the appropriate academic department. Course registration information, pertinent information about financial check-in, and orientation for online courses are included in the letter of acceptance.

**READMISSION**

   Students must apply for readmission if they have broken enrollment. A Liberty University Online student breaks enrollment if he/she does not matriculate in a course at least once every academic year.

   Admission status is subject to the terms of any previous academic or disciplinary probation, suspension, or dismissal. Students may be required to provide official transcripts from all educational institutions attended since enrollment at Liberty. Admission decisions for re-applicants will be based on the current admission criteria of the respective certificate program at the time the re-application is submitted.

   Students who break enrollment and apply for readmission will be required to follow the current certificate completion plan in effect at the time of re-entry to the University.

PLEASE NOTE:
Academic information and policies recorded in this section of the Catalog that pertain to students in the Resident Program are displayed in a gray text box. Information that is specific to Liberty University Online students is displayed in a white text box. Information not marked pertains to all students.

SEMESTER CREDIT SYSTEM
The University operates on the semester system. The unit for counting credit is the semester hour. A semester hour of credit consists of the equivalent of one 50-minute period of class work for 15 weeks, with an assumption of two hours of outside preparation or two 50-minute periods of laboratory work for each semester hour. Online courses are equivalent to the number of classroom contact hours (750 minutes per credit hour) expected in a synchronous residential course.

ENROLLMENT VERIFICATION
A student is enrolled when they are registered for a course and have attended the course and/or completed academic work for the course after its start date. For enrollment verification purposes, the University policy can be viewed at https://www.liberty.edu/administration/institutionaleffectiveness/index.cfm?pid=301308/policy/355

SEMESTER LOAD
Master’s-level graduate students are considered to be full-time when enrolled in nine or more hours per semester. All doctoral graduate students are considered full-time with a semester load of six or more semester hours.

Graduate students must secure permission from the appropriate Associate Dean or Program Director and from the Associate Registrar for Graduate Studies to take more than 15 hours.

For financial aid purposes, online student full-time/part-time status will be determined by the number of hours for which the student initially enrolled in the semester. For example, if a student enrolls for the first time in the semester in the third sub-term, the number of hours the student takes in that sub-term will determine full-time/part-time status. A part-time student who adds courses for subsequent sub-terms of the same semester will still be considered part-time for the entire semester.

All work is graded by letters which are assigned quality points as indicated below:

A student’s cumulative GPA is comprised of all coursework completed at the current academic level (Undergraduate, Graduate or Doctoral) regardless of prior degree conferral, broken enrollment or a program/major change. To determine the grade point average (GPA), the quality points earned are divided by GPA hours completed. GPA hours are hours that are used in the calculation of the GPA. The following grades are included in GPA hours: A, B+, B, B-, C+, C, C-, D+, D, D-, F, and FN. Grades of AU, I, IP, NF, NP, P, Q, R, and W are not included in GPA hours. A grade of B, for example, in a course bearing three semester hours of credit would be assigned nine quality points and a grade of C in that course, six quality points. Thus, if a student takes 16 semester hours of work and earns 40 quality points, his GPA is 2.50 (40 quality points divided by 16 semester hours). Only courses taken at Liberty are used in computing the GPA.

STUDENT CLASSIFICATION
The classification of students at Liberty is based on their degree level and number of earned semester hours.

ADVISORS AND COURSE SELECTION

Each resident student will be assigned a faculty advisor upon acceptance to the University. The advisors will guide students in course selection. All questions concerning academic issues should be directed to the advisors. Students are encouraged to contact their advisors for help with any school-related problems they may encounter during the academic year.

Liberty University Graduate Catalog – 2015-2016
COURSE PLANNING
A course planning schedule is provided in order for students to plan their classes for upcoming semesters. The planning schedule presents every class offered and the terms where it is scheduled to be taught. This schedule is sorted alphabetically by class. The course planning schedule is available online at: http://www.liberty.edu/academics/registrar/index.cfm?PID=231-03.

TRANSFER OF CREDIT
Only courses and degrees from institutions accredited by agencies recognized by the Department of Education will be evaluated for transfer credit (e.g., SACSCOC, TRACS, ABHE, etc.). Applicants must request official transcripts to be sent directly from the Registrar(s) of the previous school(s) to the Offices of Graduate Admissions. These transcripts must be received before an admission decision will be made.

Course work from a degree on the same academic level previously earned through Liberty University is considered transfer credit, and is subject to the same restrictions as course work completed through other institutions.

See additional information about the evaluation of graduate transfer in the Graduate Admissions Section.

Students seeking certificates are not eligible for transfer credit.

ACADEMIC AMNESTY
Students Academically Suspended or Academically Dismissed from Liberty University may appeal for readmission under Academic Amnesty per the following protocols:

1. The student must not have been enrolled at the University for a period of at least three academic years. (Example: If the student’s last enrollment was in the Spring 2012 semester, he/she would not be eligible to appeal for Academic Amnesty until after the Spring 2015 semester.).

2. The student must submit a written appeal for readmission to the Associate Registrar for Graduate Studies. The appeal should include a thorough explanation of (1) the circumstances which contributed to the academic performance which resulted in the student’s Academic Suspension or Dismissal and (2) why the student’s present circumstances are more conducive to improved academic performance if permitted to resume his/her studies.

3. Students who were Academically Dismissed because of academic dishonesty are not eligible for Academic Amnesty.

4. The Associate Registrar for Graduate Studies will confer with the Director of Graduate Student Affairs to determine whether or not there are any student-conduct-related considerations that should render the student ineligible to resume his/her studies through Liberty University.

5. If the Director of Graduate Student Affairs determines that the student is eligible to resume his/her studies from a student-conduct perspective, the Associate Registrar for Graduate Studies will then present the student’s appeal for review to the Associate Dean or Program Director over the student’s degree program.

6. If the student is determined by the Associate Dean or Program Director to be eligible for readmission, the Associate Registrar for Graduate Studies will submit the student’s appeal to the Vice Provost for review.

7. If the Vice Provost approves the student’s appeal, all grades of C, D and F (including +/- grades) will be revised to Q, and will no longer be included in the calculation of the student’s cumulative GPA. Grades of A and B (including +/- grades) will not be revised, and will continue to be included in the calculation of the student’s cumulative GPA.

8. Students in degree programs requiring a cumulative GPA of 2.0 for good academic standing and graduation will retain grades of C (and C+/+), as well.

9. If the Vice Provost denies the student’s appeal, his decision will be final. The student will not be permitted to resume the pursuit of any Graduate or Doctoral degree through Liberty University.

10. Once the approved student’s grades have been revised, he/she is eligible to apply for readmission. (He/she must meet all applicable admission requirements to gain readmission.) The student will be readmitted on Academic Caution, and will be required to take and pass GRST 500 Intro to Graduate Writing in his/her first semester (unless he/she has already passed the course).

11. The previously assigned academic standings will not change, and will remain part of the student’s academic records for the respective semesters for which they were earned.

12. Students who have been granted Academic Amnesty are not eligible for graduation honors.
**Unofficial Withdrawal for Non-Attendance Appeal Process:**

Students who receive a grade of “FN” may appeal to their professor to have the grade removed to resume work in the course. This appeal must be communication in written form to the faculty member using the student’s LU e-mail account and express intent to complete the course. The faculty member must then approve the request. Please note, if the appeal is granted, the student must complete the course with an earned grade and cannot withdraw.

**ONLINE COURSE MATERIALS**

Online students must purchase all course materials from MBS Direct. Materials for some practicums and intensives may be purchased from the University Bookstore. Students should purchase materials after registration but prior to the sub-term begin date (course activation). Liberty does not guarantee that required course materials will be available after the sub-term activation date. Tuition does not cover the cost of course materials.

**CLASS ATTENDANCE**

Regular attendance in online courses is expected throughout the length of the term. The U.S. Department of Education requires that every university monitor the attendance of their students. Liberty University uses the following definitions* in determining student attendance which includes, but is not limited to:

- Resident: Physically attending a class where there is an opportunity for direct interaction between the instructor and students, submitting an academic assignment; taking an exam, an interactive tutorial or computer-assisted instruction; attending a study group that is assigned by the school; participating in an online discussion about academic matters and initiating contact with a faculty member to ask a question about the academic subject studied in the course.
- Online: Submission of any required academic assignment (such as an examination, written paper or project, discussion board post, or other academic event) or initiating any communication with the professor regarding academic content or an assignment within the enrollment dates of the course.

*These definitions are based upon the delivery format of the course and not the student’s enrollment status (online versus on-campus).

**Academic Standing**

Students must maintain satisfactory academic standing in order to remain at Liberty.

Academic standing is calculated only at the end of each semester (including the Summer), and is based on the student’s cumulative GPA. Please refer to the end of this sub-section for a chart listing the cumulative GPA’s required for good academic standing for all current degree programs.

A student’s cumulative GPA is comprised of all coursework completed at the current academic level (Undergraduate, Graduate or Doctoral) regardless of prior degree conferral, broken enrollment or a program/major change.

Students failing to attain and maintain the cumulative GPA required for good academic standing in their degree program will be placed on Academic Warning.

At the end of the semester on Academic Warning, students who fail to raise their cumulative GPA to a satisfactory level will be placed on Academic Probation.

At the end of the semester on Academic Probation, students who fail to raise their cumulative GPA to the required academic level will be placed on Academic Suspension.

Resident students who desire to return to Liberty in the future must contact the Registrar’s Office in writing. The Associate Registrar for Graduate Studies will in turn submit the student’s appeal to the appropriate Program Director or Associate Dean for review. If the student’s appeal is approved, he/she will be given an Academic Contract, which, if followed, will enable him/her to return to good academic standing. The student must agree to abide by the terms of the Contract before being permitted to continue/resume his/her studies.

Online students who desire to return to Liberty in the future must contact the Academic Standing Consultant Team in writing at laoaacademicstanding@liberty.edu. The Academic Standing Consultant Team will in turn submit the student’s appeal to the appropriate Program Director or Associate Dean for review. If the student’s appeal is approved, he/she will be given an Academic Contract, which, if followed, will enable him/her to return to good academic standing. The student must agree to abide by the terms of the Contract before being permitted to continue/resume his/her studies.

Students who are enrolled full-time (nine or more hours for Master’s-level students and six or more hours for post-Master’s and Doctoral students) and fail all courses will be Academically Suspended.

Students who fail to raise their cumulative GPA to the required academic level (see above) by the end of the subsequent semester and/or who fail to meet the terms of their Academic Contract will be Academically Dismissed and will not be allowed to return to Liberty unless qualifying for Academic Amnesty.

At the end of each semester, students on Academic Warning, Probation, Suspension, and Dismissal will be sent a notification by the Registrar’s Office.

**LATE ASSIGNMENT POLICY (Online Students)**

If the student is unable to complete an assignment on time, then he or she must contact the instructor immediately by email. Assignments that are submitted after the due date without prior approval from the instructor will receive the following deductions:

1. Late assignments submitted within one week of the due date will receive a 10% deduction.
2. Assignments submitted more than one week late will receive a 20% deduction.
3. Assignments submitted two weeks late or after the final date of the class will not be accepted.
4. Late Discussion Board threads or replies will not be accepted. Special circumstances (e.g., death in the family, personal health issues) will be reviewed by the instructor on a case-by-case basis.

**COURSE SUBSTITUTIONS**

Students desiring to use another course in place of a required course must complete a Request for a Course Substitution form. Course substitution forms must include a detailed rationale, explaining why the substitution is requested. Requests should be made with discretion. They should not be used merely to enable a student to graduate on time. If the course was taken at another college, provide a course description or course syllabus with the request. Requests must be submitted prior to the students last sub-term. Forms should be submitted to coursesub@liberty.edu. Forms will be reviewed by a Dean or Associate Dean within 2 weeks of submission. Course substitutions are not permitted for the certificate programs.

**PROGRAM CHANGES**

All requests to change degree programs, majors, cognates, and concentrations must be submitted in writing to the Registrar’s Office for resident students and Liberty University Online Academic Advising for online students. The student will be placed on the Degree Completion Plan (DCP) or Certificate Completion Plan (CCP) in effect for the term for which the request is processed. All requests for a change of major will be processed by the Registrar’s Office upon receipt, and will be effective the following full term of enrollment.

A student must be admitted to a degree program before he/she may matriculate in that program.

**DROPPING/ADDING COURSES**

Changes are discouraged after a student and advisor have arranged the student’s schedule for the semester.

Residential students desiring to take a Liberty University Online course must enroll in the course during the registration period. The course must be completed by the last day of the semester unless an extension is granted.

**REMEMBER:** Any change in status (i.e., from full-time to part-time, etc.) may cause the reduction or cancellation of your financial aid award. In other words, your out-of-pocket expenses may increase.

Exceptions to these add/drop deadlines may be granted by the Registrar in unusual circumstances, such as extreme illness or other circumstances beyond the student’s control.

No course is considered officially added or dropped until the add/drop form is submitted to the Registrar’s Office and processed. This form requires the written approval of the instructor of the course.
DROPPING/ADDING COURSES

Online students may drop a course for a full refund, any time prior to the sub-term begin date. Beginning on the first day of the sub-term, if a student has attended, he or she must withdraw with a grade of W and no refund will be granted.

An intensive may be dropped without a grade or a tuition charge prior to the start date of the course. There is a $10 drop fee. If the student has attended once the class has begun, he or she must withdraw from the intensive(s) and will be liable for tuition and fees.

COURSE REPEAT POLICY

Students who want to repeat a course taken at Liberty and have the first grade removed from the cumulative GPA must satisfy each of the following guidelines:
1. All Master’s-level programs will allow the repeat policy to be applied for a maximum of six hours of repeated course work.
2. All post-Master’s and Doctoral programs will allow the repeat policy to be applied for a maximum of three hours of repeated course work.
3. Both the original course and the repeat of the course must be taken at Liberty University in order to activate the policy.
4. The second grade of A, B, C, D, F, NF, or FN (including +/- grades) will apply toward the cumulative GPA.
5. The repeat policy may not be applied for the following grades: AU, I, NF, NP, P, Q, or W.
6. When a course is repeated, the original grade will be followed on the student’s transcript by the letter “A,” which will indicate that the original grade has been excluded from the earned hours, but is still included in the GPA hours, quality points, and the computation of the cumulative GPA. The original grade will also remain on the student’s transcript as attempted hours.
7. The grade for the repeat of the course will be followed by the letter “I,” which will indicate that the grade for the repeat of the course will be included in the earned hours, GPA hours, quality points, and the computation of the cumulative GPA.
8. Once the repeat policy has been applied, the letter “A” following the original grade is replaced by the letter “E,” which indicates that the original grade is excluded from the earned hours, GPA hours, quality points, and the computation of the cumulative GPA. However, the original grade will remain on the student’s transcript as attempted hours.
9. This policy is retroactive to include any course taken at Liberty University.
10. Use of the repeat policy for a prior semester will not affect the academic standing for that semester.
11. The repeat policy request must be submitted prior to degree conferral for the policy to be activated.
12. The repeat policy may not be applied in reverse, meaning that a student may not repeat a course, earn a lower grade for the repeat, and apply the repeat policy to exclude the repeat grade from the cumulative GPA.
13. When the grade for the repeat is insufficient to be used to meet a course requirement on the student’s Degree Completion Plan (DCP), the student must repeat the course again and earn a sufficient grade. The student may not use the original grade for the course to meet a course requirement on his/her DCP, even if the original grade is sufficient. If the course is not specifically required, but may be used to meet an elective requirement, the student may either repeat the course again or take another course to meet the requirement.
14. If a student has earned a degree, and goes on to pursue a second degree, any use of the repeat policy in the pursuit of the first degree will not count toward the total number of uses of the repeat policy allowed under the second degree.
15. If a student is pursuing a degree, and changes to another degree without completing the first degree, any use of the repeat policy in pursuit of the first degree will count toward the total number of uses of the repeat policy allowed under the second degree, even if the first degree, or course work completed in the pursuit of the first degree, are in a different discipline than the second degree.
16. Any approved exception to this policy pertaining to a specific degree program will be stated in this Catalog in the Graduation Requirements information for that degree program.

INDEPENDENT STUDY / DIRECTED RESEARCH

Students may request to complete an Independent Study or Directed Research project in a major field or related discipline. Permission for the Independent Study or Directed Research will be granted only upon approval by the Department Chair/Program Director, the Dean of the School, the Administrative Dean, and the Associate Registrar for Graduate Studies. Forms are available online at https://www.liberty.edu/index.cfm?PID=4849 or in the Registrar’s Office.

CLASS CANCELLATION POLICY

From time to time it may be necessary to cancel a class because of insufficient enrollment or other extenuating circumstances. The decision for such a cancellation is ultimately that of the Provost of the University. Every effort will be made to provide notice of the cancellation at least two weeks prior to the first scheduled meeting of the class. The Registrar’s Office will advise the student of the cancellation. The University does not assume responsibility for any delay in the anticipated graduation date of individual students that might result from such class cancellations.

INCOMPLETES

Students who are unable to complete coursework by the last day of class due to unavoidable circumstances such as personal illness/injury or family emergencies may appeal to their instructor for a temporary course grade of “I” (Incomplete). The authority for the decision to grant an incomplete completely lies with the instructor. Denial of the request for an incomplete may include, but is not limited to, the student’s inability to earn a passing grade with completion of the remaining requirements, as well as an insufficient reason for the request. Students must initiate the request for an incomplete directly to the instructor by the last day of class (before the final exam period for residential classes).

The instructor will establish a new deadline for the completion of the remaining coursework, based on the circumstances. The instructor may grant up to two weeks beyond the last day of the term (or sub-term for Liberty University Online courses) for non-medical circumstances and up to four weeks beyond the last day of the term (or sub-term for Liberty University Online courses) for personal medical circumstances.

For extreme personal medical circumstances, a maximum of eight weeks for Liberty University Online courses and 16 weeks for residential courses may be given as long as sufficient medical documentation (from a medical professional) is presented along
with the request. However, while the decision to grant an extended incomplete remains with the instructor, the request and medical documentation needs to be submitted to the registrar’s office. The instructor will be responsible to communicate the remaining requirements, as well as the extended deadline, to the student.

The instructor will post a final grade within two weeks from the deadline established for the incomplete. If a final grade is not posted within two weeks of the deadline, a grade of “F” will be posted by the registrar’s office. A grade of “I” can be changed to a withdrawal as long as the withdrawal is requested by the student within official course dates.

The GPA is unaffected by the incomplete until a final grade is posted after the deadline. However, grades of “I” will count as hours attempted and not completed, and will negatively affect a student’s Satisfactory Academic Progress.

### Military Incompletes

Military service members are eligible for a military incomplete, for coursework that they are unable to complete on time, due to deployments, extended cruises, unit operational tempo, or other duty-related extenuating circumstances. To obtain an incomplete, a military student must send either a current copy of official military orders (as proof of professional conflict during enrollment in the course) or a signed letter on official letterhead from the student’s commander or supervisor. Incomplete requests and supporting documents should be emailed to the professor. Please Note: Incompletes must be secured no later than 2 weeks prior to the course end date.

Extensions may be requested from the professor and students may be granted up to 4 weeks in extreme circumstances but should typically remain in a 2-3 week timeframe to stay within compliance for grade reporting policies with the Department of Defense. Students can request a military withdrawal only up to the original end date of the course. Once the original end date of the course has passed, students will not be able to request a withdrawal for any reason. Professors should use discernment when reviewing military documentation to avoid awarding an incomplete to a student who will not feasibly be able to complete the course. Military students should notify their military education office of a course incomplete if they are using Tuition Assistance.

The Office of Military Affairs is available to help professors review military orders, as needed, phone: (434) 592-5990, fax: (434) 455-1287, email: lumilitary@ liberty.edu.

### GRADUATE RESIDENTIAL GRADE APPEALS

Liberty encourages students to have open and respectful communication with their professor to resolve any concerns regarding individual course assignment grades and/or the final grade for the course.

#### Criteria for Appeal:

Only final posted grades may be appealed beyond the professor. Appeals are accepted only when the grade assigned conflicts with:

- The published grading rubrics for the course assignments
- Written communication (i.e. email, announcements, etc.)
- Calculation error on an assignment (resulting in a change to the final grade).

Appeals, other than those mentioned above, will not be reviewed. The student must provide written documentation that demonstrates the occurrence of one or more of the above listed grounds for appeal. Documentation may be in the form of e-mail correspondence, graded assignments, proof of timely submission, etc.

#### Appeal Process:

A student wishing to appeal a final grade must submit the appeal to his/her professor and seek to resolve the situation with them. If the student wishes to appeal further he/she must follow the process outlined below:

1. Within 30 calendar days of the end of the term, the student may submit a written appeal to the Program Director/Chair. The student must include the information required above. The Program Director/Chair will consult with the instructor and review the student's written appeal. The Program Director/Chair will then notify the instructor and the student of his/her decision.

2. If the student has additional support for his/her appeal, the student may submit a written appeal to the Dean/Academic Director after receiving the decision by the Program Director/Chair. This written appeal must be received within five (5) business days of the Program Director/Chair’s email. The Dean/Academic Director will review the student's appeal, as well as any information provided by faculty member. When a decision has been reached, the Dean/Academic Director will notify the Program Director/Chair, the faculty member and the student. If the student has additional support for his/her appeal, after receiving the decision by the Dean/Academic Director, the student may submit a written appeal to the Dean of Academic Administration for the Graduate School and Online Education.

3. This written appeal must be received within 5 business days of the Dean/Academic Director’s email. The Dean of Academic Administration for the Graduate School will review the student's appeal, as well as any information provided by faculty member. When a decision has been reached, the Dean of Academic Administration for the Graduate School will notify the Dean/Academic Director, the Program Director/Chair, the faculty member, and the student. The Decision of the Dean of Academic Administration for the Graduate School is final.

### LIBERTY UNIVERSITY ONLINE GRADE APPEALS

Liberty encourages students to have open and respectful communication with their professor to resolve any concerns regarding individual course assignment grades and/or the final grade for the course.

#### Criteria for Appeal:

Only final posted grades may be appealed beyond the professor. Appeals are accepted only when the grade assigned conflicts with:

- The published grading rubrics for the course assignments
- Written communication (i.e., email, announcements, etc.)
- Calculation error on an assignment (resulting in a change to the final grade).

Appeals, other than those mentioned above, will not be reviewed.

The student must provide written documentation that demonstrates the occurrence of one or more of the above grounds for appeal. Documentation may be in the form of
Students withdrawing before the semester begins must only contact the Student Advocate Office in order to initiate the withdrawal process.

(See Expenses and Financial Policy Information: Withdrawals section). This is in effect even if the student drops classes in such a way as to go below full-time status during add/drop week.

If a student withdraws from all classes in a term, the student has officially withdrawn from the University. Financial Aid Recipients are subject to the Title IV withdrawal calculation.

Students receiving all grades of FN will be considered to have unofficially withdrawn from Liberty. The withdrawal date will be determined by the Registrar’s Office and will be based upon the student’s last date of attendance in class. Students with Federal grants and/or Federal loans will be subject to the Title IV withdrawal calculation. The Title IV withdrawal calculation will result in the reduction and/or cancellation of all Financial Aid. Consideration will be given to students withdrawing due to circumstances beyond their control.

An expulsion resulting from violation of the disciplinary system will result in an administrative withdrawal. A grade of W will be recorded in all courses for which the individual is officially registered.

A $50 fee will be charged for the processing of an official, unofficial, or administrative withdrawal. This fee will be deducted from any refund due on the student’s account or he/she will be responsible for payment of this fee.

Anyone who withdraws from the University is considered to be breaking enrollment. Students who break enrollment must apply for readmission and will be subject to the requirements of the catalog and degree requirements in effect at the time of his or her readmission.

**Withdrawal from Liberty University**

**REMEMBER:** Any change in status (i.e., from full-time to part-time, etc.) may cause the reduction or cancellation of your financial aid award. In other words, your out-of-pocket expenses may increase.

Students withdrawing from the University during the semester must meet with a representative from the Student Advocate Office for exit counseling. As a part of this process, the student must also meet with a representative from the Financial Aid Office and the Student Accounts Office (if there is an outstanding balance on the student’s account), and will be required to submit a signed statement of withdrawal. The student’s official withdrawal date is the date they begin the withdrawal process by notifying a representative from the Student Advocate Office of his/her intent to withdraw.
ONLINE PROGRAM UNEFFICIAL WITHDRAWALS

In accordance with Title IV regulations which require that universities have a mechanism in place for determining whether or not a student who began a course and received or could have received a disbursement of Title IV funds unofficially withdrew, the University has established a procedure for students enrolled in the online courses. This procedure is used to determine if students are progressing toward the completion of their courses.

Students who begin a course, but at some point in the semester cease attending, and do not provide official notification to withdraw, will be assigned a grade of "FN" (Failure for Non-Attendance), dated to the student’s last date of attendance (based on the definition provided earlier). A grade of "FN" will be assigned when a student stops attending and/or participating in a class for a period of 21 consecutive days or longer.

The student alone assumes responsibility for course work missed from non-attendance. If a student receives all FN’s in a term, he/she is subject to the Unofficial Withdrawal procedure that includes the reduction and/or return of all Financial Aid. Students are fully responsible for all resulting charges on their student account. To review the entire Financial Aid Withdrawal policy, go to http://www.liberty.edu/media/1260/1415%20Withdrawal%20Policy.pdf.

Unofficial Withdrawal for Non-Attendance Appeal Process:
Students who receive a grade of "FN" may appeal to their professor to have the grade removed to resume work in the course. This appeal must be communicated in written form to the faculty member. Please note, if the appeal is granted the student must complete the course with an earned grade.

INSTITUTIONAL CHALLENGE EXAMINATIONS (ICE)

To apply for credit by examination, Liberty University Online students must submit an ICE Request Form to the ICE Coordinator via e-mail to luoice@liberty.edu; A non-refundable registration fee of $50 will be charged for each ICE attempted. A $45 passing fee will only be applied if a student should pass the exam. Such requests are subject to the following guidelines:

1. Requests must be submitted through the ICE Coordinator (luoice@liberty.edu) using the ICE Request Form located at http://www.luonline.com/index.cfm?pid=14243.
2. The minimum passing score for graduate Institutional Challenge Exams is a B minus according to the grading scale in use at the time the exam is taken.
3. A passed ICE is awarded a grade of “P” (passing) and does not count toward the student’s grade point average.
4. The majority of the course work for any program of study must be earned through Liberty University. Each program specifies the minimum number of hours which must be completed through Liberty. ICE credit hours do not count toward this minimum.
5. The use of notes, books, websites, and other materials is prohibited while taking the exam.
6. Exams may only be taken one time and within one month of the notification of the exam.
7. Students may not take the ICE if the course has previously been taken or is currently being taken.
8. ICE may be taken during the drop/add period.

9. ICE may not be taken after classes begin in the student’s final semester.
10. ICE credits may not be applied toward residency hours.

Only the following courses may be challenged:

Office of Graduate and Online Student Affairs

Liberty University Code of Honor for Graduate and Online Students

ACADEMIC AND PERSONAL CODE OF HONOR

Liberty University is comprised of a network of students, Alumni, faculty, staff and supporters that together form a Christian community based upon the truth of the Bible. This truth defines our foundational principles, from our Doctrinal Statement to the Code of Honor. These principles irrevocably align Liberty University’s operational procedures with the long tradition of university culture, which remains distinctively Christian, designed to preserve and advance truth. Our desire is to create a safe, comfortable environment within our community of learning, and we extend our academic and spiritual resources to all of our students with the goal of fostering academic maturity, spiritual growth and character development.

Communities are predicated on shared values and goals. The Code of Honor, an expression of the values from which our Doctrinal Statement was born, defines the fundamental principles by which our community exists. At the core of this code lie two essential concepts: a belief in the significance of all individuals, and a reliance on the existence of objective truth.

While we acknowledge that some may disagree with various elements of the Code of Honor, we maintain the expectation that our students will commit to respect and uphold the Code while enrolled at Liberty University. Adherence to the principles and concepts established within facilitates the success of our students and strengthens the Liberty community.

THESES AND DISSERTATIONS

Some graduate degrees require a thesis, thesis project, or dissertation for graduation. Graduate thesis and dissertation requirements will not be considered complete until receipt of an acceptable copy of the approved thesis or dissertation is confirmed by the Jerry Falwell Library in accordance with current library deposit policies.
CERTIFICATE COMPLETION PLANS
Certificate completion plans outlining the program of study and other requirements for each graduate certificate program are available online at http://www.liberty.edu/dcps.

DEGREE COMPLETION PLANS
Degree completion plans outlining the program of study and other requirements for each graduate program are available online at http://www.liberty.edu/dcps.

TIME LIMITS FOR CERTIFICATE COMPLETION
Students pursuing a certificate must complete the certificate requirements within three (3) years of the date of matriculation.

Any student who does not complete coursework within the permissible time limit for any reason, including discontinued enrollment, must reapply for readmission and will be subject to the requirements of the Catalog and Certificate Completion Plan (CCP) in effect at the time of his/her readmission.

A break in enrollment occurs when the student fails to enroll in at least one course during an academic year. The academic year begins with the start of the fall semester and ends with the conclusion of the summer term. Students who break enrollment must apply for readmission and will be subject to the requirements of the Catalog and certificate requirements in effect at the time of their readmission.

TIME LIMITS FOR DEGREE COMPLETION
All 30–47 semester hour masters’ programs have a maximum time limit of five years from the date of matriculation. All 48-60 semester hour master’s programs, doctoral programs, or degrees offered outside the regular semester have a maximum time limit of seven years from the date of matriculation. All over-60 semester hour master’s programs and doctoral programs have a maximum time limit of ten years from the date of matriculation.

Any approved exceptions to the policies noted above, pertaining to a specific degree program, will be stated in this Catalog in the Graduation Requirements information for that degree program.

Any student who does not complete coursework within the permissible time limit for any reason – including discontinued enrollment – must reapply for admission. The respective program director will determine if any previous courses are sufficiently time sensitive and must be repeated. Beginning with the date of readmission, the time limit for degree completion is determined by the number of hours remaining: less than 48 hours – five years; 48-60 hours – seven years; more than 60 hours – ten years.

For resident students, a break in enrollment occurs when the student fails to enroll in either the Fall or Spring semesters. For online students, a break in enrollment occurs when the student fails to enroll in at least one course during an academic year. The academic year begins with the start of the fall semester and ends with the conclusion of the summer term. Students who break enrollment must apply for readmission and will be subject to the requirements of the Catalog and degree requirements in effect at the time of their readmission.

WORK IN RESIDENCE
Online student candidates for the Master of Arts in Counseling and Master of Education degrees must complete nine hours on campus. Candidates for the Doctor of Education degree must complete 12 hours on campus. Students may satisfy this requirement by attending modular courses or attending other regularly scheduled classes at Liberty University. Modular courses are one-or-more-week intensive sessions scheduled during summer and other selected times during the year.

Students requesting exemptions must do so by presenting their reasons (with documentation) to the appropriate Liberty University Online Faculty Coordinator.

GRADING POLICIES AND PROCEDURES
Liberty University Faculty members, both residential and online, must submit final grades for all students to the Registrar at the end of each term. Faculty teaching online courses should have grades submitted to the Registrar on or before the second Wednesday after the course ends. Faculty teaching residential courses should have grades submitted to the Registrar one week after the end of each semester. Liberty University Faculty members, both residential and online, are urged to promptly complete and submit final course grades. Confidentiality of student grades falls under the Family Educational Rights and Privacy Act (FERPA) of 1974. Please see the FERPA section and policies for more information.

Grading Scales:
Liberty University incorporates a standardized 1,000 point system across all undergraduate and graduate programs. The undergraduate utilizes a 100 point scale to differentiate between letter grades, while the graduate programs utilize three distinct scales: 80, 70 and 60 point scales to differentiate between letter grades. Each academic department determines the scale used within the department. The grading scale for each course will be posted within the syllabus for each course. Students are encouraged to review the syllabus for each course individually to verify the grade scale.

RECORDING OF GRADES
All grades will be recorded in the Registrar’s Office as reported by the instructors in charge of the various courses. Requests for grade changes may be submitted in writing only by the instructors.

Any extra-credit assignments that are a part of the instructor’s syllabus must be completed prior to the final exam for the course. A student may not submit an assignment for extra credit after the semester has ended and a final exam has been given.

ACADEMIC TRANSCRIPTS
Official transcripts are made only at the request of the student. No transcript will be issued for anyone who has failed to meet all financial obligations to the University. Requests for transcripts are to be made directly to the Registrar’s Office. There is a $10.00 fee for one transcript. Additional transcript requests made at the same time are $1.00 each.

GRADUATION REQUIREMENTS
The following general guidelines for graduation apply to each candidate for a graduate degree. Any additional requirements are specified in the section which describes a particular program.

1. Post-baccalaureate, graduate, or professional programs must be at least 30 semester credit hours.

completed through Liberty for each degree program is noted in this Catalog in the Graduation Requirements section for that program.

5. The student must submit a Graduation Application to the Registrar’s Office at the beginning of his/her final semester.

6. The Registrar’s Office will process the conferral of a degree once all degree requirements have been met, including the minimum GPA requirement and graduation application. If a student wishes to take further non-applicable coursework, he/she must do so under a new application.

6. The Registrar’s Office will process the conferral of a certificate once all certificate requirements have been met including the minimum GPA requirement and certificate completion application. All candidates for graduation must be approved by the faculty and the Board of Trustees. Conditions such as transfer credit and incomplete grades should be removed by the beginning of the candidate’s last semester.

GRADUATION HONORS

Honors graduation is available for all graduate, postgraduate, and doctoral programs. Honors for graduation will be determined by the cumulative GPA earned at Liberty. Students must meet the following GPA standards to earn the corresponding academic distinction:

<table>
<thead>
<tr>
<th>GPA</th>
<th>Distinction</th>
</tr>
</thead>
<tbody>
<tr>
<td>3.90 – 3.94</td>
<td>Graduate with distinction</td>
</tr>
<tr>
<td>3.95 – 4.00</td>
<td>Graduate with high distinction</td>
</tr>
</tbody>
</table>

The specific honor calculated on April 1 of the student’s graduation year will be printed in the commencement program and the student will wear that particular honor regalia; however, the final cumulative grade point average will be recorded and that final cumulative GPA will determine the specific honor that will be printed on the diploma and transcript. Students in certificate programs are not eligible for graduation honors.

COMMENCEMENT CEREMONY

Degrees are granted in September, January, and May of each year. All candidates for degrees may participate in the annual graduation exercises which take place in May.

*Same rate applies to students enrolled in Liberty University en Español.
It is the responsibility of the student and person financially responsible for the student’s account to maintain current bank or credit card information and to ensure that the account has sufficient funds at the time of the scheduled draft under the Payment Plan agreement. When using a card, the student must check with the bank or credit card company to be sure the daily spending limit is set to avoid declined payment(s) and resulting fees. The bank or credit card account must be from an institution that participates in automatic draft/debit programs. Liberty University cannot draft payments from non-U.S. bank accounts, money market, trust, home equity, or savings accounts.

Payment Plan options will vary depending upon when Financial Check-In is completed.

**STUDENT ACCOUNT PAYMENT**

Payment on a student account can be made in the form of check, money order, cashier’s check, credit card, or on-line via the student’s ASIST account. Cash payments are received at the General Cashier’s Office in the Student Service Center in Green Hall. Students may cash checks at the cashiering windows for a fee of $1 per check.

A student’s account must be paid in full prior to registering for any future courses. The Financial Check-In system online is where students confirm their financial arrangements with Liberty University. When a student completes Financial Check-In for a future term and then becomes delinquent in the current term, or loans are returned to the lender, the resulting balance must be resolved prior to the start of the future term. In this circumstance, it is in the best interest of the student to consult with a Student Accounts Representative to discuss options for resolution on account.

Monthly statements are sent by email to current and former students who have an outstanding balance on their account. Statements are sent to the student’s Liberty email address.

**CHECK CASHING**

As a courtesy to currently enrolled students, the General Cashiering Office will cash checks from the student’s personal checking account, their parent’s check, or a Liberty University payroll check. The maximum amount for cashing is $50 and can only be cashed once a week. A fee of $1 per check will be charged for each check cashed. If a check is returned to the University for any reason, the student’s account will be assessed the check amount as well as the Returned Payment Fee. After two (2) offenses, the student will lose the privilege of cashing checks with Liberty University.

**PAYMENT PLANS**

The University offers Payment Plan options to students in the form of automatic scheduled monthly payment drafts for student account balances. A non-refundable Payment Plan Participation Fee is charged for each semester that the student participates in the Payment Plan. The installments are automatically processed on the scheduled draft date (1) from a bank account; or (2) from a debit/credit card account. No interest is charged on the outstanding balance while in a Payment Plan. Those students who enter a debit/credit card account. No interest is charged on the outstanding account balances. A non-refundable Payment Plan Participation Fee will be charged a chargeback fee. The fee amount is dependent on the current credit card processors fee to the University.

**CHARGEBACK FEE**

If a chargeback is initiated by a student, and the Merchant findings are in favor of the University, the student’s account will be charged a chargeback fee. The fee amount is dependent on the current credit card processors fee to the University.

**RETURNED PAYMENT FEE**

A student will be charged a Returned Payment Fee for any returned or declined payment made via check, automatic draft or declined credit card draft(s). After two returned or declined payments, all transactions for the remainder of the academic year can only be made by cash, money order, or certified check. Repeat offenders are subject to losing the privilege of utilizing the check payment option and monthly payment plan options. Any future payment options will be at the discretion of the Director of Student Accounts. If a student provides invalid checking or credit card account information for their Payment Plan, the student’s account will also be subject to the Returned Payment Fee.

**ONLINE CLASS ATTENDANCE**

Regular attendance in online courses is expected throughout the length of the term. Online students who do not attend within the first week of a sub-term by submitting an academic assignment (such as the Course Requirements Checklist, an examination, written paper or project, discussion board post, or other academic event) will be dropped from the course roster and will not be allowed to submit further course work. The student may appeal to their instructor to remain in the course.

The online student alone assumes responsibility for course work missed due to non-attendance. A student who presents the instructor with an adequate and documented reason for absence may be given an opportunity to make up the work missed.

Online students who begin attendance by submitting an academic assignment then eventually cease progressing toward the completion of the course will be assigned a grade of FN during the semester.

**HOUSING FEE**

A student living in University housing is required to pay the applicable housing fee each semester depending on location and amenities. This fee covers room, and the basic resident board plan in the University dining hall.

If a student moves into the residence hall for the Fall semester, and then withdraws or is allowed to move off campus (see regulations in the Student Affairs section of this publication) at any point during the academic year a portion of the housing fee will be prorated back to the student’s account based on the date that the student removes items from the residence hall.

In the Spring semester, if a student does not remove items from the previous semester and withdraws but does not remove items, the student will be charged a prorated amount of the housing fee based on the date of removal of items.

The student must check with the Office of Student Housing if they are considering moving off campus or withdrawing prior to the end of the academic year after completing Financial Check-In for the Fall semester.

**DINING FEE**

Any student living in University housing is required to pay the applicable housing & dining fees each semester (including online students that are living on campus). These fees cover housing amenities and the basic resident dining plan in the University dining hall. This requirement allows students to focus on academics and extracurricular activities rather than on basic needs such as food and shelter. The required dining plan for students living in University
housing promotes healthy living, social engagement, and the residential community experience.

EXPENSES AND FINANCIAL POLICY
TITLED IV WITHDRAWAL POLICY

When students withdraw from all classes in a given term, they will be subject to a proration of all federal, state and institutional aid. This prorated amount takes into account the total number of days that the student was enrolled. For instance, if there are 100 days in a term, and a student withdraws on day 20, that student has earned 20% of his federal, state and institutional aid. All remaining aid is unearned, and unearned portions of federal funds are required by law to be sent back to the federal government (34 CFR 668.22). Please note that Liberty University institutional aid will be prorated according to the same schedule as Title IV federal student aid. Due to these provisions, students should be aware that having enough financial aid to cover their charges at the beginning of the semester does not ensure that their financial aid will completely cover their charges at the time of withdrawal.

To begin the withdrawal process: Resident Students must contact their Student Advocate, and Online students must contact their Academic Advisor. For more information on the financial repercussions of withdrawing, please contact Liberty University’s Financial Aid Office at: 1-888-583-5704.

WITHDRAWAL REFUND POLICY

Resident students are considered ‘withdrawn from the University’ if they withdraw from all courses for the semester.

- Any resident student who withdraws from the University and completes the official withdrawal procedure will receive a refund of tuition and fees as follows:
  1. 100% will be credited if a student withdraws during the first week of classes
  2. 50% will be credited if a student withdraws during the second, third or fourth week of classes
  3. 25% will be credited if a student withdraws during the fifth through eighth week of classes
  4. No tuition or fees will be credited after the eighth week of classes

- If a student moves into the residence hall for the Fall semester, and then withdraws or is allowed to move off campus (see regulations in the Student Affairs section of this publication) at any point during the academic year a portion of the housing fee will be prorated back to the student’s account based on the date that the student removes items from the residence hall.

- In the Spring semester, if a student does not remove items from the previous semester and withdraws but does not remove items, the student will be charged a prorated amount of the housing fee based on the date of removal of items.

- Students must check with the Office of Student Housing if considering moving off campus or withdrawing prior to the end of the academic year after completing Financial Check-In for the Fall semester.

- The dining plan will be rebated at a flat rate of $63 per week for the unused portion of the semester. The $200 flames cash allocation of the dining plan will not be refunded. Students that have not used the flames cash portion can contact Card Services to discuss the unused balance.

An Online student who is currently enrolled in courses for a given term (including overlapping 16-week sub-terms) will be considered as totally withdrawn when that student is withdrawn from all courses in that sub-term.

Depending on the student’s state of residence, there may be specific withdrawal refund requirements. Once a withdrawal is processed, the student will need to contact Student Accounts to receive further details about their individual refund.

Any student who completes the official withdrawal procedure may receive a refund of tuition and mandatory fees (i.e. technology and activity fees, if applicable) as follows:

1. 100% tuition and fees will be credited if the student withdraws within the first week of the class but before submission of the first assignment (first assignment includes the Course Requirements Checklist).
2. 75% tuition and fees will be credited if the student withdraws after submitting their first assignment and through the end of the second week of classes.
3. 50% tuition and fees will be credited if the student withdraws after the second week of classes and before the end of the fourth week of classes.
4. 25% tuition and fees will be credited if the student withdraws after the fourth week of classes but before the seventh week of classes.
5. No tuition or fees will be credited after the sixth week of classes.

Intensives: A week is defined as Monday morning at 12:00 a.m. through Sunday night at 11:59 p.m. This may not align with the posted deadlines.

1. One- and Two-Week Intensives (tuition and fees credit)
   100% - Start of class to close of the first day
   50% - Start of class to close of the second day
   0% - After the close of the second day, the student is liable for ALL tuition and fees

2. Three-Week Intensive (tuition and fees credit)
   100% - Start of class to close of the first day
   50% - Start of class to close of the third day
   25% - Start of class to close of the fifth day
   0% - After the close of the fifth day, the student is liable for ALL tuition and fees

3. Four-Week Intensive (tuition and fees credit)
   100% - Start of class to close of the first day (End of drop/add period)
   50% - Start of class to close of the fourth day
   25% - Start of class to close of the seventh day
   0% - After the close of the seventh day, the student is liable for ALL tuition and fees
HIGHER ONE CARD
Higher One is the banking partner that disburses refunds for the University. Every Liberty University student is issued a Higher One card as a tool for receiving refunds. After completing Financial Check-In, card is sent to the address on file in ASIST. There is a charge of $15 to replace a lost card.

Financial Aid Information and Policies

Robert Ritz, B.S., M.Ed., Ph.D.
Vice President for Financial Aid and State Relations

The Financial Aid Office administers the financial aid programs for the University and provides financial assistance to students who have a financial need and would otherwise be unable to attend Liberty University. Primarily the student is responsible for the cost of higher education. A student who needs financial assistance is expected to contribute by working or borrowing a reasonable portion of the funds needed for educational expenses.

Financial aid is available to eligible students to help meet education-related expenses. The types of financial aid available include grants, loans, scholarships, and employment. Grants and scholarships are “gift aid” and need not be repaid. Loans must be repaid to the lender over an extended period, typically after the student leaves school. Employment offered as a type of financial aid is paid at a pre-determined rate for work actually performed.

All applicants for financial aid are required to:

1. Apply for admission to the University;
2. Be degree candidates. Student auditors, dually enrolled high school students and special non-degree students are not eligible for federal financial aid; and
3. Complete, electronically sign, and submit a Free Application for Federal Student Aid (FAFSA) with the United States Department of Education by the priority deadline date of March 1 each year in which financial aid is desired. Students are urged to apply early for optimum financial aid benefits. Complete the FAFSA on the web at http://www.fafsa.ed.gov. The school code for Liberty University must be entered on the FAFSA for the institution to receive a Student Aid Report. The school code for Liberty University is 010392. Use the IRS Data Retrieval Tool when completing the FAFSA, when eligible.

For new students entering in the Spring semester, the priority deadline date to file the FAFSA is by October 1.

4. Complete verification when required.

Once the completed FAFSA is received by the United States Department of Education, information provided by the student on the FAFSA is used to produce a Student Aid Report (SAR). The SAR calculates the Expected Family Contribution (EFC), which is used to determine the student’s financial need.

The student’s financial need is the difference between the Cost of Attendance and the EFC. The Cost of Attendance may include the educational expenses of:

1. Tuition;
2. Room and board (for students living on and off campus);
3. Required fees;
4. Books and supplies;
5. Transportation; and
6. Miscellaneous expenses.

The amounts for these six educational expenses are the student’s estimated Cost of Attendance at Liberty University, and they become the student’s budget for financial aid purposes. Only the actual tuition, fees, and room and board (for resident students living in campus housing) are provided on the student’s University bill.

Financial aid recipients are selected on the basis of demonstrated financial need (as stated earlier) and academic achievement. Each financial aid recipient is provided an Award Notification Letter, which is the University’s official offer of estimated financial aid. Students do not need to respond to the Award Notification Letter unless they are:

1. Requesting a decreased loan amount;
2. Declining the loans or other aid offered; or
3. Receiving additional financial aid.

Students who want to reduce or decline federal loans that are automatically awarded to eligible students can complete a Federal Direct Student Loan Change Form in ASIST. In order for a Liberty University student to continue to receive Institutional Or Federal Financial Aid, The Student Must Maintain Financial Aid Satisfactory Academic Progress. Liberty University’s policy for determining satisfactory academic progress is stated below.

For more information on financial aid, visit the Financial Aid Office, located in the Student Services Center at Green Hall or find us on the Internet web site at http://www.liberty.edu/financialaid.

Financial Aid Satisfactory Academic Progress Policy

The Financial Aid Office of Liberty University administers student financial aid programs from federal, state, and institutional, sources. The U.S. Department of Education requires schools to evaluate progress for all students, even those who did not receive financial aid in prior terms at Liberty University.

Students must meet Financial Aid Satisfactory Academic Progress (SAP) requirements to receive federal Title IV and institutional aid. The Virginia Commonwealth programs are administered under the guidelines from the State Council of Higher Education for Virginia (SCHEV).

This policy describes the Financial Aid Satisfactory Academic Progress requirements and is in addition to and operates separately from the Academic Satisfactory Progress requirements for each academic program.

Evaluating Satisfactory Academic Progress:

The standards against which all students are measured include Qualitative, Quantitative, Maximum Time Frame, and “All Unearned Credits” standards. The academic record of all students is reviewed when final grading is completed for each term. The review is cumulative and includes all courses taken at the student’s current academic level. After the evaluation, letters will be sent to all students who have insufficient academic progress and are being placed on Financial Aid Warning or Suspension.

Qualitative Standard

Cumulative GPA is composed of all coursework at the current academic level and is calculated by the Registrar’s Office. Students must meet the minimum cumulative GPA as determined by their classification and program.

All Unearned Credits

Students attempting at least half-time level credits who earn no credits for the term will be placed on financial aid suspension and will not be permitted to receive financial aid in their next term.

Grades that do not count as earned toward completion of the academic program: Because some grades are NOT counted as earned credits toward the completion of a degree program, they are not counted as successfully completed credits toward the minimum financial aid satisfactory academic progress standards. Examples include, but are not limited to: AU, BU, CR, CU, F, FN, FW, I, IP, M, N, NP, U, W, WF, WP, WU, X, Z.

Break in Enrollment

When a student has a break in enrollment and is readmitted, the SAP status for prior terms will apply. For example, if a student is placed on financial aid suspension at the end of the Spring term, does not return in the Fall term, and is readmitted the next Spring term, the student will continue in a financial aid suspension status for that term.

Federally Defined Leaves of Absence (FLOA)

Liberty University does not grant federally defined Leaves of Absence for Financial Aid purposes. Instead of utilizing a federally defined Leave of Absence, the University assists students by:
- Making tutoring available
- Allowing students to work with faculty to finish incomplete coursework
- Allowing an official appeal of the Financial Aid Refund calculation based on unusual circumstances
- Allowing students to “stop-out” for one or more semesters
- Allowing students to drop courses with a “W” rather than an “F” during specific time-frames
- Allowing students to submit a Special Considerations Form (even during the period of enrollment) to reconsider the calculation of need-based financial aid eligibility
- Allowing students to appeal a determination of insufficient satisfactory academic progress under the Financial Aid Satisfactory Academic Progress Policy requirements.

The “Federally Defined Leave of Absence” policy listed above is for student financial aid purposes only and does not address University policy for employees (i.e. FMLA regulations).

Terms/Parts-of-Term/Summer Sessions

A traditional semester is referred to as a standard term (e.g. Fall, Spring, and Summer). Standard terms, as defined by Liberty University, are comprised of a combination of smaller “sub-terms” (e.g. sub-term B, sub-term C, etc.). Satisfactory Academic Progress requirements are calculated based on the combined sub-terms as defined by Liberty University. Intercession credits from classes occurring during approximately the final two weeks of December and/or the first two weeks of January will be added to the Spring Term. Any other intensive courses will fall within a standard term (and be attributed to only that specific standard term). Summer sub-terms, for the purpose of credit hour load and measurement of progress, are combined together into the Summer term. The Summer term is considered a “trailer” at Liberty University. This means that aid processed for the Summer term will be based on the FAFA from the prior year.
Delay or Changes with Future Aid
In some cases, the grades are submitted on dates close to or during the subsequent term. This will delay the SAP review process and may affect aid in subsequent terms for some students. Students who are affected will see their financial aid satisfy academic progress as “Waiting” status in ASIST until grades are submitted and SAP is reviewed.

Withdrawals and Incompletes
Courses from which a student withdraws or receives a grade of incomplete will not be considered as satisfactorily completed. The courses, which will be considered courses attempted but not completed, may negatively affect eligibility for the next term and will factor into the measurement for the maximum time frame.

Repeated Courses
Repeated courses are considered in the maximum time frame requirement. The course/s will be considered as attempted each time the course is taken. Repeating the same course during the same term is not allowed as this would inflate the student’s enrollment level requiring the elimination of related financial aid. Additionally, a course that is repeated during the same term would cause an incorrect calculation of the completion rate (Quantitative Standard) listed above.

In most cases, enrollment in a course that is repeated more than once cannot be counted toward enrollment for future financial aid eligibility. The Repeated Coursework Policy can be read in full at www.liberty.edu/fapolicies.

Transfer Courses
Transfer courses are not considered in determining eligibility under the qualitative measure but are considered in the quantitative and maximum time frame measurements. Transfer students are awarded as first-year students without regard to grade or warning status at the prior post-secondary institution. The Financial Aid SAP requirements would then be used to measure the transfer student’s continued status. Transfer credits must be evaluated and a grade-level established, and any Unusual Enrollment Holds (UEH) designations must be cleared before any educational loans are processed.

Consortium Agreements
The number of credits earned under an approved consortium agreement is integrated into the student’s record upon completion of the course. NOTE: Courses must first be approved for transfer by the Liberty University Registrar’s Office. The Consortium Agreement is also subject to approval by both the home and host institution’s authorized financial aid staff. Failure to complete the course/s could negatively reflect in the SAP evaluation. Financial Aid staff from the home school will request information from the host school during the enrolled term to confirm continued enrollment and (at the end of the term) satisfactory academic progress. Failure to complete the course/s or completing a course/s in a manner that does not comply with University’s transfer standards will result in financial aid suspension and future requests for a consortium agreement will not be considered. If a Financial Aid SAP appeal is approved, unearned hours under the consortium agreement will not be calculated when future progress reviews occur.

Remedial/Developmental Course work:
Financial aid is not available for non-credit remedial courses. Remedial/Developmental courses carrying regular college credit are considered in determining the qualitative, quantitative and maximum time frame requirements for SAP. These courses are counted in enrollment for financial aid eligibility since they meet the following federally defined requirements:

1. They are not a prerequisite that would hinder admission into an eligible degree program at Liberty University.
2. They are less than one year in length.
3. They offer instruction above the 5th Grade Elementary level.
4. They are not used to satisfy high school graduation requirements.

ESL Courses
Financial aid, including Dependent Grant in Aid (DGIA) and Continuing Education (CE) benefits, is not available for students enrolled in the ESL/ELI program. ESL courses taken as part of an undergraduate program are non credit courses. ESL/ELI courses are not included in the calculation of satisfactory academic progress.

Special Student Status
Special Students are not eligible for federal and state aid. Some Special Students qualify for certain institutional aid programs. For this reason, the Quantitative Standard Rule, Maximum Timeframe Rule and All Unearned Credits Rule of the Financial Aid Satisfactory Progress Policy apply to Special Students. The minimum cumulative grade point average requirement for Special Students is 2.00 for Graduate, Doctoral and Law programs.

Change in Major / Additional Degrees
When a student changes their major or seeks an additional degree, the student may appeal to the Financial Aid Office to have courses attempted and earned that do not count toward the student’s new major or degree excluded from the Maximum Time Frame calculation of a student’s SAP standing.

Changed Grades
If a grade is changed, the student is required to notify the Financial Aid Office immediately. The Financial Aid Office will then initiate a review of the effect of the grade change on academic progress within 30 days of notification. A grade change late in or after the term in question, or failure to notify the Financial Aid Office may result in the loss of financial aid eligibility because regulations may limit the time within which aid may be re-awarded or disbursed.

The Liberty School of Law adheres to a schedule which allows for grades to be submitted after the end of the term. Because of this, Liberty School of Law students evaluated after grade submissions may have their aid eligibility recalculated – and may need to adjust their payment arrangements through Financial Check-In later than non-law students.

Academic Amnesty Program
Federal regulations require that the student’s complete academic history be included in the evaluation of Financial Aid Satisfactory Academic Progress. Therefore, the Academic Amnesty Program at Liberty University cannot alter the academic history reviewed for Financial Aid Satisfactory Academic Progress.

Cumulative grade point averages used for the measurement of Financial Aid Satisfactory Academic Progress is based on all attempted courses at the current academic level and may not be replaced by other calculations such as courses within a specific degree or major.

Failure to Make Satisfactory Academic Progress
Students who fail to meet the qualitative and/or quantitative standards at the end of a term (based upon the student’s enrollment) will be placed on financial aid “warning” status and will remain eligible for financial aid while on a warning status. Students on financial aid warning status must meet the qualitative and
quantitative requirements by the next term’s measurement of progress.

Students not meeting the requirements at the next term’s measurement of progress will be placed on financial aid suspension and considered ineligible for future financial aid until the deficiencies are resolved.

**Re-establishing Eligibility**

Students may re-establish eligibility for financial aid by taking appropriate action to meet the minimum academic standards. If the student cannot meet the academic standards, re-establishing eligibility usually requires the submission of a Satisfactory Academic Progress Form with supporting documentation. Re-admission to Liberty University after Academic suspension or approval of an Academic suspension appeal does not automatically reinstate financial aid eligibility after a Financial Aid suspension.

**Exemption of Certain Institutional Funds**

Some specific institutionally funded sources of financial aid are excluded from the minimum requirements under the Financial Aid Satisfactory Academic Progress Policy. These funds include:

- The Liberty University Online Program Alumni Scholarship
- The Founder’s Memorial Scholarship Programs (including associated funds formerly known as “Jerry Falwell Ministries - JFM” or “Jerry Falwell Scholarship - JFS”).
- Discounts that are not listed as an aid fund, but as a resource.
- Liberty University employees who are not enrolled in a degree program -and- not receiving any other type of financial aid covered under this policy, are exempt from the 150% rule requirement.

**Please Note:** The Dependent Grant in Aid (DGIA) program does require the student to be enrolled in a degree program and therefore DGIA recipients are subject to the 150% rule and other requirements within this policy.

- The Liberty University VTAG Institutional Fund
- The WWMC Radio Scholarship Fund
- The Liberty University Online Promotional Fresh Start Award
- The Liberty University Endurance Program
- The Liberty University Online Promotional Book Dollar Award

**Appeals**

A student who is placed on financial aid suspension may appeal this decision. To appeal the financial aid suspension, a student must submit to the Financial Aid Office Appeals Committee a signed and dated Satisfactory Academic Progress Appeal Form and any supporting documentation as described on the appeal form. If documentation is requested, it is typically provided from an objective third-party.

**Examples of typically acceptable official documentation**

Signed letter on letterhead from official 3rd party individual, medical bill, medical chart, x-ray, discharge paperwork, pay stub, death certificate, obituary, funeral program, newspaper article, certificate of separation, divorce decree, insurance statement, moving documents, lease agreement, legal documents, military orders, summons, arrest warrant, police report, court documents**

**Official documentation is required to be dated and, as applicable, include a date of service or date related to the reason for the appeal. If a letter is being submitted, it must include a wet signature (electronic, stamped, and photocopied signatures will not be accepted). A character reference not addressing the appeal circumstances is not considered acceptable documentation.**

After the committee reviews the submitted appeal, the student will be notified of the decision in writing. All financial aid awards remain cancelled until the student follows these appeal procedures and receives a written notification of reinstatement. If a reinstatement is approved, the reinstatement will last from the date of the appeal approval until the next term measurement event. Reinstatement of aid eligibility is not retroactive and will only affect current or future enrollment periods. In the cases of those students receiving financial aid in the form of subsidized employment, the student’s worksite supervisor/s will be notified of the reinstatement.

Students on financial aid warning status are not required to submit a letter of appeal since their financial aid eligibility will continue during the warning status.

Students who submit an appeal to the Financial Aid Office very late in a term or after the term has ended may lose financial aid eligibility because regulations may limit the time within which aid may be re-awarded and/or disbursed.

During the period of an approved appeal, students must satisfactorily fulfill the requirements in the Financial Aid academic plan. This academic plan requires every student to have a cumulative completion rate of 75% and a GPA requirement reflecting a quarter point (.25) average above for that regular program for the term of the approved appeal. This plan supports the progression towards resolving overall Satisfactory Academic Progress deficiencies. If the student fails to meet this standard, they will be placed back on suspension and will lose financial aid eligibility.

**Student Should Monitor Progress**

Students are responsible to review their grades (when midterm and end-of-term grades are available) and compare their progress to the standards set forth in the Financial Aid Satisfactory Academic Policy to ensure that they are aware of their standing. As they review their academic information, students are encouraged to proactively seek assistance like pursuing academic advising, arranging tutoring, or regularly discussing their academic work with their instructor/s.

**Please Note:** Since a financial aid suspension that is caused from one term’s grades could immediately affect the next term’s aid, even after the student begins attendance of that term, all students are encouraged to monitor their own progress very closely.

**Consumer Information Statements**

Liberty University, as permitted by federal regulation [34 CFR 668.41], electronically disseminates consumer information including: The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act information. Upon request, the institution will provide a free paper copy. Anyone signing or

**ELIGIBILITY FOR FEDERAL AID**

To receive federal aid, a student must:

- Be a United States Citizen or eligible non-citizen;
- Demonstrate financial need (except for certain loans);
- Have a high school diploma or a General Education Development (GED) certificate;
- Be enrolled or accepted for enrollment as a regular student working toward a degree or certificate in an eligible program;

- Have a valid Social Security Number;
- Register with the Selective Service if required. You can use the paper or electronic FAFSASM to register, you can...
FEDERAL STUDENT LOANS

Federal Student Loans are low interest loans available to students who are enrolled at least halftime. Students who do not have sufficient demonstrated need may be eligible for unsubsidized funds in which the student pays the interest. The student has the option to capitalize the interest (add it to the principal) while in school. Repayment begins six (6) months after students graduate, withdraw, break enrollment, or drop below half-time status.

FEDERAL GRADUATE PLUS LOAN

A federal loan program, the Federal Graduate PLUS Loan is a low interest, federally backed student loan, guaranteed by the U.S. Government. The Federal Grad PLUS Loan is a credit based loan, unlike the Federal Direct Student Loans. Additionally, the Grad PLUS can cover educational expenses up to the cost of attendance, less other financial aid.

A Federal Graduate PLUS Loan allows graduate students to borrow the total cost of graduate education including tuition, room and board, supplies, fees, and travel, less any other aid.

- These student loans are non-need based. PLUS Loans are based on borrower credit history.
- The FAFSA (Free Application for Federal Student Aid) is required.
- Graduate PLUS Loans require no collateral (like other types of loans – including home equity).
- Interest may be tax deductible.

Grad PLUS loans can be deferred while enrolled at least halftime.

FEDERAL TEACH GRANT SUMMARY

The Federal TEACH grant program is the first federal grant program that requires a service agreement and has the potential of converting to a loan. The Federal TEACH Grant makes up to $4,000/year available for full-time students on both the undergraduate and graduate levels. Amounts are prorated for lower enrollment levels. The maximum aggregate amount an undergraduate student can receive is $16,000. The maximum a graduate student can receive is $8,000. These funds can only be used for the student’s first bachelors or first graduate degree. This program is not available for students in doctoral programs.

Service Agreement

In exchange for receiving a Federal TEACH Grant, students must agree to serve as a full-time teacher in a high-need field in a public or private elementary or secondary school that serves low-income students (see below for more information on high-need fields and schools serving low-income students). As a recipient of a Federal TEACH Grant, the student must teach for at least four academic years within eight calendar years of completing the program of study for which the student received a Federal TEACH Grant.

IMPORTANT: If the student fails to complete this service obligation, the United States Department of Education will convert all Federal TEACH Grants funds that the student received to a Federal Direct Unsubsidized Stafford Loan. The student must then repay this loan to the United States Department of Education. You will be charged interest from the date the grant(s) disbursed.

Student Eligibility Requirements

- Complete the Free Application for Federal Student Aid (FAFSA), although you do not have to demonstrate financial need.
- Be a United States citizen or eligible non-citizen.
- Be enrolled in an eligible program
- Be enrolled as an undergraduate, post-baccalaureate, or graduate student in a postsecondary educational institution that has chosen to participate in the Federal TEACH Grant Program.
- Be enrolled in coursework that is necessary to begin a career in teaching or plan to complete such coursework. Meet certain academic achievement requirements (generally, scoring above the 75th percentile on a college admissions test or maintaining a cumulative GPA of at least 3.25).

FEDERAL WORK STUDY (FWS)

The Federal Work Study program provides employment opportunities for students who have a demonstrated financial need based on the FAFSA. Students are paid on an hourly basis; pay will be at least the current federal minimum wage. The total amount of aid a student receives from both federal and non-federal sources cannot exceed financial need. The $4,000 Federal Work Study cannot be applied toward initial Financial Check-In.

Virginia Student Aid Programs

TUITION ASSISTANCE GRANT PROGRAM (VTAG)

Established in 1972, the Tuition Assistance Grant Program (VTAG) is designed to assist Virginia residents who attend accredited private, non-profit colleges and universities in Virginia for other than religious training or theological education. The VTAG is authorized in Chapter 4.1 Section 23-38.11 through 18 of the Code of Virginia as the Tuition Assistance Grant Act.

Applications must be submitted to the Financial Aid Office before the published annual deadline in order to be considered for the maximum award amount.

Full-time students enrolled in an approved program of study, who have been Virginia domiciliary residents for at least 12 consecutive months by the beginning of the fall term for the current academic year, may be eligible for an award. A student who is in Virginia solely to attend college is not considered to be a domiciled resident. Applicants must also be a citizen or permanent resident of the United States. The Tuition Assistance Grant award may be received for no more than eight (8) semesters for undergraduate and six (6) semesters for graduate students. Students pursuing a degree in religious training or theological education may not receive VTAG. Students pursuing the Worship and Music Studies, Intercultural Studies, or the Pastoral Leadership and Biblical Exposition majors are not eligible for VTAG.

Beginning in 2009-10, eligible graduate programs are limited to those in a health-related professional program. At Liberty University, the Masters of Science in Nursing (M.S.N.) program, the Master of Public Health (M.P.H.), Doctor of Osteopathic Medicine, Doctor of Nursing Practice, and Family Nurse Practitioner (D.N.P.) program with cognates in Nutrition or Health Promotion are eligible for VTAG.
The General Scholarship Rule (GSR)
A student’s combined federal grants, state grants, and Liberty aid are not permitted exceed the combined cost of actual tuition and Tier 2 room and board charges ($8,500 per year for 2015-16). The total of federal grants, state, grants, and Liberty aid cannot exceed the cost of actual tuition for students who are not charged for housing. The GSR for commuter students only includes the cost of tuition. PURPOSE
The purpose of the Office of Graduate and Online Student Affairs is to promote a positive Christian community both on campus and within the Liberty University Online community. In order to maintain this Christ centered environment, the Code of Honor is established and upheld through the office for student issues pertaining to academic and personal standards.

BASIC REGULATIONS
The Administration and Faculty have committed Liberty to the highest standards of moral and ethical conduct. Liberty holds as one of its foremost goals the development of men and women of strong character. Firm moral conviction and dependable self-discipline are as important to the mission of the university as academic aptitude.

Students are expected to conduct themselves according to the rules of the University at all times. The specific rules, regulations, and policies that govern student behavior are outlined both in this catalog and in the Code of Honor, which is available on the Graduate Student Affairs website at

http://www.liberty.edu/theschool.

Students enrolled in the Liberty University Graduate School and Liberty University Online are subject to the Liberty University Code of Honor as well as the Liberty Way (if living on campus). This information is available online at

http://www.liberty.edu/theschool as well as this Catalog.

Students enrolled in the School of Law are subject to the Liberty University School of Law Academic Honor Code and Personal Code of Honor. This information is available on the School of Law website at

http://www.liberty.edu/law/.

Liberty University Code of Honor for Graduate and Online Students

ACADEMIC AND PERSONAL CODE OF HONOR
Liberty University is comprised of a network of students, Alumni, faculty, staff and supporters that together form a Christian community based upon the truth of the Bible. This truth defines our foundational principles, from our Doctrinal Statement to the Code of Honor. These principles irrevocably align Liberty University’s operational procedures with the long tradition of university culture, which remains distinctively Christian, designed to preserve and advance truth. Our desire is to create a safe, comfortable environment within our community of learning, and we extend our academic and spiritual resources to all of our students with the goal of fostering academic maturity, spiritual growth and character development.

Communities are predicated on shared values and goals. The Code of Honor, an expression of the values from which our Doctrinal Statement was born, defines the fundamental principles by which our community exists. At the core of this code lie two essential concepts: a belief in the significance of all individuals, and a reliance on the existence of objective truth.

While we acknowledge that some may disagree with various elements of the Code of Honor, we maintain the expectation that our students will commit to respect and uphold the Code while enrolled at Liberty University. Adherence to the principles and concepts established within facilitates the success of our students and strengthens the Liberty community.

The Code of Honor can be viewed in its entirety at

Convocation is not defined as a church service or chapel, but as a time to come together to inform and transform. This distinction allows the platform of Convocation to not only be a pulpit for a guest preacher but also a podium for the highest-caliber scientists, economists, artist, and politicians in the world. Attendance is required at Convocation for all students.

Campus Community  
Campus Community is a weekly worship service on campus that offers spirit-filled worship and expositional biblical teaching. The Bible passages discussed at Campus Community create a consistent, biblical dialogue among students across campus. All students are encouraged to attend Campus Community.

SAND VOLLEYBALL COMPLEX

Consisting of eight courts, which were completed in two phases, this facility is a premiere venue in the area. Lights provide the opportunity for evening play. The complex is the home for Liberty’s men’s and women’s club sports teams and coed intramural sports leagues. It is also available for pick up play for the Liberty University students.

EAST CAMPUS INTRAMURAL SPORTS AND ATHLETIC COMPLEX

The Intramural Sports and Athletics Complex was completed in August 2011. Two fields are surfaced with an in-filled synthetic turf that is the home of men’s and women’s lacrosse teams. A third astro turf field is the home of the women’s field hockey team. All three fields are used for intramural sports play that includes soccer, flag football and ultimate Frisbee. A field house with offices, team rooms and locker rooms is also located at the complex.

LIBERTY MOUNTAIN ATV PROGRAM

Nestled in Liberty University’s Camp Hydaway property, a ¼ mile-long wooded loop offers a variety of features for ATV’s.

To complement the ATV trail system, the University has purchased several ATV’s for student use free of charge. To use the University-owned ATV’s and track, students must enroll and pass an ATV safety course.

LIBERTY MOUNTAIN INTRAMURAL SPORTS COMPLEX

The newest recreational facility was completed on East Campus in fall 2012. It consists of four distinct areas. A 220,000 square foot, multi-purpose turf area is the home to flag football, softball and ultimate Frisbee. A natural grass, recreational softball field sits next to the turf area. Due to the enormous popularity of the sand volleyball courts built in spring semester 2012, four additional courts were added to make a total of eight courts at Liberty University.

Also part of the complex is a sand training area known as “The Patch,” a large sand pit and training course similar to those used by Navy SEALs at the Naval Special Warfare Center in Coronado, CA. It allows individuals to utilize a “functional” training method, using body weight instead of free weights as resistance. The Patch offers not only functional strength training but also jump training, sand pit training, balance, stabilization training, and core training. The individual is able to develop many planes of training that is not possible in any other standardized workout method. For the student looking for a total body workout, the Patch is the perfect training facility.

LIBERTY MOUNTAIN TRAIL SYSTEM

The Liberty Mountain Trail System consists of over 65 miles of single and double track trails and logging roads that spans approximately 5,000 acres. The mountain rises to over 1,360 feet above sea level, and offers something for all difficulty levels, from a leisurely stroll to the Liberty University Monogram, to cross country and gravity-fed trails for both hiking and mountain biking. A trail map and additional information is available online at www.liberty.edu/trails.

LIBERTY MOUNTAIN SNOWFLEX® CENTRE

Drew Sherwood, B.S.
General Manager

Liberty Mountain Snowflex® Centre, located off Candler’s Mountain Road, consists of two main distinct ski runs. These fields are open for intramurals, special events, and recruitment events.

DISC GOLF COURSE

The Disc Golf Course is located on the mountain near Camp Hydaway in conjunction with the Liberty Trail System. Disc golf is similar to traditional golf in that players tee off and attempt to reach a particular hole in the fewest number of strokes. Unlike normal golf, however, players throw discs, and the “holes” are actually elevated baskets made of metal. The 27-hole course includes tee pads for beginners and experts alike. Usage will vary from intramural sports leagues, to open recreational play among students.
3-D ARCHERY RANGE
Located on Liberty Mountain, is a 3-D Archery Range nestled in 10 acres for the Liberty Archery Club. The range consists of 20 life-like animal targets as well as several practice bag targets. In order to qualify as a potential state qualifier site, the range is setup to comply with Archery Shooters Association (ASA) standards. The Archery Club has access to shoot and hold tournaments on the 3-D Archery Range.

Ed Barnhouse, B.S.
Director of Intramural Sports

The University believes that sports, both inter-collegiate and intramural, have definite educational value, and that few other agencies offer so much that is potentially good for character building in American youth.

Intramural Sports are organized recreational sports leagues that allow students at Liberty to participate in a variety of team and individual sports. Competition exists, but the real focus of intramural sports is health and exercise, social interaction, stress reduction, sportsmanship, and teamwork.

During the fall and spring semester, a program of competitive intramural sports is sponsored that opens the way for wide participation on the part of both men and women. Information on intramural sports is available at http://www.imleagues.com/liberty.

ACADEMIC AFFAIRS FOR ATHLETICS
The primary mission of Academic Affairs for Athletics at Liberty University is to provide continuous academic, athletic, social, and spiritual development for each student athlete. Utilizing the expertise of our staff in collaboration with institutional programs at Liberty University, our student-athletes receive professional advising, career and academic skill development, tutoring, and mentoring services. Our program assists student-athletes in finding and maintaining a balance between the demands of athletics and academics while preparing them as socially responsible individuals for life after athletics.

CHEERLEADING
Jordan Ballard, Head Coach

Mission and Philosophy
The mission of the Liberty University Cheerleading team is first and foremost to glorify the Lord Jesus in everything we do. We strive to maintain a positive image and be ambassadors for the University by upholding the values and expectations of the cheerleading program and the University. While on the Liberty University Cheerleading team, athletes are encouraged and guided spiritually, academically, socially, emotionally and physically. It is the goal of the program to help minister to the athletes and to help coach them not only in cheerleading, but in life, helping to shape them into confident and capable adults. Further, the purpose of the Liberty University Cheerleading team is to provide positive support for athletics teams, participate in various Liberty and community events, and participate in fundraising activities as appropriate to support the program.

Program Structure and Basic Information
Liberty University’s cheerleading program is composed of two coed squads, the Red Squad and the White Squad. The Red Squad will consist of 16 to 20 members and will cheer at all home football games and most of the Men’s basketball games. The Red Squad will also compete at UCA College Nationals. The White Squad will consist of 16 to 20 members and will cheer at all home football games and most of the women’s basketball games. There may or may not be alternates for each squad. The Red Squad and most of the White Squad is chosen at the spring tryout. There will be a fall tryout to fill any additional places for the White Squad.

Cheerleaders practice on average three times per week for 2-3 hours each and have required weight room workouts two times per week. In addition to practices there are various Liberty and University events the cheerleaders take part in.

Col. Richard D. Hinkley, B.S.
Chief of Police

Liberty University Police Department (LUPD), located in the southwest corner of the Green Hall, provides 24/7 patrol protection by police, emergency services and medical service personnel to the campus, parking lots, residence halls and other properties owned or controlled by the University. Liberty University Police Officers are duly sworn with full law enforcement powers and responsibilities, similar to the local police and sheriff’s department. The officers are trained at Central Virginia Criminal Justice Academy and receive additional in-service and specialized training in first aid, firearms, defensive tactics, legal updates, human relations, sensitivity issues and criminal investigations.

University Police share concurrent jurisdiction with the Lynchburg Police Department for properties owned or controlled by the University and other properties agreed upon. University Police Officers are responsible for a full range of public safety services, including all crime reports, investigations, medical emergencies, traffic accidents, enforcement of laws about underage drinking, controlled substances, firearms and other weapons and all other incidents requiring police assistance. In an effort to assist in combating crime, University Police share information on arrests and serious crimes with all surrounding police agencies.

In conjunction with Student Affairs, the University Police help students engrave an identification number on personal property items kept on campus, such as bikes, computers, radios, and stereo systems. Operation Identification is a nationally recognized identification system which has shown to facilitate the recovery of stolen items.

The University Police, upon appointment, also provide Fingerprinting Services for Liberty University students, employees and their families for a small fee. Classes are also offered to students, free of charge, in firearms and range safety as well as RAD (Rape Aggression Defense – basic defense for women).

Extensive efforts are made to create a campus environment that fosters personal safety, property security, and learning for all members of the University community. All criminal actions or suspicious behavior should be reported immediately so University Police can take prompt action.

Office of Disability Academic Support (ODAS)
Mr. Denny McHaney, B.S., M.Ed.
Director, Office of Disability Academic Support
Associate Professor of Education

The Office of Disability Academic Support was created to coordinate academic support services for Liberty University students who have documented disabilities.

Section 504 of the Rehabilitation Act of 1973 prohibits discrimination on the basis of disability against students in institutions of higher education. Section 504 mandates “reasonable” accommodations to provide equal program access to all students with disabilities. Faculty must provide accommodations that meet the special needs of each student with a disability.

The University has an obligation to make reasonable accommodations in policies, practices or procedures when accommodations are needed to prevent discrimination on the basis of disability unless making the accommodations would fundamentally alter the nature of the service, program or activity, or would result in undue financial and administrative burdens.

A student who requests accommodations is required to sign a request form each semester giving Disability Support Advisors permission to send the requests for accommodations. Then each student is instructed to individually seek a private meeting with professors to discuss any accommodations that may be necessary. Professors only need to arrange for those accommodations which have been identified.

Students with documented disabilities may be eligible for some of the following services:
- Extended time for testing
- Testing in a quiet environment
- Note-taking help
- Priority pre-registration
- Interpreters

Liberty University Graduate Catalog – 2015-2016

IMPORTANT INFORMATION REGARDING LICENSURE-BASED DEGREE PROGRAMS, INTERNSHIPS AND CLINICAL PLACEMENTS

Students who are pursuing degrees leading to application for professional licensure or certification, and/or who will be participating in clinical placements, internships, or practica through their Liberty University program should be aware that a criminal background check, finger printing, or drug screening may be required by Liberty University and/or the host facility.

Internships, Practica, and Clinical Placements

In such situations, each student is responsible for obtaining and paying for the background check or other screening process and for delivering required documentation to the facility. Although the university will make reasonable efforts to place admitted students in field experiences and internship, it will be up to the FIA to determine whether a student will be allowed to work at that facility.

Licensure-Based Degree Programs

Students in licensure-based degree programs are responsible for understanding the requirements of the program by becoming thoroughly familiar with the Degree Completion Plan (DCP) and the academic school’s web page that outlines degree requirements.

Students should further be aware that a criminal record may jeopardize licensure by the State certification body. Students seeking licensure are urged to contact the relevant licensing agency to determine the licensing requirements for the jurisdiction. Successful completion of a program of study at Liberty University does not guarantee licensure, certification, or employment in the relevant occupation.

PURPOSE
The Jerry Falwell Library is the focal point of academic life at Liberty University. Strategically located in the center of campus, the library supports teaching, learning, and research by providing information, resources, spaces, and related services for the Liberty University community.

OVERVIEW
A collection of approximately 65,000 highly used and recently published titles is available for browsing. The majority of the collection is housed in an automated storage and retrieval system allowing the library to conserve space for student use. With over thirty group study rooms, seven learning commons, outside terraces, and a spacious atrium, the library has spaces to support the needs of all students. During the academic term, the library is open daily for Liberty University and surrounding communities.

INSTRUCTIONAL RESOURCES
The Jerry Falwell Library has innovative technology, including an active learning classroom where classes are offered in finding and using information. It also features perceptive pixel tables, collaborative technologies for group study, a media wall and self-serve kiosks.

The computing resources within the library consist of over 160 computers housed in a computer learning commons and stand-up stations throughout the facility. With the exception of machines reserved for library catalog searching, library computers have a variety of software titles available for student use, including Microsoft® Office, Adobe® Creative Suite, Mathematica, and SPSS.

All library computers have a high-speed connection to the Internet. In addition, wireless network signal is available throughout the facility, allowing laptop computer and mobile device users to access the full array of network resources.

COLLECTIONS
The library is an integral part of the educational process, providing digital and traditional information resources to support the University curricula and mission. The Jerry Falwell Library collects and organizes resources across a wide range of formats, including books, periodicals, media, musical scores, curricula, and archival materials. Its physical collections consist of approximately 360,000 volume equivalents and approximately 550 current print periodical subscriptions.

While the Jerry Falwell Library continues to collect print resources aggressively, it also actively acquires electronic access to resources to accommodate both residential and online students. Digital information resources provided by the library include over 340,000 electronic items and content from more than 75,000 unique full-text journals. The library provides access to more than 550 online research resources from companies such as Alexander Street Press, American Psychological Association, EBSCO, Elsevier, Emerald, Gale, JSTOR, LexisNexis, ProQuest, Standard and Poor’s, and Wiley. A large majority of these print and electronic resources are available by searching a single discovery tool, Summon. Resources can be accessed directly from this one source or users are able to make a request for materials to be purchased which are not currently owned by our library.

Students and faculty can request to borrow materials from libraries across the United States through the interlibrary loan service. Books and media borrowed from local and in-state libraries are often available in less than three days. Copies of periodical
articles are typically delivered in digital form, often within two days or less. The Jerry Falwell Library bears responsibility for collecting and providing access to academic publications and historical records created by members of the Liberty University community through its online repository known as the Digital Commons. Physical resources related to the history of the institution are kept in the Archives department.

CURRICULUM LIBRARY

The Curriculum Library supports the School of Education at Liberty University by providing access to a variety of instructional resources. Offerings include textbooks and teaching materials for pre-school through grade twelve as well as standardized tests. Educational games, manipulatives, and models enhance the collection.

An extensive selection of juvenile titles provides reinforcement for classes in Children’s Literature and Adolescent Literature in addition to classes in curriculum development. Materials related to educational theory and research are found in the main collection of the Jerry Falwell Library.

SERVICES

The Jerry Falwell Library services are organized and provided through a highly qualified faculty and staff. A broad range of support is provided to help students and faculty use information resources and technology effectively. These services include classroom-based instruction, topic-specific workshops, personalized research assistance, and software support. The Customer Service Center on the main floor of the library serves as a starting point for help with borrowing services, research questions, and computer assistance.

The Jerry Falwell Library provides many services and resources to students in the Liberty University Online programs. Online students can access virtually all database resources through a proxy login system. In addition, online students have direct toll-free telephone, chat, and email support through the library's Online Call Center, which provides access to research assistance librarians and staff. A Customer Service Center, staffed with librarians and specially trained research support specialists, is available during all hours the library is open. The Jerry Falwell Library is committed to being the primary library for Liberty University Online students by offering timely personal contact and document delivery in order to meet their academic needs. This includes the delivery of books and journal articles as well as research and reference services.

MEMBERSHIPS

Academic libraries are undergoing significant changes as they adapt to the terms of a new information economy. Not only are information and technology resources in unprecedented demand, but they must be configured to support teaching, learning, and research regardless of the end user’s location. In this context, the Jerry Falwell Library benefits from collaboration with other agencies and professionals through membership in the Christian Library Consortium, Lyrasis, the Virginia Library Association, VIVA (the Virtual Library of Virginia), the Center for Research Libraries, and other information services organizations.
Center for Writing and Languages

Administration

Tess R. Stockslager, B.A., M.A., Ph.D.
Director, Center for Writing and Languages
Director, Graduate Writing Center
Assistant Professor of English

Shelah Simpson, B.S., M.A.R., M.A.
Director, Online Writing Center

Alisha P. Castañeda, B.A.S., M.A.
Director, Foreign Language Lab, Online Foreign Language Lab, and Spanish Writing Center
Instructor of English

The Center for Writing and Languages (CWL), formerly known as the University Writing Program (UWP), was established in 2006 as part of Liberty's efforts to improve graduate student writing. In support of Liberty University's mission, the CWL provides quality academic support in the areas of writing and language acquisition by offering free writing and language tutoring services to the academic community, including students, staff, and faculty. The CWL is committed to fostering and facilitating university-wide excellence in communication in a variety of languages and mediums.

To fulfill this purpose and to serve the largest number of persons possible, the CWL is composed of multiple areas, each of which specializes in its own subject and audience. These areas are the Graduate Writing Center, Undergraduate Writing Center, Online Writing Center, Spanish Writing Center, Foreign Language Lab, and Online Foreign Language Lab, which collectively provide a supportive learning atmosphere, well-trained peer and professional tutors, classes and workshops designed to address specific student needs, and a wealth of writing and language resources available in both hard copy and online at the CWL web page http://www.liberty.edu/index.cfm?PID=11859.

The Directors of the CWL are available to faculty for classroom presentations or for help in developing teaching aids, rubrics, or assignments. CWL staff members routinely make presentations on topics such as documentation, common grammar errors, plagiarism, and many other writing-related skills in classrooms and in faculty workshops.

Currently, all CWL services are free of charge to Liberty University students and faculty. Faculty may download any CWL-produced online materials for use in their classes.

GRADUATE WRITING CENTER

The mission of the Graduate Writing Center (GWC) is to assist graduate students and faculty of all disciplines and all levels of expertise to become the best writers they can be. In support of this mission, the GWC provides free face-to-face coaching sessions (our core service), classroom presentations, workshops, and web resources to students, faculty, and staff. Peer coaches work with writers at all stages of the writing process, from topic selection to documentation.

The GWC is located in the CWL suite in Green Hall 1846. Students or faculty may contact the GWC by emailing graduatewriting@liberty.edu, or calling (434) 592-4727.

ONLINE WRITING CENTER

In support of the University mission, Liberty’s Online Writing Center (OWC) helps online students at any level of written English proficiency identify, understand, and improve their academic writing strengths and weaknesses. To this end, the OWC offers synchronous and asynchronous tutoring by a wide variety of trained tutors with insider experience in the various degree programs offered by Liberty Online. Without editing, OWC tutors provide comprehensive written feedback on drafts with direct links to web resources and writing aids specific to each student's writing needs or speak with students via Skype to discuss projects at any stage of the writing process. Through the OWC, online students may also access a wide variety of resources—handouts, worksheets, and presentations—to research writing concerns and improve their academic writing skills.

Through the Online Writing Center web page (http://www.liberty.edu/onlinewritingcenter), online students can submit drafts of upcoming assignments to receive tutor feedback, schedule appointments to speak online with a tutor, e-mail quick questions to tutors, or offer suggestions for further online writing aids that the OWC should consider developing. Students may contact the OWC by emailing onlinewriting@liberty.edu but should not submit drafts for review to this email address. All drafts must be submitted using the submission link on the web page.

FOREIGN LANGUAGE LAB

In addition to the writing centers, the Center for Writing and Languages offers foreign language tutoring services through the Foreign Language Lab. The primary purpose of the Foreign Language Lab is to provide one-on-one and group tutoring sessions for students studying American Sign Language, Chinese, French, German, and Spanish. However, tutoring for students who are learning English as a second language (ESL) is also provided.

The Foreign Language Lab employs advanced undergraduate students who have native speaking ability in the offered foreign languages and advanced knowledge of the grammar and writing skills correlated to those languages. Individuals can schedule a tutoring session ahead of time with the tutor or come for a walk-in appointment. They will receive personalized instruction on all areas related to language acquisition, including grammar, vocabulary, appropriate writing style, and oral and auditory practice and development.

In addition to providing foreign language and ESL tutoring, the Foreign Language Lab offers conversation groups in each language, including English conversation groups for non-native speakers. Conversation groups help language learners practice their listening and speaking skills in a relaxed and open setting.

The Director of the Foreign Language Lab is available to faculty for classroom presentations or for help in developing teaching aids, rubrics, or assignments. In addition, all foreign language faculty are welcome to make the lab part of their students’ classroom experience, either by holding classes in the lab or requiring students to visit for tutoring services.

Persons interested in utilizing the services offered by the Foreign Language Lab may contact the lab by emailing foreignlanguagelab@liberty.edu, calling (434) 592-6514, or visiting http://www.liberty.edu/foreignlanguagelab. The Foreign Language Lab is located in the CWL suite in Green Hall 1846.
ONLINE FOREIGN LANGUAGE LAB

In August 2012, the Center for Writing and Languages (CWL) opened the Online Foreign Language Lab (OFLL). While the residential Foreign Language Lab (FLL) offers customized foreign language tutoring services for residential students, the OFLL reaches out to Liberty University’s online population. The OFLL provides free one-on-one tutoring sessions for students studying German, Mandarin, Spanish, and English as a second language (ESL) through the Liberty University Online conversational language courses.

The OFLL employs highly qualified individuals with native-speaking ability who not only meet the language standards but are also skilled in effectively tutoring and teaching essential language skills. These tutors provide personalized instruction in all areas related to language acquisition, including grammar, vocabulary, appropriate writing style, and oral and auditory practice and development. Considering the long-distance nature of online learning, students will meet with tutors via Skype and Google Hangouts. To find out more information about this center and scheduling an appointment, students can contact the OFLL by any of the following methods:

SPANISH WRITING CENTER: CENTRO DE ESCRITURA EN ESPAÑOL

The Center for Writing and Languages (CWL) also houses the Spanish Writing Center (SWC), or Centro de Escritura en Español (CEE), which provides writing tutoring services for Liberty University en Español (LUE) students. The SWC aims to improve LUE’s undergraduate and graduate student populations’ writing skills by providing written and live feedback on essays and other written assignments, administering writing skills development exercises, and developing flyers and presentations with quick reference information regarding grammar, formal/academic writing standards, writing styles (MLA, APA, and Turabian), and more. By providing these free services, the SWC improves the students’ chances for academic success.

While other universities have Spanish writing centers geared toward tutoring students learning the Spanish language, Liberty University’s SWC is a unique and innovative center that assists Spanish-speaking students who are writing in their native language. For more information, please visit the SWC at:

Liberty University offers graduate degree programs of study in two formats:

- **Residential.** With the residential delivery format, courses in a program are delivered on campus [face-to-face] and generally last the standard semester.
- **Online.** With the online [distance education] delivery format, courses in a program are delivered to students through a virtual classroom experience that is flexible, personal and challenging. Through the online format a student can complete a program entirely online, with some exceptions in which a student is required to complete a minimum number of courses face-to-face on campus.

Liberty University offers courses for several degree programs at two off-campus instructional sites. The addresses of the two sites are:

- Renaissance Orlando
  - 5445 Forbes Place
  - Orlando, FL 32812
- Omni Dallas – Park West
  - 1590 Lyndon B. Johnson Freeway
  - Dallas, TX 75234

The University offers no more than six credit hours of intensive coursework that students can apply towards the following degree programs offered by the University's Center for Counseling and Family Studies and the School of Education. In each of the degree programs, students can complete no more than 20% of the coursework at either of the teaching sites. The programs are:

- M.A. in Marriage and Family Counseling
- M.A. in Marriage and Family Therapy
- M.A. in Professional Counseling
- M.A. in Clinical Mental Health Counseling
- Ed.D. in Community Care and Counseling
- M.A. in Teaching
- Master of Education
- Education Specialist
- Ed.D. in Education Leadership
- Ed.D. in Curriculum and Instruction

Regardless of format, the majority of the course work for any program of study must be earned at Liberty University. The requirements for graduation for all programs are listed in this Catalog and on degree completion plans, which are available online at [http://www.liberty.edu/index.cfm?PID=2981](http://www.liberty.edu/index.cfm?PID=2981).

A course planning schedule, sorted alphabetically by class, is provided in order for students to plan their classes for upcoming semesters. The planning schedule lists every class offered and the term when courses are scheduled. This schedule is sorted alphabetically by class. The course planning schedule is available online at: [http://www.liberty.edu/academics/registrar/index.cfm?PID=23103](http://www.liberty.edu/academics/registrar/index.cfm?PID=23103).

Graduate degree programs with concentrations or cognates/specializations, as well as graduate certificates, are listed below.

### Liberty University en Español

Liberty University en Español offers Spanish-language versions of Liberty University Online programs. The curriculum is the same as existing Liberty University Online programs, and the course requirements do not vary. The only difference in these programs is that Spanish-language versions of some of the course materials are available, and students are permitted to turn in written materials in their native language. Further information is available at [http://www.liberty.edu/online/lue-inicio/](http://www.liberty.edu/online/lue-inicio/).

Completing a course or program in a language other than English may reduce employability where English is required.

**Master of Arts in Philosophical Studies (M.A.P.S)**

**PURPOSE**

C. S. Lewis held that good philosophy must be maintained and furthered carefully, for at least one very important reason: to answer bad philosophy. If ideas have consequences, and really bad ideas have really bad consequences—which is certainly born out in all periods of time, including our own—then surely good ideas can have really good consequences. Providing a Christ-centered program in Philosophy and Christian Philosophy will further the mission of our University, by instilling the skills, knowledge, and values (all three critically important classical philosophical terms) to students to positively impact today’s world. Let it be plain: we seek to produce graduates who know Jesus Christ, know why they believe in Him and on His name, and want to see the Glory of Jesus—His enduring love, auspicious power, and empowering grace—rule in this world! The impact on our world will be seen in graduates who are agents of transformation in this world, here, now. They will be seen to be unashamed Christ-followers, known by the way they very practically live, work, teach, and treat others, as “lovers of wisdom,” in a way that pleases the Lord. The program, delivered by caring and compassionate faculty taught at some of the nation’s finest institutions of higher education, is designed to foster knowledge of key philosophical concepts in metaphysics, epistemology, aesthetics, ethics, logic and philosophy of religion. This knowledge will further the graduate's ability to decipher reality from appearance, truth from error, right from wrong, beauty from ugliness, sacred from profane. We want to produce spiritually-grounded individuals, attuned to the Spirit of God, who relate well with others, and are eager to understand and work against injustices in (and against) our world. Finally, we strive to remind each graduate that our value comes solely from God, in whose Image we are made. That God has created us, fashioned us in the image of the true Lord of our souls, leads inevitably to the inalienable value of, dignity of, and respect due to persons made in the image of the eternal, paradigmatic Person in whom we can safely place our very lives. *Soli Deo gloria!*

The Master of Arts in Philosophical Studies is a 36-hour residential-only program designed for persons desiring a graduate-level education in Philosophy, Christian Thought/Apologetics, and studies in the Christian worldview. One of its purposes is to provide an excellent basis for graduate work at the doctoral level either in the United States or overseas in Philosophy, Theology, Law, Religious Studies, or the Humanities. The program also offers advanced study for personal enrichment in one or more of these areas of research.

**PROGRAM LEARNING OUTCOMES**

The student will be able to:

1. Evaluate major Christian options in classical and contemporary philosophy.
2. Produce research using appropriate scholarly methods and resources.
3. Appraise the value of classical and contemporary philosophical arguments for Christian theories of reality, knowledge, and value.

**PROGRAM SPECIFIC ADMISSION REQUIREMENTS**

In addition to the general admission procedures, the following regulations will govern admission into the Master of Arts in Philosophical Studies program:

1. Minimum cumulative undergraduate GPA of 3.00 on a scale of 4.00.
2. The applicant must have a minimum score of 300 (a combination of the Verbal and Quantitative scores) on the Graduate Record Examination (GRE) and 3.5 on the analytic writing portion, or have successfully completed 12 credit hours of graduate-level coursework.
3. The applicant must have an undergraduate major or minor in philosophy, religious studies, the humanities, or a related field.
4. A 300-450 word Statement of Purpose (in which the applicant expresses reasons for pursuing the degree).

An applicant who fails to meet the requirements listed above may be admitted on Cautionary status. Students admitted on Academic Caution must take and pass GRST 500 – Introduction to Graduate Writing their first semester. The deficiencies in prior training may then be satisfied with undergraduate courses. After satisfying admissions requirements and after having completed no more than nine hours toward graduation, the student may then apply for degree candidacy.

**TRANSFER CREDIT**

Students may transfer up to two graduate-level courses (total of 6 credit hours) from an accredited institution subject to department approval. In order to transfer credit, students must have earned the minimum grade of B-, and courses must have been completed within 10 years of the start date of the program. Credits from a prior degree on the same academic level earned through Liberty University are considered transfer credits.

** COURSE REQUIREMENTS**

When possible, students should strive to take PHIIL 680 during the first spring semester of their program. Seminars (PHIIL 597, 697) are offered frequently, and on a rotating basis with various topics, and can be taken multiple times for this reason. The program director can advise you of upcoming courses to be offered and help you...
determine times and dates of various phases of one’s program. It should be noted that the MAPS program includes a thesis that normally takes two semesters or more to complete.

FOREIGN LANGUAGE REQUIREMENT
Master of Arts in Philosophical Studies students may meet the foreign language requirement in one of the following three manners:
1. Successfully complete 12 undergraduate hours or nine graduate hours of one foreign language with an overall average of B;
2. Successfully perform in a translation examination, with test and score determined by the appropriate department; and
3. Successfully complete a Foreign Language Reading Competency Test developed by the Educational Testing Services of Princeton, NJ.

GRADUATE STUDIES HANDBOOK
Each Master of Arts in Philosophical Studies (MAPS) student is required to obtain a copy of the Graduate Studies Handbook. This publication gives policies and procedures that are unique to the M.A. program, outlines steps to be followed in securing the mentor for the thesis, as well as deadlines for this process, and provides other information that will assist the MAPS student.

COMPREHENSIVE EXAM
The Master of Arts in Philosophical Studies program requires a comprehensive exam over the area of concentration. Four testing times have been established for comprehensive exams. They are:
1. January (one week prior to first day of second semester)
2. Week following spring vacation
3. August (one week prior to first day of first semester)
4. Week following fall break of Thanksgiving break
The comprehensive exam must be taken no less than one month prior to the month of anticipated graduation.

GRADUATION REQUIREMENTS
In addition to general regulations governing graduation, Master of Arts in Philosophical Studies (MAPS) graduates must meet the following requirements:
1. Must complete 36 semester hours and have a cumulative grade point average of 3.00 in M.A. work.
2. A minimum of 30 semester hours must be completed through Liberty University, not to include credits from a prior degree earned through Liberty.
3. A maximum of six (6) hours of transfer credit, including credit from a degree on the same academic level previously earned through Liberty, may be applied to the degree.
4. No more than two (2) grades of C may be applied to the degree (includes grades of C+ & C-).
5. No grade of D may be applied to the degree (includes grades of D+ & D-).
6. For information regarding the repeat policy, please refer to “Course Repeat Policy” in the Academic Information and Policies section of this Catalog.
7. Proficiency in one foreign language for research.
8. Must pass a major comprehensive exam over the area of concentration.
9. Must successfully complete a thesis in the area of concentration which demonstrates research ability with a minimum grade of B (includes grades of B+ & B-).
10. Degree must be completed within five years.
11. All Resident students are required to enroll in and pass GRST 500 in their first semester.
12. Submit a Graduation Application to the Registrar’s Office at the beginning of the final semester.

PROGRAM OF STUDY
A program of study in the Master of Arts in Philosophical Studies may be constructed by the student in consultation with the appropriate Program Director and the approval of the Academic Dean. The program of study must be developed before the student matriculates, but modifications may be made afterward with the approval of the Program Director. The program of study may be focused entirely on one cognate area or may be a program that integrates different areas. There are two cognates: Philosophy or Christian Thought. Christian Thought in this context is usually taken to mean Christian Apologetics, but for those needing a core of courses in other related fields (such as biblical studies, church history, and/or theology), contact the Program Director.

ACCREDITATION
The College of Osteopathic Medicine is provisionally accredited by the American Osteopathic Association Commission on Osteopathic College Accreditation (AOA-COCA) in the United States.

PURPOSE
Liberty University College of Osteopathic Medicine [LUCOM] exists to educate osteopathic physicians in a Christian environment. LUCOM prepares physicians who dedicate themselves to excellence in the practice of osteopathic medicine through service toward their fellow man, life-long learning, and the advancement of medical knowledge. Instilling the Christian values of integrity and professionalism, LUCOM trains physicians who will provide ethical, compassionate, competent, and patient-centered osteopathic medical care.

GOALS
1. To recruit and graduate osteopathic medical students who have a servant’s heart and are committed to providing care to underserved and underrepresented patients in Virginia, Southeastern United States, across the United States of America and the globe.
2. To recruit a diverse student body that has a desire to serve disadvantaged urban and rural underserved populations.
3. To place an emphasis on recruitment of students from Virginia and the Southeastern United States who share our mission, vision and values and are likely to practice in the region and help advance its health and economic status.
4. To honor and preserve the history and philosophy along with the art and science of osteopathic medicine through the teaching of historical principles and practices and the incorporation of up to date scientific knowledge, research, clinical and biomedical sciences.
5. To provide an osteopathic medical education that is holistic, evidence based, community focused, and patient-centered with excellence as its expected standard.
6. To teach students by design, example and mentorship the treatment of the patient as an integrated whole; incorporating the mind, body and spirit.
7. To develop graduates who are qualified to enter any medical discipline upon graduation yet dominantly enter primary care, preventive and community based practices in our service area. This will be accomplished through the design of the curriculum, the type and location of the clinical educational opportunities provided and the leadership of the faculty role models that are provided by the COM.
8. To advance the careers, knowledge, skills and personal lives of the faculty and staff of the COM through support for scholarly activity, research, faculty development, a positive environment and respect.
9. To contribute to the advancement of medical knowledge and advance the quality of health care for society through educational, scientific and clinical research, promotion of effective health policy and other scholarly activity.
10. To be a contributing member of the greater Liberty University, Lynchburg, and Virginia communities by contributions to educational, professional, societal affairs and through works of service.
11. To support and advance osteopathic and other professional medical associations through leadership, support, contributions of service, development of policies, expansion of knowledge, and collaborative efforts.
12. To develop clinical education opportunities in rural and underserved areas of Virginia, local as well as distant regions of the United States and globally, to provide quality clinical educational opportunities for LUCOM students and residents.
13. To develop clinical opportunities in rural and underserved areas of Virginia that will provide expanded access for patients’ healthcare through the efforts of LUCOM faculty, students and residents.
14. To develop and maintain national and international medical outreach and mission programs to train clinicians to serve in underserved areas of Virginia, the United States and the developing world.
15. To collaborate with our affiliated hospitals and clinical partners to develop graduate medical education programs for osteopathic and other health professions graduates, provide educational opportunities for health care professionals at the same time the programs provide healthcare and educational services to our region.

CURRICULUM
The curriculum is built around a semester schedule utilizing an integrated, interdisciplinary, systems-based model with an emphasis on active learning. It combines lecture demonstration with active learning techniques including team learning activities, interactive classroom learning, case-based education, a strong emphasis on utilization of simulation, and standardized patient events. It emphasizes biomedical and clinical interdisciplinary collaboration, guiding students to develop a holistic, and importantly, an osteopathic approach to medicine. We continually correlate basic scientific information and methodology with fundamental clinical application.

After an introductory foundations course during the first 6 weeks of the curriculum, the remainder of the first year consists of a system-based look at normal structure and function – from the molecular level to the whole-person level – as well as general pathological processes that affect human health. During the second year of the student’s education, a second pass through the system-organized courses places more emphasis on the pathological conditions common to humans that detract from human health during the second year of the student’s education. Throughout the first two years, students have an active introduction to and interaction with challenges related to the professional, ethical, moral, humanitarian, and business aspects of the life and work of a physician. Additionally, students examine the dynamic nature of national and global health policy and health care delivery.

Students have extensive lab based active learning opportunities during the first two years designed to develop problem solving, osteopathic principles and manipulative techniques, diagnostic and clinical skills. Students have extensive anatomy education with cadaveric education encountered across the first two years of the curriculum.

Students begin clinical exposure in their second semester, with shadowing experiences, standardized patients, simulation encounters and patient care opportunities that give them exposure to and prepare them for the “real world” of medicine.

Each student’s clinical exposure expands in the second year. Students have increased opportunity to interact with standardized patients and high fidelity simulators on campus as well as be involved, under physician supervision, with real patients in the office and hospital setting. Students are assigned to one of LUCOM’s core clinical education centers for their entire third year of medical school. Clinical rotation experiences are supplemented with an on-line, computer based module curriculum based on best practices established by each core discipline provided by the faculty of the COM. This foundational clinical education ensures quality, consistency and coordination of the students’ clinical education as well as preparation for graduate medical education (GME) and board examinations. In the fourth year of medical school, each student has ample opportunity to explore GME training opportunities through
four to six elective rotations. During the hospital based sub-internships - consisting of three core selective rotations in medicine, emergency medicine and surgery - students are expected to develop the knowledge and skills required to be a resident in their desired GME training program.

Our core curriculum is designed to fulfill our mission of training students who are competent and ready to enter graduate medical education in any medical discipline, with an emphasis on preparing students to become community based and primary care physicians.

A notable aspect of the clinical program is a required month long rotation in a rural practice setting. In community health centers, rural clinics and hospitals throughout the state of Virginia, our students participate in providing health care to medically underserved and indigent patients. Our students learn to treat various patients whose lifestyles, practices, and attitudes toward health care differ from those seen in more traditional training sites. This enriching educational experience is one that cannot be taught in the classroom.

LUCOM students have the opportunity to perform clinical rotations globally during their OMS-3 and OMS-4 year, as well as the opportunity to participate in medical outreach events during break times beginning near the end of the first year of education.

PROGRAM LEARNING OUTCOMES

Upon successful completion of the Doctor of Osteopathic Medicine, the student will be able to:

1. Demonstrate the medical knowledge, skills as well as competency in the seven core competencies established by the osteopathic profession at a level consistent with a graduate osteopathic physician.
2. Demonstrate the ability to apply inductive and deductive reasoning to problem solve for the advancement of the patient’s health and wellbeing.
3. Demonstrate their preparation for entry into graduate medical education programs leading to specialization in their medical practice discipline of choice.
4. Demonstrate the ethical and professional standards and the servant’s heart expected of an osteopathic physician by the public, the profession, the faculty and the University.
5. Demonstrate the capacity and skills required to advance medical knowledge as well as personal and professional life-long learning.
6. Demonstrate that they are patient-centered, holistic, evidence-based, community focused physicians with excellence in practice as their standard.

LICENSURE PROGRAMS

Master of Arts in Clinical Mental Health Counseling (M.A.)

PURPOSE
The Master of Arts in Clinical Mental Health Counseling is a 60-hour graduate level residential program designed to meet the Virginia requirements for licensure as a Professional Counselor (LPC). The faculty provide quality professional training of clinical mental health counselors from a faith based perspective. Our mission is to produce ethically and spiritually aware mental health counselors who possess the knowledge, values, skills, and personal disposition to promote the mental health and holistic wellness of clients across diverse populations. Our mission is achieved, in significant measure, through offering rigorous academic programs, dynamic interaction with mentors, faculty, and carefully structured practica and internships.

PROGRAM LEARNING OUTCOMES
The student will be able to:
1. Demonstrate appropriate knowledge in all core curricular areas of counseling in preparation for taking licensure and certification exams, and in procuring employment in the mental health field.
2. Demonstrate appropriate research and report writing skills including the use of APA format and computer technology.
3. Incorporate ethical and legal standards in the counseling arena.
4. Integrate biblical principles and secular theories in a responsibly eclectic manner.
5. Assess, diagnose and treat clients with a broad array of presenting problems and mental disorders using multiple counseling skills in established best practices.
6. Evaluate diverse individual, group and family populations in order to effectively determine a treatment for client(s).

PROGRAM SPECIFIC ADMISSION PROCEDURES
In addition to the General Admission Procedures outlined in this Catalog, Master’s applicants to the Clinical Mental Health Counseling program must have:
1. An earned baccalaureate degree or its equivalent from an institution accredited by an agency recognized by the U.S. Department of Education (e.g., SACSCOC, TRACS, ABHE, etc.);
2. An undergraduate cumulative GPA of at least 3.00 (on a 4.00 scale).
3. Successfully completed a minimum of six semester hours of coursework in psychology or a closely related field of study (e.g., sociology, human services) and three hours of psychology coursework (e.g., psychology, human services) and three hours of statistics.
4. Students with an undergraduate GPA less than 3.25 must submit one of the following tests with a minimum score:
   - GRE: Verbal 150, Quantitative 150, Analytical Writing 3.5
   - MAT: Total score 350, GRE Analytical Writing 3.5

complete graduate level work, disposition and ability to become a counselor, maturity, motivation, and ethics.
6. Personal statement addressing past helping experiences, future goals in the field of professional counseling, and personal qualities that will enable the individual to be an effective counselor. The statement should be 3-5 pages in length, typed, and double-spaced.
7. Letter of intent describing what you hope to gain from graduate study, your professional goals, and how your interests and goals match the goals and mission of the department. The university and departmental mission statements are available online.

Applicants must submit each of the items listed in the General Admissions Procedures to the Office of Graduate Admissions before being considered for acceptance to the program. Applicants who have not successfully completed six hours of psychology or related studies and three hours of statistics for the Master’s in Clinical Mental Health Counseling may be admitted with the provision that they must complete the undergraduate coursework within the first two semesters of study.

The applicant’s personal and professional disposition, integrity, and general fitness to practice counseling may be considered in the admission process. Official notification of admission, and of any conditions attached to that admission, is sent by letter to the applicant by the Office of Graduate Admissions. TRANSFER OF CREDIT
All graduate transfer credits are subject to the approval of the Department of Counselor Education and Family Studies Graduate Admissions Committee for the Ed.D. Such courses must carry a grade of at least a B- and be comparable to Liberty University graduate courses. Transfer credit will only be considered from institutions or schools accredited by an accrediting agency recognized by the U.S. Department of Education. It is the responsibility of each applicant to supply official transcripts along with a written request to have credit applied to the degree program. Transfer credits must have been completed within the precious five years. Courses from a completed degree will not be accepted as transfer (see exception below). Credit for life experience and for correspondence courses will not be awarded at the graduate level.

GRADUATION REQUIREMENTS
In addition to other regulations governing graduation, as stated in the Liberty University catalog, Ed.D. students must meet the following requirements:

1. Complete a minimum of 57 semester hours beyond the master’s degree for Ed.D. (Including dissertation).
2. A minimum of 42 semester hours of coursework must be taken through Liberty University, not to include credits from a prior degree earned through Liberty.
3. A maximum of 15 hours of transfer credit, including credit from a degree on the same academic level previously earned through Liberty, may be applied to the degree.
4. Maintain a 3.00 GPA to remain in the program, with no grade lower than a B-. Students earning a letter grade lower than a B- may be administratively dismissed from the program. While all course grades are averaged into the GPA, course credit toward degree completion is not granted for a grade of C, D, or F (includes +/- grades). Students may repeat one course in which a C+/C/C- was received. The most recent grade will be calculated into the GPA. Any additional use of the repeat policy for a repeated course must have the approval of the Department of Counselor Education and Family Studies.
5. All contracts made between the CCFS Ed.D. Graduate Committee and the student upon acceptance into the degree program must be satisfied before the degree will be awarded.
6. Complete a minimum of 12 semester hours in residency; PACO 740 must be completed in residency within the first year in the program with a minimum grade of “B-”. Ed.D. candidates must pass an on-campus comprehensive examination upon completion of the course requirements for the program of study.
7. Submit a Graduate Application to the Registrar’s Office at the beginning of the final semester.

COMPREHENSIVE EXAM
A comprehensive examination must be successfully completed prior to submission of the dissertation proposal. The exam process is taken with PACO 872, the final residential course. Students may have no more than two attempts at passing the comprehensive exam.

DISSERTATION
Before beginning their dissertation research, the doctoral dissertation committee must approve the research proposal. The dissertation is expected to exhibit scholarship, reflect mastery of technique, and make a distinctive contribution to the field of knowledge in which the candidate has specialized. A faculty committee of at least three (3) members, comprised of a chair and at least two (2) other approved members, is responsible for the general supervision of the doctoral dissertation. An on-campus defense of the dissertation is required for final approval.

Once students enter the dissertation phase of their degree, they must maintain continuous enrollment (Fall, Spring, and Summer semesters) until they complete all degree requirements. If they do not, they will break enrollment, and they will be required to apply for readmission if/when they wish to resume the pursuit of their degree. They will have to complete their degree under the Degree Completion Plan (DCP) in effect at the time of their readmission.

TIME LIMITS FOR DEGREE COMPLETION
The time limit for completing the degree from the date of admission to the program is seven years for the Ed.D. Only in unusual circumstance may the student be granted an extension. Granting of an extension of time will usually result in additional requirements. Any student who does not complete coursework within the permissible time limit, for any reason including discontinues enrollment, must reapply for admission. A student may reapply only once, and will be subject to the current standards and curriculum. The Ed.D. Graduate Committee in the CCFS will determine if any previous courses are sufficiently time sensitive and must be repeated. Beginning with the date of readmission, the student’s time limit for degree completion is determined by the number of hours remaining.

SCHEDULING RESIDENTIAL COURSES

Residential graduate classes are scheduled as one week intensives during the summer, in December and January and weekend classes in fall and spring. Pre-class and post-class assignments are required for intensive courses and for many of the weekend courses. Required residential classes include COUC 740, COUC 745, and PACO 871/872. PACO 871/872 must be taken as the final residential course.

FACULTY
All faculty are listed at the end of this catalog in the Faculty Roster. There are separate rosters for Full-Time and Part-Time faculty. HISTORY
The history of the School of Divinity is part of the history of Thomas Road Baptist Church and is the oldest graduate school of the University. The other schools are Liberty Christian Academy, Willmington School of the Bible, and Liberty University. The Seminary is an outgrowth of the vision of Dr. Jerry Falwell, the founding pastor of the Thomas Road Baptist Church. Dr. Falwell believed in Christian education. He believed that one of the most effective means of winning millions to Christ is by training young men and women to serve the Lord in aggressive, evangelical, soul-winning Baptist churches as pastors, staff, and members. The University was founded to help achieve that goal.

Another need, however, still existed. Professional, graduate level training was needed for graduates of Liberty University and other colleges desiring graduate theological education as preparation for ministries in churches similar to Thomas Road Baptist Church.

Founded as Lynchburg Baptist Theological Seminary in September 1973, it began with an enrollment of 41 students with Dr. Jerry Falwell as President and Chancellor. Over forty years later, the School of Divinity continues to demonstrate that a seminary can be built on faith, dedication, and the blessings of God, from Whom comes Truth.

In 1975, the Seminary was given approval by the State Council of Higher Education for Virginia to grant graduate degrees. In 2015, approval was granted by Liberty University’s Board of Trustees to combine the School of Religion with the Seminary into the School of Divinity.

The School of Divinity provides quality, well-rounded education, based on academic excellence, emanating from the belief that Christian education should be superior, not inferior, to that provided by other schools. The School of Divinity is committed to the principle that a person’s most effective ministry will be in conjunction with a local church, and the vision of the School of Divinity is to equip Christians to reach the entire world through aggressive New Testament church evangelism.

DISTINCTIVES
The School of Divinity is characterized by commitment to the core doctrines of the faith and providing significant experiences to develop practical ministry skills.

The faculty of the School of Divinity are committed to model both scholarship and practice for students. Graduates are grounded in the knowledge of God’s Word, a desire to impact the world for God’s kingdom, and the skills to engage the culture with the gospel.

Evangelism is a core value throughout the curriculum. Every faculty member and student is expected to manifest a compassion for the lost and a desire to see their salvation.

The School of Divinity is committed to the local church, and prepares graduates to enter into local church leadership positions. As such, experiential learning is essential to the School of Divinity’s programs of study.

The Mission of the Rawlings School of Divinity
The School of Divinity exists to come alongside the local church and help it fulfill the Great Commission. In accordance with the mission of Liberty University and within the historic Baptist tradition, the School of Divinity provides undergraduate and graduate programs that train graduates for traditional, Christian ministry positions. The School of Divinity offers programs designed to equip people for lay ministry, personal enrichment, global leadership, church leadership, and advanced scholarly research.
As a Christian community, the School of Divinity seeks to cultivate spiritual growth and faithful service to Christ and His church. As an academic community, the School of Divinity seeks to impart knowledge and necessary skills to men and women for service and leadership in Christian ministry. As a service community, the School of Divinity seeks to respond to the needs of local churches and Christian ministries as they participate in worship, global evangelism, discipleship, and scholarship.

Program Goals and Objectives
In keeping with its stated mission, the School of Divinity strives to achieve the following institutional goals:

Student Fellows have the opportunity to learn from our Senior Fellows, serve as ambassadors for the Center, and research and write in the area of apologetics and cultural engagement.

Purpose
The Center for Apologetics and Cultural Engagement is a cooperative effort between the School of Divinity and the Seminary designed to inform and equip individuals to engage culture by addressing the biblical, theological, philosophical, and cultural questions of today’s world from a distinctively Christian worldview.

Center for Chaplaincy
Steven E. Keith, B.A., M.Div., D.Min.
Director, Center for Chaplaincy
Chaplain, Colonel, USAF, Retired
Professor of Chaplaincy
The culture in which chaplains serve is progressively becoming more secular and pluralistic. Chaplains are faced with ministry challenges not previously experienced. The Center for Chaplaincy prepares students to minister effectively in the changing environment by providing exceptional education, research, publications, outreach opportunities, and strategic partnerships. Educationally, the Center develops cutting edge curriculum to best prepare students to be biblically sound spiritual leaders and soul care providers. Further, the Center designs and conducts research to advance understanding for chaplain-care and leadership. Additionally, the Center produces and encourages scholarly chaplain publications to advance effective evangelical chaplain ministry. Furthermore, the Center organizes and promotes chaplain outreach locally and globally. Finally, the Center forms strategic partnerships across Liberty University and with other like-minded Universities and organizations to synergize education and ministry efforts.

PURPOSE
The Center for Chaplaincy’s purpose is to educate and equip chaplain students to be Champions for Christ in secular and pluralistic ministry environments.

Center for Judaic Studies
J. Randall Price, Th.M., Ph.D.
Executive Director, Center for Judaic Studies
Distinguished Research Professor
Curator of the Liberty Biblical Museum

The Bible, both the Old Testament and the New Testament, came to us through Jewish hands. Jesus and His disciples were Jewish, as was the Apostle Paul who spearheaded the outreach of the Gospel to the Gentiles. The history of the Church reveals an ignorance of Christianity’s Jewish roots and therefore, a misunderstanding of and an adversarial relationship with the Jewish people. Evangelical Christians have recognized that God chose the Jewish people and the Land of Israel to fulfill His redemptive program for mankind.

Since its founding, Liberty University has supported this understanding and the modern Jewish State as evidence of God’s faithfulness to His biblical promises. Training in Jewish studies enables Christian students to impact their world academically, spiritually, and politically with a biblical and balanced worldview of Israel and the Jewish people.

Part of the Center for Judaic Studies, the Liberty Biblical Museum is a unique educational collection of authentic biblical-era artifacts that provide the historical and cultural background of the Jewish people over a 4,000 year period. The exhibits give faculty, students and the public access to a firsthand encounter with the ancient past and a realistic touchpoint with the facts of the biblical faith. The museum is generally open the same hours as the Center for Judaic Studies for viewing. Guided tours are available by appointment only.

PURPOSE
The Center for Judaic Studies offers students preparing for Christian ministry or service a biblical perspective of the Jewish mission. It also equips the Church in making a biblical response to the Jewish people and the modern State of Israel. Our program in Jewish Studies provides instruction to students at the undergraduate level to prepare them for graduate studies, for Jewish outreach ministries, and for academic careers in the field of Judaic studies.

Center for Youth Ministries
Chair, Department of Christian Leadership and Church Ministries
Director, Center for Youth Ministries
Associate Professor of Youth Ministries

The world’s youth population ages 10-24 has grown to 1.8 billion and is at a historic high. There is some estimation that 40% of the world’s population is comprised of all those under the age of 24, both children and youth. The growing trend of religious unaffiliation among young people continues to be a concern to pastors, youth pastors, parents, and churches. This demographic in our culture is one of the greatest mission fields in the world, not to mention that many countries definition of youth is expanding upward to the age of 39.

The Center for Youth Ministries partners with departments across the university to assist local churches, pastors, youth pastors, and parents with resources to help understand the culture of youth in the world in which they live. The Center also seeks to help equip students who are training for youth ministry, as well as those who currently serve youth in ministry, by providing training in a curricular effort alongside the Department of Christian Leadership and Church Ministries.

PURPOSE
The Center for Youth Ministries exists through the School of Divinity to recruit, equip, and network those called to youth work, both in the local church and youth organizations to carry out the Great Commission to students and their families.

Programs of Study
The programs of the School of Divinity are open equally to all men and women who meet the entrance requirements. Our purpose is to provide educational experiences for personal enrichment or professional training. We encourage the students to be all they can for God, and we are confident He will direct them to places of service. However, it is important for our students to know that we are a training agency not an ordaining agency. Ordination is the responsibility of a local church or, in some cases, a denominational body, each of which has its own criteria.

Korean Language Assistance Program (KLAP)
KLAP is a program designed to help Korean students who have a TOEFL score below 80 (IBT: Internet-based), which is the score that the catalogue requires for those whose mother tongue is not English for admission to the School of Divinity.

This program provides language assistants to the classes designated as KLAP courses so that they can help Korean students who need assistance in communication with the instructor or in course-related issues. Language assistants clarify and facilitate the communication within the framework of the KLAP courses, between the instructor and Korean students with a TOEFL score below 80.

KLAP offers Theological English for Korean Students (THEK) courses for those students who need training in English in this program. Students in KLAP (Korean Language Assistance Program) will be required to take all four THEK courses until they retake TOEFL and score at least an 80. Otherwise they will not be graduated in their major program in Seminary.

EVALUATION OF TRANSFER CREDITS
Credit toward the master’s-level Divinity degrees (excluding the Th.M.) will be given for those courses taken at an institution in which a grade of C- or better was earned and which are equivalent to courses offered at the School of Divinity. The School of Divinity will accept no more than three courses of transfer that were completed more than ten years prior to application of transfer of credit. Transfer credit into the following programs is limited to six hours: Master of Arts in Christian Ministry, Master of Arts in Global Studies, and Master of Arts in Theological Studies. Transfer credit into either the Th.M. or D.Min. program is limited to six hours in which the student has received a grade of B- or better. Internship credit is not transferable. Only courses and degrees from institutions accredited by accrediting agencies recognized by the
Department of Education will be evaluated for transfer credit. (e.g., SACSCOC, TRACS, ABHE, etc).

Credits from a prior degree on the same academic level earned through Liberty University are considered transfer credits.

**RAWLINGS SCHOOL OF DIVINITY GRADUATE PROGRAMS ADVANCED PLACEMENT**

Liberty University undergraduate School of Divinity students admitted to the graduate School of Divinity may petition the Graduate Transcript Evaluation Office for permission to substitute advanced electives for select foundational courses that are a significant duplication of course content covered in similar courses taken by the student at the undergraduate level. Advanced Placement can be applied if petition meets the following criteria:

1. Advanced Placement based on completed coursework will be able to Liberty University graduates only.
2. Liberty University students may only request Advanced Placement for 300-400 level undergraduate courses taken at Liberty University in the specific subject area.
3. These 300-400 level courses must have been passed with a grade of B or higher.
4. Only the courses below are available for Advanced Placement substitution:

<table>
<thead>
<tr>
<th>Course Code</th>
<th>Course Title</th>

<tbody>
<tr>
<td>CHHI 520</td>
<td>NGRK 520</td>

</tbody>
</table>

5. If approved, student must take electives in the discipline(s) of the Advanced Placement substitution (Example: approved CHHI 520 substitution, student must take electives with a CHHI prefix).
6. Students who earned the bachelor’s degree at another institution must take the Institutional Challenge Exam (ICE exam) in order to qualify for Advanced Placement.

**INSTITUTIONAL CHALLENGE EXAMINATIONS (ICE)**

To apply for credit by examination, other than Advanced Placement, a student must submit a formal request. Residential students must submit requests to the School of Divinity; online students must submit requests to the ICE Coordinator. Each ICE attempt incurs non-refundable fees which are noted in the Fees chart taken by the student at the undergraduate level. Advanced Placement can be applied if petition meets the following criteria:

1. The majority of the course work for any program of study must be earned through Liberty University. Each program specifies the minimum number of hours which must be completed through Liberty. ICE credit hours do not count toward this minimum.
2. The minimum passing score for graduate Institutional Challenge Exams is a B minus according to the grading scale in use at the time the exam is taken.
3. A passed ICE is awarded a grade of “P” (passing) and does not count toward the student’s grade point average.
4. A student may not take the Institutional Challenge Exam if the course has previously been taken or is currently being taken.
5. ICE may only be attempted once per course.
6. ICE may not be taken during the drop/add period.
7. ICE may not be taken after classes begin in the student’s final semester.
8. ICE credit may only apply to the following courses:

Doctor of Ministry (D.Min.)

Charlie Davidson, B.S., M.Div., D.Min.
Director, Doctor of Ministry Program
Associate Professor of Chaplaincy Studies

PURPOSE

The Doctor of Ministry degree offers pastors, missionaries and other church leaders an opportunity for professional and personal growth. It is designed to enhance one’s knowledge and skills in the practice of ministry. Students will have the opportunity to interact with recognized church leaders, to explore new ministry perspectives, to evaluate their ministry, to increase their vision and to crystallize their understanding of the purpose and goals of ministry.

The program is composed of 33 semester hours involving two semesters of DMIN 889 Thesis Project Proposal and Research (6 hrs) and DMIN 890 Thesis Project Defense (3 hrs).

PROGRAM LEARNING OUTCOMES

The student will be able to:

1. Synthesize a comprehensive and critical theory of ministry.
2. Evaluate the effect of ministry on personal and professional growth.
3. Assess the effectiveness of a ministry plan.
4. Design ministry programs that relate to the disciplines studied.

PROGRAM SPECIFIC ADMISSION REQUIREMENTS

In addition to the general admission procedures, applicants to the Doctor of Ministry degree program must meet the following specific requirements:

1. A Master of Divinity degree, or its equivalent, from an appropriately accredited theological seminary with a cumulative GPA of 3.00 or above (on a 4.00 scale).
2. A professional vita showing three years of pastoral experience in full-time ministry after receiving the Master of Divinity degree. Exceptions to this must be approved by the Dean.
3. A current place of ministry where the student can successfully carry out a ministry-related project. International students who file under the I-20 may be allowed to complete their residency course work without this...
requirement. However, they must complete their thesis project in the context of a full-time ministry.

4. Two recommendations from colleagues in the ministry (on letterhead with physical signature).

5. Ecclesiastical Endorsement indicating the agreement of the church (or employing organization) with the applicant’s participation in the Doctor of Ministry program.

6. A detailed Statement of Purpose for pursuing the program.

INITIAL ADMISSION (D.Min.)
An applicant to the Doctor of Ministry program who has a Master of Divinity degree or its equivalent and has at least three years of full-time ministry experience, but who does not meet all of the other entrance requirements, may be granted Initial Admission status. A student in this category may attend for one semester only (six semester hours maximum). After this one semester, the student must meet the requirements to qualify for Provisional Acceptance. Provisional Acceptance is attainable by completing all admissions requirements. Full candidacy is discussed in the section below. Also, see the section on the Doctor of Ministry program for more details.

ADVANCEMENT TO CANDIDACY (D.Min.)
Candidate status is granted when all admissions criteria have been met, 24 hours of coursework have been completed, and a formal introduction for the thesis project has been submitted.

SEMINARY CONTINUATION FEE
Students enrolled in the D.Min. program who are unable to take classes during a semester will be charged a $30 continuation fee. Students who remain inactive for more than three semesters will be automatically dropped from the program and will be required to reapply in order to be readmitted to the program.

SEMINARY ADMINISTRATION FEE
Students in the D.Min. program who enroll in at least one intensive each Spring, Summer, or Fall term, including the Thesis Project courses, will be charged $50.

THESIS-PROJECT ENROLLMENT POLICY
Once students enter the thesis-project phase of their degree, they must maintain continuous enrollment (Fall and Spring semesters mandatory, with Summer terms optional) until they complete all degree requirements. If they do not, they will break enrollment, and they will be required to apply for readmission if/when they wish to resume the pursuit of their degree. They will have to complete their degree under the Degree Completion Plan (DCP) in effect at the time of their readmission.

GRADUATION REQUIREMENTS
In addition to the other regulations governing graduation, graduates of the D.Min. program must meet the following requirements:

1. Must complete 33 semester hours of coursework, including the thesis project, with a cumulative GPA of 3.00.

2. A minimum of 27 hours must be completed through Liberty University, not to include credit from a prior degree earned through Liberty.

3. A maximum of six (6) hours of transfer credit, including credits from a degree on the same academic level previously earned through Liberty, may be applied to the degree.

4. The student must earn no more than one grade of C (includes grades of C+/C-), and may repeat up to 6 semester hours of coursework under the repeat policy.

5. No grades of D may be applied to the degree (includes grades of D+/D-).

### Doctor of Philosophy in Theology and Apologetics (Ph.D.)
Leo Percer, B.A., M.Div., M.A., Ph.D.
Director, Doctor of Philosophy in Theology and Apologetics Program
Associate Professor of Biblical Studies

#### PURPOSE
The Doctor of Philosophy in Theology and Apologetics degree will prepare professional scholars and Christian community leaders at the highest level of scholarship. Trained by a qualified academic faculty, graduates with the Ph.D. in Theology and Apologetics will be prepared to serve as faculty in academic institutions and as scholars and theologically and biblically informed leaders for the church and community. This is a 57 semester hour program: 48 hours of seminar work; six (6) hours for dissertation proposal and research; and three (3) hours for dissertation defense.

As with all programs of the Seminary and Graduate School the Ph.D. program will seek to provide an environment in which students in the context of open research and inquiry will be encouraged to strengthen their faith and certify their calling to service at the highest academic and professional levels. Students will be mentored within an academic environment that fosters an awareness of the Christian’s responsibility as a member of society who is responsive to the needs and concerns of diverse cultures and conflicting ideals.

The program is set within the context of a conservative evangelical academic community in which students are challenged to develop the cognitive skills requisite to a rigorous interaction with biblical, theological, historical, and philosophical understandings necessary for a self-conscious, critical, and Christian response to the world. In this setting, students will have the opportunity to become part of a community of scholars in which they can develop the concomitant skills necessary for relational and professional competence. The Ph.D. will further encourage students to explore the moral and ethical dimensions of their chosen field of study. Moreover, the program is designed to inculcate sensitivity to others and a concern for world evangelization through a vigorous defense of the gospel and a lifestyle of personal integrity and responsible scholarship.

With its mix of traditional and non-traditional delivery formats, the Ph.D. is designed to attract and retain students who desire flexibility in their schedules, breadth of exposure, and professional training in theology and apologetics. The teaching options will attract a diverse and dedicated mix of faculty and students facilitating rich interaction between future academic professionals and church leaders. The cognates are designed to further meet the needs of persons seeking studies in biblical or historical studies.

#### PROGRAM LEARNING OUTCOMES
The student will be able to:
1. Design an original research project that adds to the knowledge base of the discipline.
2. Appraise an apologetic argument or a theological method.
3. Critique the place of evidence in apologetic methods of inquiry.
4. Contrast an evangelical view of Scripture and theology with an alternative view.
Ph.D. Concentrations
The student will be able to:
1. Evaluate interpretive methods and approaches to the biblical texts and concepts (Biblical Studies).
2. Analyze the impact of historical figures and movements in Christian thought (Historical Studies).

PROGRAM SPECIFIC ADMISSIONS REQUIREMENTS
In addition to general requirements for admission to the School of Divinity, applicants for admission to the Doctor of Philosophy in Theology and Apologetics must submit the following for review:
1. An earned Master of Divinity or a Master of Theology with a thesis or a Master of Arts with a thesis.
2. An earned grade point average of 3.25 on a scale 4.00 in all previous graduate work.
3. Miller Analogy Test (MAT) results. The GRE may be substituted in special cases at the director’s approval. If an applicant’s scores are older than two years, then the applicant must submit new scores. For an acceptable MAT score, applications should attempt to earn a total score of 400 or better or a total score in the 50 percentile or better. For an acceptable GRE score, applicants should attempt to earn a total verbal and quantitative score of 300 or higher, as well as a 4.0 or better on the analytical writing section.
4. A writing sample that must meet the following criteria:
   a. A minimum 30-page paper (excluding cover page, table of contents and bibliography). A chapter from a Master’s thesis may be submitted if it meets the 30-page minimum. It is preferable, but not required, that the subject area be in the area of theology or apologetics.
   b. Either submission must conform to the latest Turabian Manual for Writers AND standard English Grammar and Composition Form.
5. A Personal Statement, Doctrinal Agreement, and Honor Code Document. Included with these documents must be the name of the applicant’s current church and the name of a pastor who is familiar with the applicant’s church life.
6. The student must have a pastoral recommendation as well.
7. A one-page essay on reasons for pursuing a Ph.D. in Theology and Apologetics.
8. Two Academic References. All applicants must submit letters of recommendation from two professors with whom they studied at the graduate (master’s degree) level. These recommendations need to be on school letterhead and have the professors’ signatures.
9. Professional vita including degrees earned, ministry experience, and/or teaching experience and career goals.

The applicant must understand that before the end of the second year of admission, the student must pass a proficiency exam in German and French or Latin. Seminars in the Biblical Studies area of admission, the student must pass a proficiency exam in Biblical language (Historical Studies).

TRANSFER CREDIT
Transfer hours may not exceed 15 credit hours for the Ph.D. program. Transfer credits are considered on a case-by-case basis and must have been completed as Ph.D. course work within the previous 10 years from a regionally accredited program to be accepted. Courses must have a grade of B- or higher to be eligible for consideration for transfer credit. Correspondence studies or life experiences will not be accepted for transfer credit. Credits from a prior degree earned through Liberty University are considered transfer credits.

PROGRAM REQUIREMENTS
Language Requirements. In addition to the other factors relating to participation in the Ph.D. in Theology and Apologetics those pursuing a cognate must meet language requirements. A biblical language competency is required for those applicants who plan to focus on Biblical Studies as their cognate field. Students must meet any language requirements prior to their second year in the program.

Active Enrollment. To maintain active enrollment, students must enroll in course work each semester. Online students must enroll in at least one course during each academic year (from Fall to Summer) to maintain active enrollment status.

Residency Requirement. The School of Divinity does not have a residency requirement in the traditional sense of requiring students to uproot and move to the physical campus in Lynchburg. Using an intensive model, students may come to the Liberty University campus or another designated location for a time of group study with a professor. A cohort model will be encouraged by requiring students to register each semester for classes through aggressive advising so that students who begin together will be directed to continue through the program together, meeting regularly and by connecting via the online learning facilities of Liberty University.

Online Options. The School of Divinity proposes to offer Ph.D. courses using the modular format so that students who are living near the campus or who are living at a distance can meet the program requirements. Students will be required to be on campus to take campus-based modular courses, to take their comprehensive exams over a two-year period, and to defend their dissertations.

ADMISSION INTO DOCTORAL CANDIDACY
Students who successfully complete the required 48 hours of doctoral course study with a grade point average of 3.25 or higher in the doctoral course study will be eligible to take comprehensive examinations in the major field and chosen recommended cognate field. These examinations may be written or oral, as determined by the student’s mentor. Upon passing of the comprehensive examinations, the student is admitted to doctoral candidacy and may proceed toward developing a dissertation thesis and writing the dissertation under the supervision of a faculty supervisor and two faculty readers (the dissertation committee).

Students may graduate with the Doctor of Philosophy in Theology and Apologetics upon the successful completion of their dissertation requirement and upon the recommendation of the faculty.

DISSERTATION ENROLLMENT POLICY
Once students enter the dissertation phase of their degree, they are required to maintain continuous enrollment (Fall, Spring, and Summer semesters) until they complete all degree requirements. If they do not, they will break enrollment, and they will be required to apply for readmission if/when they wish to resume the pursuit of their degree. They will have to complete their degree under the Degree Completion Plan (DCP) in effect at the time of their readmission.

GRADUATION REQUIREMENTS
In addition to general regulations governing graduation, Doctor of Philosophy in Theology and Apologetics graduates must meet the following requirements:

Any person who is not a citizen or permanent resident of the United States and who desires to be admitted to the University must contact the Office of Admissions. Applicants must take the Test of English as a Foreign Language (TOEFL) if English is not their national language. An official score report must be forwarded to Liberty University before an admission decision will be made. The minimum acceptable score for admission is 600. Information regarding the TOEFL may be obtained from: Educational Testing Services; TOEFL Services; P.O. Box 6151; Princeton, NJ 08541, USA.

TRANSFER OF CREDIT

All graduate transfer credits are subject to the approval of the School of Education (SOE) Graduate Committee. Such courses must carry a grade of at least a B and be comparable to Liberty University graduate courses. Transfer credit will only be considered from institutions or schools accredited by an accrediting agency recognized by the U.S. Department of Education. With approval, up to six hours may be transferred into the Ed.S. program. It is the responsibility of each applicant to supply official transcripts along with a written request to have credit applied to the degree program. Transfer credits must have been completed within the previous five years. Courses from a completed degree will not be accepted as transfer (see exception below). Credit for life experience and for correspondence courses will not be awarded at the graduate level.

GRADUATION REQUIREMENTS

In addition to other regulations governing graduation, as stated in the Liberty University Catalog, Ed.S. graduates must:

1. Complete a minimum of 30 semester hours beyond the Master’s degree.
2. Complete a minimum of 24 semester hours through Liberty, not to include credits from a prior degree earned through Liberty.
3. A maximum of six (6) hours of transfer credit may be applied to the degree.
4. Maintain a 3.00 GPA to remain in the program, with no more than one C permitted in program courses (includes grades of C+ & C-). Students earning more than one grade of C+/C/C- or lower will be dismissed from the program. While all course grades are averaged in the GPA, course credit toward degree completion is not granted for a grade of D (or D+/D-) or F.
5. For information regarding the repeat policy, please refer to “Course Repeat Policy” in the Academic Information and Policies section of this Catalog.
6. Certain additional requirements may be necessary depending upon the student’s academic background. Any and all contracts made between the SOE Graduate Committee and the student at the time of acceptance into the degree program must be satisfied before the degree will be awarded.
7. Submit a Graduation Application to the Registrar’s Office at the beginning of the final semester.

There are no on-campus residency requirements for the Ed.S. degree. However, students interested in pursuing the Ed.D. degree after completion of the Ed.S. should complete the residence course options, where available (EDUC 741 and 730 for the Teaching and Learning concentration and EDUC 741 and
747 for the Educational Leadership concentration). For students who choose the residence course options, EDUC 741 must be completed within the first year in the program with a minimum grade of “B”.

NOTE: For students who plan to continue with the Ed.D. program beyond the Ed.S. Although one C is permitted toward completion of the Ed.S. program, Grades lower than B will not count toward completion of the Ed.D.

**TIME LIMITS FOR DEGREE COMPLETION**

The time limit for completing the degree from the date of admission to the program is five years. Only in unusual circumstances may the student be granted an extension. Granting of an extension of time will usually result in additional requirements.

Any student who does not complete coursework within the permissible time limit for any reason, including discontinued enrollment, must reapply for admission. A student may reapply only once, and will be subject to the current standards and curriculum if readmitted. The SOE Graduate Committee will determine if any previous courses are sufficiently time sensitive and must be repeated. Beginning with the date of readmission, the student’s time limit for degree completion is determined by the number of hours remaining.

While all course grades are averaged into the GPA, course credit toward degree completion is not granted for a grade of C, D or F (includes +/– grades).

8. Submit a Graduation Application to the Registrar’s Office at the beginning of the final semester.

COMPREHENSIVE EXAM
A comprehensive examination must be successfully completed prior to submission of the dissertation proposal. The exam process is taken with EDUC 919, the final residential course. Students may have no more than two attempts at passing the comprehensive exam.

DISSERTATION
Students (doctoral candidates) are allowed to register for EDUC 980 (Dissertation Proposal and Research) up to three times before successful completion of an approved dissertation proposal. In addition, students have a limit of a total of nine times registering for EDUC 989. Exceeding either of these limits will result in dismissal from the Ed.D. program.

Before beginning the dissertation research, the doctoral dissertation committee must approve the research proposal. The dissertation is expected to exhibit scholarship, reflect mastery of technique, and make a distinctive contribution to the field of knowledge in which the candidate has specialized. A faculty committee of at least three (3) members, comprised of a chair and at least two (2) other approved members is responsible for the general supervision of the doctoral dissertation. A formal defense of the dissertation is required for final approval.

Once students enter the dissertation phase of their degree (beginning with EDUC 980: Dissertation Prospectus), they must maintain continuous enrollment (Fall, Spring, and Summer semesters) until they complete all degree requirements. If they do not, they will break enrollment, and they will be required to apply for readmission if/when they wish to resume the pursuit of their degree. They will have to complete their degree under the Degree Completion Plan (DCP) in effect at the time of their readmission.

TIME LIMITS FOR DEGREE COMPLETION
The time limit for completing the degree from the date of admission to the program is seven years for the Ed.D. Only in unusual circumstances may the student be granted an extension. Granting of an extension of time will usually result in additional requirements.

There will be a time limit of five years for completion of the Ed.D. for students who were granted 18 hours or more of advanced standing from a previously completed Ed.S. or equivalent degree.

Any student who does not complete coursework within the permissible time limit, for any reason including discontinued enrollment, must reapply for admission. A student may reapply only once, and will be subject to the current standards and curriculum. The SOE Graduate Committee will determine if any previous courses are sufficiently time sensitive and must be repeated. Beginning with the date of readmission, the student’s time limit for degree completion is determined by the number of hours remaining.

SCHEDULING RESIDENTIAL COURSES
Residential graduate classes are scheduled as one week intensives during the summer, in December and January and weekend classes in fall and spring. Pre-class and post-class assignments are required for intensive courses and for many of the weekend courses. Required residential classes include EDUC 741, 730 and 919 for the Ed.D. with a concentration in Curriculum and Instruction, and EDUC 741, 747, and 919 for the Ed.D. with a concentration in Educational Leadership. EDUC 919 must be taken as the final residential course (along with EDUC 970).

All faculty are listed at the end of this catalog in the Faculty Roster. There are separate rosters for full-time and part-time faculty. The entire roster can also be viewed online at https://www.liberty.edu/index.cfm?action=faculty&PID=19959&C atID=23 where faculty can be searched for by department.

PURPOSE
Liberty University School of Law exists to equip future leaders in law with a superior legal education in fidelity to the Christian faith expressed through the Holy Scriptures.

• Equip future leaders in law. Inspiring students and preparing them to excel and lead in their profession.
• With a superior legal education. Constructing and implementing an education characterized by excellence.
• In fidelity to the Christian faith. Adhering to the perspective that shaped the Western legal tradition.
• Expressed through the Holy Scriptures. Pursuing truth in a context of free thought and expression informed by a standard.

DISTINCTIVES

An emphasis on mastery of foundational legal subjects and skills. The objective of the School of Law is to equip and prepare students for success as legal professionals. Thus, there is an expectation by administration and faculty that students devote themselves with particular diligence to the subjects and skills identified as critical to professional excellence.

An emphasis on a rigorous and well-rounded intellectual life. Students are challenged intellectually at Liberty, not only with the technical aspects of law, but with a comprehensive and interdisciplinary approach to education and knowledge rooted in the Christian intellectual tradition. We firmly believe an educated lawyer should be thoroughly acquainted with the great thinkers and shapers of Western civilization and the Western legal tradition. Liberty University School of Law trains students to think analytically, a skill that can be developed properly only through an interdisciplinary approach to analyzing ideas.

An emphasis on understanding the significance of constitutional government with a special emphasis on the history and meaning of the United States Constitution and other foundational organic documents.

An emphasis on clear and persuasive writing. Liberty University School of Law is the only law school in the country requiring six lawyering skills courses. Liberty graduates must excel in writing—one of the lawyer’s most powerful skills.

An emphasis on influential oral advocacy skills. A lawyer must be able to communicate effectively using the spoken word whether or not a litigation practice is an ultimate goal. Leaders in the legal profession know how to convincingly communicate with an audience. At Liberty, students focus on advocacy in many contexts and take part in demanding lawyering skills courses designed to develop oral communication skills.

An emphasis on teaching/mentoring, Liberty is a teaching law school. Members of the faculty are expected to display the highest degree of professional proficiency and scholarly research while prioritizing the teaching/mentoring role. Proficiency in teaching students is the Liberty law professor’s first priority.

ACCREDITATION
Liberty University School of Law is fully accredited by the Council of the Section of Legal Education and Admissions to the Bar of the American Bar Association; 321 North Clark Street; Chicago, IL 60654-7598; 312.988.5000.

The American Bar Association (ABA) approval process is a thorough and careful process intended to ensure that law schools awarded approval meet all of the requirements set by the ABA to ensure a quality legal education.

Liberty University School of Law opened in August 2004 and completed the required full academic year to be eligible to apply for provisional approval by the ABA. On February 13, 2006, provisional approval was awarded. In March 2009, following the required two year provisional approval time frame, Liberty applied for full approval. On August 5, 2010, Liberty University School of Law was awarded full accreditation by the ABA.

Liberty University School of Law is one of 205 ABA provisionally or fully approved law schools in the United States.

CURRICULUM GOALS
The overarching goal of the faculty in designing and adopting the curriculum is to further the Mission of the School of Law, that is to “equip future leaders in law with a superior legal education in fidelity to the Christian faith expressed through the Holy Scriptures.”

The particular goals of the faculty in designing and adopting the curriculum are to:

1. Reflect the fundamental values upon which our legal system is based:
   a. that there is a corpus juris, a body of law, in which courses are related to one another as a logically consistent, comprehensive whole;
   b. that a government of laws is possible only where law reflects the truths that God has revealed to man and to which man is accountable; and
   c. that the preservation of the rule of law requires skillful and committed legal practitioners who are much more than mere technicians.
2. Require courses that develop the body of knowledge, set of skills and professional values in which every lawyer must be grounded.
3. Offer a range of electives that allows students to gain an introduction to various areas of law or to develop particular areas of competence.
4. Prepare leaders for success in the two main phases of their professional lives, the study of law, and the practice of law.
5. Prepare students to pass bar examinations in the states of their choice.
Juris Doctor (J.D.)

PROGRAM LEARNING OUTCOMES
The student will be able to:
1. Demonstrate mastery of foundational legal subjects.
2. Demonstrate proficiency in written skills required for legal practice.
3. Demonstrate proficiency in oral advocacy and communication skills required for legal practice.
4. Critically analyze and resolve legal issues.
5. Demonstrate an understanding of the significance of constitutional government, including the U.S. Constitution and other foundational organic documents.
6. Demonstrate professional behavior grounded in the biblical worldview in accordance with accepted legal standards.
7. Critically analyze legal issues from a distinctively Christian worldview.

SCHOOL OF LAW DEGREE SEQUENCING
To pursue non-law courses in the dual degree programs during fall and spring semesters requires approval of the School of Law’s Registrar and the Associate Dean for Academic Affairs.

A Liberty Law student is able to pursue the non-law courses in a dual degree during Liberty University’s winter sessions and summer sessions.

First-year law students are not permitted to take non-JD courses. It is the purview of the administration to limit a dual-degree participant’s academic load while actively pursuing a J.D. if the current course load hinders the participant’s course of study in the J.D. For further questions about the sequencing of a dual degree program see the School of Law’s Registrar and the Associate Dean for Academic Affairs.

ADMISSIONS REQUIREMENTS
The dual degree programs are available for enrollment to students pursuing the J.D. program in the Liberty University School of Law or alumni of the Liberty University School of Law. The applicant must apply to and be accepted by the appropriate Liberty University Graduate School entity having met all that school’s admission requirements for the non-J.D. degree. As each department will have a distinct set of admission requirements, consult the School of Law’s Registrar for details on specific criteria. The applicant makes application for a particular dual-degree through the School of Law’s Registrar.

PROGRAM COSTS
Current Liberty University School of Law students pay a flat fee for fall and spring semester classes. This currently includes non-J.D. courses taken in one of the dual-degree programs up to an 18 hour cap. Taking non-J.D. courses during a fall and/or spring semester requires approval from the School of Law’s Registrar and the Associate Dean for Academic Affairs.

Students enrolled in non-J.D. courses during the winter and/or summer terms will pay the tuition rate for the non-J.D. dual-degree program as published in the Expenses and Financial Policy section of this Catalog. Courses taken during the winter and/or summer terms are not covered by the School of Law tuition rate.

FACULTY

The School of Music (SOM) faculty includes full-time and adjunct and/or part time resident and on-line highly skilled professionals. The School of Music faculty adhere to and adopt five personal and professional goals, including a commitment to:

1. Embrace, develop, grow and exemplify a spirit of Christian grace, character, integrity and mercy in all areas of professional and private life. [Spiritual Disciplines]
2. Intellectual discovery, educational enrichment and rigorous pursuit of knowledge for the advancement of their own individual disciplines. [Educational Enrichment]
3. Develop and grow as professional practitioners. [Professional Development]
4. Make honest contribution to local and global communities for the purpose of spreading the gospel and proclaiming the name of Jesus Christ. [Community and Mission]
5. Grow in their understanding of institutional mission, love for one another, vision for the future, and support of Liberty University School of Music. [University Mission]

Additionally, and in an effort to enrich our student’s lives, SOM faculty promise, to the best of their ability, to provide:

1. A quality, world-class education experience. [Quality Education]
2. Opportunity to grow in their aptitude and ability and performance skill in their instrument of choice. [Personal Growth]
3. Opportunity for spiritual, educational, and social transformation and growth sufficient to make meaningful contribution to their culture, discipline and the Kingdom of God. [Contribution to Culture]
4. Opportunity to discover potential through mentoring and discipleship experiences. [Opportunity to Discovery and Creativity]
5. Assistance in finding career placement in their chosen area of music performance, skill set and/or ministry. [Career Placement]

It is the conviction of the School of Music faculty that the manifestation of these qualities in the lives of ALL resident and on-line music professors is critical to the success of the School of Music. The personal commitment to these ten statements is used as one of several criteria for the annual evaluation of School of Music faculty.

MISSION

The mission of the Liberty University School of Music is to train and equip musicians to be Champions for Christ. The School of Music is a community of God-honoring musicians committed to a culture of manifest core values that include:

- Worship Lifestyle
- Servant Leadership
- Stylistic Diversity
- Academic Inquiry
- Skilled Musicianship
- Artistic and Creative Expression
- Sharing Christ through Music

These core values demonstrate what the music faculty believes a “Champion for Christ Musician” is devoted to in their everyday private and professional life. It is the general consensus of the School of Music faculty that the mission statement and clearly articulated core values conform to and promote the broader university mission to “develop Christ-centered men and women with the values, knowledge, and skills essential to impact the world.”

While the School of Music has only one mission, two distinctly unique and focused tasks emerge. These tasks are accomplished through two organizations within the School of Music structure: 1) The Center for Music and the Performing Arts – trains and equips passionate musicians as skilled performers, and music education specialists;” and, 2) The Center for Music and Worship – trains and equips highly skilled musicians to serve as worship practitioners in the evangelical community. In fulfillment of the School of Music Mission, communication of the Core Values and application of the Focused Tasks and the various entities representing the music unit, it is the aim of the School of Music leadership to graduate students that are thoroughly equipped to assume their role in the market-place. And, that the School of Music provides for these student-musicians comprehensive curricula that is broad enough to encourage collaboration, imagination, diversification, scholarship and practical application. It is important to the leadership of the School of Music that students are equipped to identify their calling (desired career), find gainful employment (a job) and contribute to their chosen vocation(s) for many years to come.
PURPOSE

The purpose of the Graduate Music Studies Division is to train highly skilled musicians to serve as music and worship practitioners, music educators and ethnomusicologists specifically for and in the evangelical community. These purposes are accomplished through curricula development, student internship and apprenticeships, local church ministry, professional teaching opportunities, publishing and recording, artist development and empirical research.

PROGRAMS OF STUDY

Graduate programs offered by the Graduate Music Studies Division prepares students to meet the challenge of their profession with skill, insight, and intentionality.

Master of Arts in Music Education (M.A.) (Resident and Online Music Degree)

Program Director, Master of Arts in Music Education
Associate Dean, Center for Music and the Performing Arts
Associate Professor of Music and Worship

PURPOSE
The Master of Arts in Music Education is a unique degree offering among colleges and universities, both private and public. The degree program is designed to provide four essentials needed for successful development of music education: Foundational Studies (9 hours); Applied Music Studies (9 hours); Music Education Studies (12 hours); and Research (6 hours).
The degree is designed to meet the needs of four distinct groups:
1. Those currently working in the profession as music educators. Many states require that public and private school teachers continue to develop themselves educationally, often toward receiving advanced degrees.
2. Students currently completing their B.M., B.A., or B.S. in Music, B.M. in Music Performance, B.M. in Music with a Teacher Licensure, or B.M. in Music Education, who desire to continue their studies, better preparing them for the job market. The M.A. in Music Education also establishes academic credential for those teaching on the primary, secondary, or college level.
3. Teachers employed in public or private schools looking for educational alternatives that allow them to remain active in their current career. These teachers are often required to fulfill mandates for continuing education for the purpose of remaining current in the discipline, but are concerned about the realities of resigning from their job and relocating to an on-campus program of study.
4. Students desiring to complete a Ph.D. in Music. The M.A. in Music Education allows students who have a B.M., B.S., or B.A. in other music disciplines (performance, worship, commercial music, songwriting, etc.) to be prepared to enter a Ph.D. program for Music Education.

The M.A. in Music Education helps students evaluate historical, philosophical, and methodological issues related to music education through a grid rooted in and formulated by a Christian worldview; and, demonstrates the “mission-centered integration of teaching and research.” Further, this degree program is designed to prepare students as scholars in the field of Music Education.

PROGRAM LEARNING OUTCOMES
The student will be able to:
1. Compare historical and contemporary theories of Music Education.
2. Integrate Christian worldview within a music education philosophy and methodology.
3. Analyze and arrange music in traditional and contemporary styles with the appropriate use of technology.

2. An undergraduate cumulative GPA of at least 3.00 (on a 4.00 scale). Applicants who do not meet this requirement may be considered for enrollment in the program on a cautionary basis. Financing the University

The Office of Development is designed to develop and foster lifelong relationships between the University and its constituents. By establishing opportunities for all graduates, friends, students, families, faculty, staff, corporations, and foundations to financially support the University, this office helps Liberty University maintain and enhance the outstanding quality of its faculty, students, programs, and facilities.

Provided below is an overview of ways to support Liberty University.

Development

Annual Fund, Outright Gifts, Matching Gifts, and Gifts in Kind

Annual gifts are contributions for the current, unrestricted use of the University or any of its colleges, schools, and programs. Outright gifts include contributions of cash, securities, and written pledges. Gifts of securities are credited at market value on the date the gift is delivered or postmarked. Matching gifts encourage charitable giving by matching their employees’ contributions. Gifts in kind are gifts of tangible personal property, such as artwork, computers, real estate, and services, which may be used by Liberty University or sold for funds to help support our continuing efforts to provide an outstanding Christian higher education. Gifts in kind may provide substantial tax benefits.

Specific information on the above plans may be obtained by contacting:

Vice President for Development
1971 University Blvd.
Lynchburg, Virginia 24515
(866) 602-7983

Federal and State Funding

Liberty University does not receive any Federal or State funding other than Student Financial Aid, which is utilized only for eligible individual students. Eligible students may receive funds from Federal Pell Grants, Federal Supplemental Education Opportunity Grants, Federal Work Study Grants, Federal Family Education (Stafford and PLUS) Loans, Virginia Tuition Assistance Grants, and Virginia College Scholarship Assistance Program Grants.

The University has never accepted Federal or State funds for its operations, endowment, or capital funding projects.

Planned Giving

Bequests

Federal tax laws encourage bequests to qualified institutions like Liberty University, with an unlimited estate tax deduction for such legacies. Here is a sample form of bequest your attorney may adapt in preparing your will:

I give, devise and bequeath to Liberty University, a Virginia non-stock, non-profit corporation located in Lynchburg, Virginia 24515, __% of my estate to be used for its general purposes.

Charitable Gift Annuity

Gift Annuities provide assured fixed income for the lives of one or two qualified individuals by transferring $5,000 or more in cash and/or securities to Liberty University. An annuity agreement established during your lifetime is a good way to increase after-tax income. Your gift allows you to claim a charitable deduction on your tax return to reduce your tax liability.

Life Insurance, IRAs, and Pension Plans

A paid-up life insurance policy makes an excellent gift to Liberty University. The donor may receive significant tax benefits with this type of gift. Traditional IRAs and other qualified pension plan assets can be an excellent source of funding for charitable gifts. If these assets are transferred to an individual, the current value is subject to estate taxes, as well as federal and state income taxes (sometimes exceeding 80% of the value), but when designated to Liberty University, taxes are eliminated.

Real Estate

Land, homes, buildings, and other real property may be given to Liberty University as an outright gift or used to fund a life-income gift. A home may be given to the University and continue to be lived in throughout an individual’s lifetime. This is called a “Life Estate.” All such gifts of real estate and real property can benefit both the individual and the University.

Scholarships/Endowments

Gifts can be placed as a permanent endowment scholarship with the University. Each year the interest earned from the investment will provide tuition help for worthy students.

Trusts

Charitable Remainder Trusts (CRTs) are life income gifts. The remainder comes to the University after the passing of all income beneficiaries. Charitable Lead Trusts generate income for the University during the term of the trust, after which the assets are passed along to the heirs with significant tax savings.
