

Liberty University College of Osteopathic Medicine

Center for Research

Access Policy

- 1.) Access is strictly limited to the LUCOM Dean and Associate Deans, the consulting veterinarian for the Liberty University IACUC, LUCOM faculty members conducting research that involves Center for Research space or equipment, the LUCOM Research Manager, the LUCOM Director of Building Operations and designated facilities personnel.
- 2.) LUCOM students, Liberty University students or other individuals involved with LUCOM research projects or who have been authorized by the Associate Dean for Research to use equipment in the LUCOM Center for Research may, upon application, be granted temporary key card access privileges.
- 3.) Individuals with key card access privileges are NOT to lend their key cards to others. All uses of key card readers are monitored and documented by Liberty University.
- 4.) Access request forms must be submitted to the LUCOM Research Manager. Upon approval by the Associate Dean for Research, the Research Manager will submit the request to the Director of Building Operations.
- 5.) Doors leading into the Center for Research **MUST** remain closed at all times. Propping doors open is NOT allowed.
- 6.) Failure to abide by the Access Policy may result in disciplinary action including loss of lab access/privileges, failure of course or dismissal.

*“Let every person be subject to the governing authorities.
For there is no authority except from God and those that exist have been instituted by God.”
Romans 13:1*
