**APPROPRIATE REPORTING CHANNELS**

IER-administered surveys are not designed or intended to collect reports of misconduct or other situations that require immediate action. Please utilize the appropriate channels for reporting or seeking assistance. Contact information for various support services is available on the University's website ([www.Liberty.edu](http://www.Liberty.edu)) and provided here for convenience:

*Title IX*

Respondents seeking to report a concern or file a formal complaint are encouraged to visit the Office of Equity and Compliance's website (<https://www.liberty.edu/title-ix/>).

*Liberty Way Student Code of Conduct Violations*

All students are encouraged to self-report violations of the *Liberty Way Student Code of Conduct* by visiting the Office of Community Life's Community Standards Process webpage for more information (<https://www.liberty.edu/students/community-life/community-standards/>) or by calling (434) 582-2320.

*University CARE Team:*

The Liberty University CARE Team (Collaborate, Assess, Resource, Empower) promotes the safety and well-being of the Liberty community by partnering with community members to identify students who may need timely support. To prevent self-harm or injury to others, the Team helps students navigate challenges that inhibit their success by collaborating with other university departments to provide access to appropriate on and off-campus resources.
