LEARNING MANAGEMENT SYSTEM

Welcome to Canvas

Canvas is LUCOM's Learning Management System for student use.

What students use Canvas for:

- Calendar/schedule
- Syllabus
- Learning Materials
- Lecture Capture
- Announcements
- Quizzes
- Grades

Entering Canvas

The front page of Canvas will only show courses you are enrolled in, this is called the Dashboard
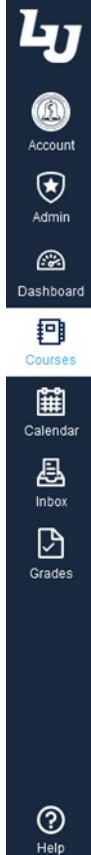

Canvas Account & Main Navigation Pane

The Main Navigation Pane is shown on the left of the Dashboard screen. This offers quick ways to get from one place to another in Canvas.

- Each Canvas user can manage their account by clicking the Account button on the left side of the screen.

Canvas courses

The Course tab shows a list of all the courses a user is enrolled in currently
- Past enrollments can be viewed by clicking *All Courses*

Past Enrollments

☆ ■ Student Orientation Demo		

Helpful note: A faster way to switch between classes is by clicking the Courses button as opposed to going to the Dashboard.

Canvas course home page

The homepage is the first tab a student will see upon entering a specific course.

- The Navigation Pane within the course offers options for Announcements, Grades, Syllabus, Quizzes, and Media Gallery
- The Canvas Calendar can be viewed here by clicking on *View Calendar*. This will show the user the calendar for a specific course only.

Canvas Media Gallery

The Media Gallery in each course is where the Lecture Capture videos can be found for students to review.

Canvas Calendar
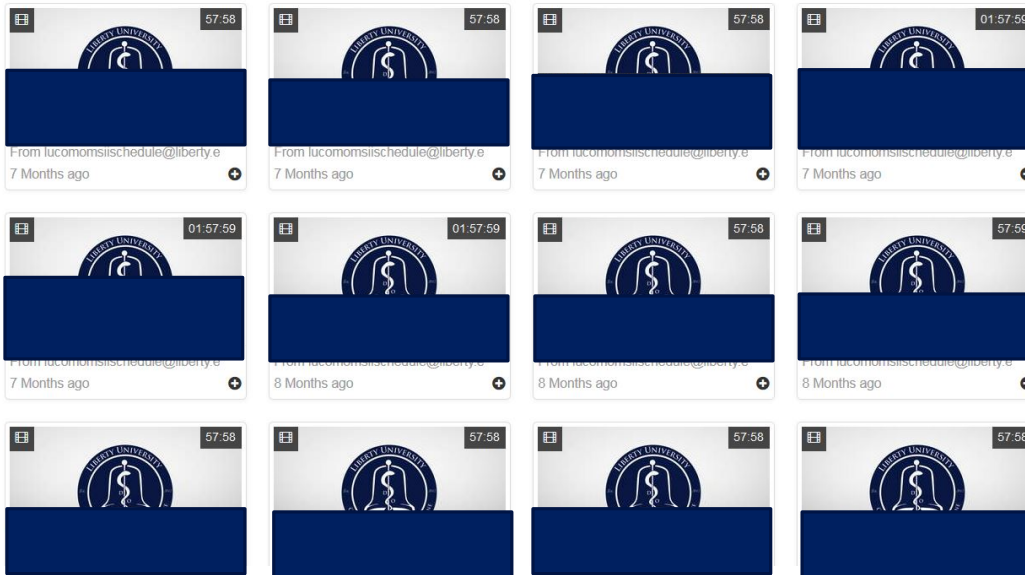

The Calendar can be viewed two different ways:

1. By clicking on *View Calendar* within a course
2. By clicking on *Calendar* from the Main Navigation Pane

- The Calendar can be used to show the entire semester schedule or each course schedule individually.
  - This is controlled by checking the boxes beside each course name on the right

- The learning materials for each lecture can be found within each event.
