## INSTRUCTIONS FOR OBTAINING YOUR DRUG SCREEN ONLY FOR CLINICAL EDUCATION PROGRAM

### Liberty University -1st year Osteopathic DRUG SCREENING ONLY

In association with our clinical education program drug screening is required on incoming students to ensure the safety of the patients treated by students in the program. You will be required to order your drug screen in sufficient time for it to be reviewed by the school and/or hospital prior to starting your clinical rotation. A drug screen typically takes 3 days to complete, however its delivery to your school and/or clinical site can be impacted by a variety of factors.

Go to [www.mystudentcheck.com](http://www.mystudentcheck.com) , and select your **School and Program** from the drop down menus for both **School and Program**. It is important that you select your school worded as **Liberty University -1st year Osteopathic DS Only**.

Complete all required fields as prompted. For your records, you will be provided a receipt and confirmation page of your order placed through PreCheck, Inc. **Texas** residents will pay **\$54.13** and **New Mexico** residents will pay **\$53.63**. Residents in **all other states** will pay **\$50.00**. For your records, you will be provided a receipt and confirmation page of your order placed through PreCheck, Inc.

#### Drug Screening:

You must pre-register for drug screen collections before heading to a collection lab.

- If you pay by credit card, the link to the instructions for pre-registration will be provided at the confirmation page after you complete your order.
- If you are paying by money order, you will be emailed instructions to obtain your drug screen once payment has been received.

Note on Drug Screen Collection Pre-Registration and Appointments: This process only pre-registers you for a drug screen and does not set up an appointment time with the collection site. Collection sites have different policies on setting up appointments for drug screening. For your convenience, we recommend calling your chosen collection site ahead of time to set up an appointment. It is also your responsibility to pre-register and complete the drug screen at the time frame required by the school. For most students, the Electronic Chain of Custody (ECOC) process will register them to a collection site instantly; however the location of some students may require us to mail a paper Chain of Custody Form to get you to a collection site close to your location. We encourage you to pre-register with enough time to allow mailing time, if needed.

PreCheck will not use your information for any other purposes other than the services ordered.

If you need assistance, please contact PreCheck at [StudentCheck@PreCheck.com](mailto:StudentCheck@PreCheck.com).

#### FREQUENTLY ASKED QUESTIONS:

- How long does the drug screen take to complete? Most results are returned within 3 business days, but delivery to your school and/or clinical site can be affected by many factors.
- Do I get a copy of the results? Results are not always returned to PreCheck, and sometimes a school may designate that results be returned directly to them, or to the clinical site. If you wish to receive a copy you may contact us at [StudentCheck@PreCheck.com](mailto:StudentCheck@PreCheck.com) and we will determine if we have results on file. We will need your name as provided on your drug screen order, the last four digits of your SSN, and also the School and Program for which you underwent the screening.
